PRESIDENT JON PAULSON OVERSEES CAMPUS ACTIVITY

Sophomore **Margie Kelly** aids the "campus beautiful" project by weeding one of the many planters on campus (upper left). Flowered campaigners tip-toe through the stunt day tulips for **Sue Self**, song leader

(upper right). It could be Arcadia High — but it's really the MHS campus and **Marsha Anderson** (lower left) and, off to the right, **Mike Miner** surveys all the women surrounding him on the page.

SPARKLE OF ENTHUSIASM RADIATES FROM FACES

Aloft — but never aloof — **Nancy Soyeshima** abandons her role as Tinker Bell to compete as a ghost in the Stunt Day parade. Unsuccessful as a song leader candidate, Nancy was appointed to co-head E-Flag, to rate campus cleanliness every school day.

Jittery with stomach butterflies, **Janis Jacobson** edits her "Wildcat Tales" slides year assembly. During the year Janis covered all school activities to catch those would be meaningful to the Student Body.

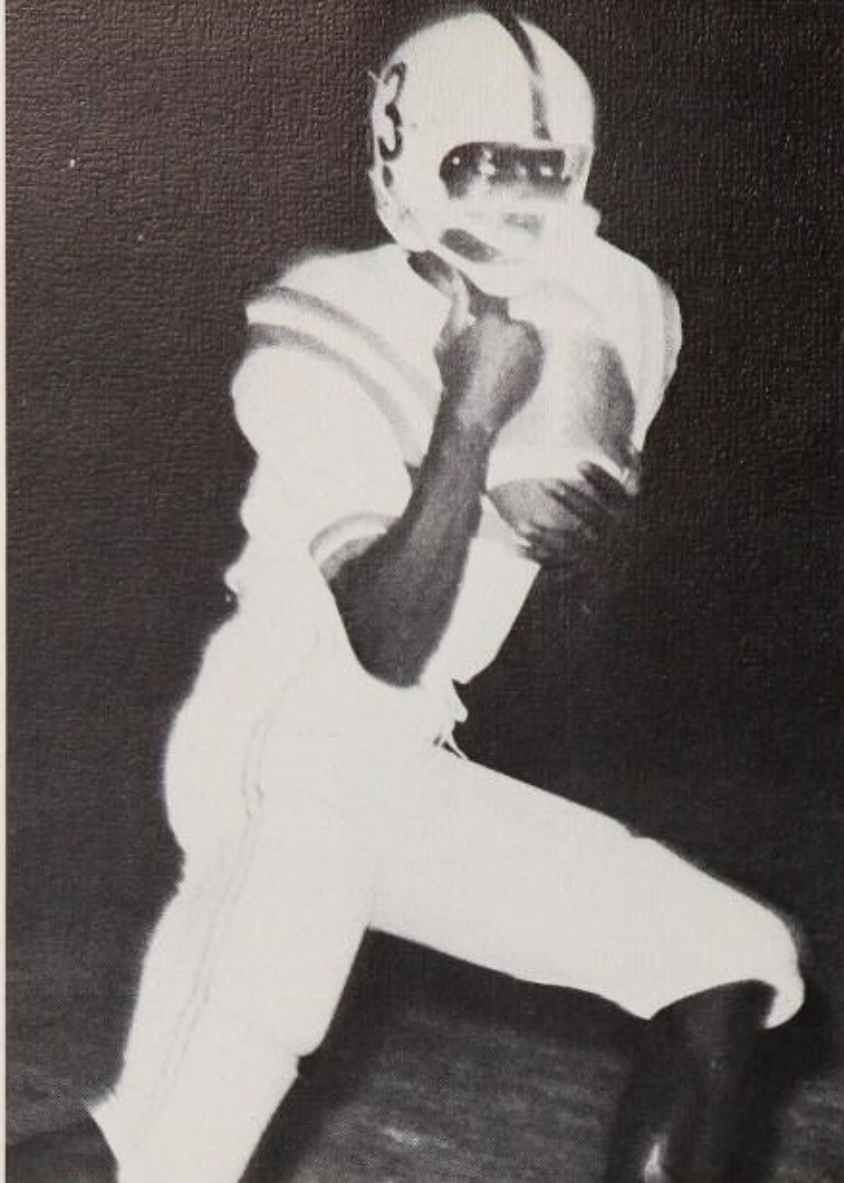

Head Coach **Dick Robbins** confers with fellow coaches **Robert Marvin** and **Mike Morris** while non-coach **Jim Crosson** attempts recruiting new mountain men during the Hi-Week Assembly.

Kathy Wallace, **Gail Brooks** and **Vickie Lindsey** disagree amiably over what should be represented on the annual cover. The unanimous choice of staffers was **Vicky Farr's** basic white with a tower of green and blue.

ASB CABINET INITIATES INNOVATIONS

Steve Bailey, ASB Vice-President

Jon A. E. Paulson completed the year with an efficiency and style not often associated with a high school student body president. He originated the idea of a "Cabinet Kick-off Banquet," whereby the parents and members of his working team met for a pot luck dinner which promoted good will in the adults involved and the community. Jon successfully conducted a paper-back book sale. He was also active in Key Club, Monarcs, AFS, Pep and Publicity Commissions and Varsity Basketball. Jon amazed MHS by singing in the talent show as well as graduating Gold Seal.

ASB Vice-President Steve Bailey offered guidance and assistance to the members of the House over which he presided. By the end of first semester, he was responsible for initiating needed changes in the Constitution, examining the commissioner system, and calling extra meetings to cover the volume of bills and problems facing the House. He held membership in Key Club, Monarcs, AFS, Pep and Publicity Commissions, Weather Bureau and History Club.

IN STYLE, EFFICIENCY

Selection of ASB Cabinet members was made by Jon Paulson after careful consideration in the spring of '66. Danielle Clarno and David Hosie headed the AFS Commission, planning the traditional AFS Assembly and directing the shares drive. Director of Arts, Chris Paul, was responsible for the gigantic Wildcat which covered the goal posts for the Homecoming game. John Courter, Director of Athletics, kept the student body well informed of sports events throughout the year. This year, class competition was in the hands of Director of Clubs and Organizations Cathy Campbell. Maintaining a clean campus was the responsibility of Ron Brown and Nancy Soyeshima as they determined whether or not E-Flag would fly each week. Fred Totten, head of the Election Committee, organized fall and spring elections as well as the "bestest" and princess voting. Monetary transactions of the ASB were supervised by Gail Brooks, Director of Finance. Maurice McConnell and Greg Oberon co-ordinated the marquee, keeping the community informed of high school events. The efforts of Dennis White and Lindy Zimmerman in promoting spirit were extremely efficient and added greatly to the success of the athletic year of '67. Marsha Anderson and Vicky Spink contributed invaluable to the enthusiasm of MHS sports' fans by providing posters, banners and slogans. The ASB Secretary, Sally Moore, attended each Cabinet and House meeting, taking notes and keeping records as well as typing Paulson's correspondences. Mike Miner as Director of Student Activities performed many unique services including acting as student judge of the talent show, organizing the Cabinet Kick-off Banquet, and planning assemblies. The functions of Dan Mahnken, ASB Technician, included arranging sound equipment and lighting for various ASB meetings.

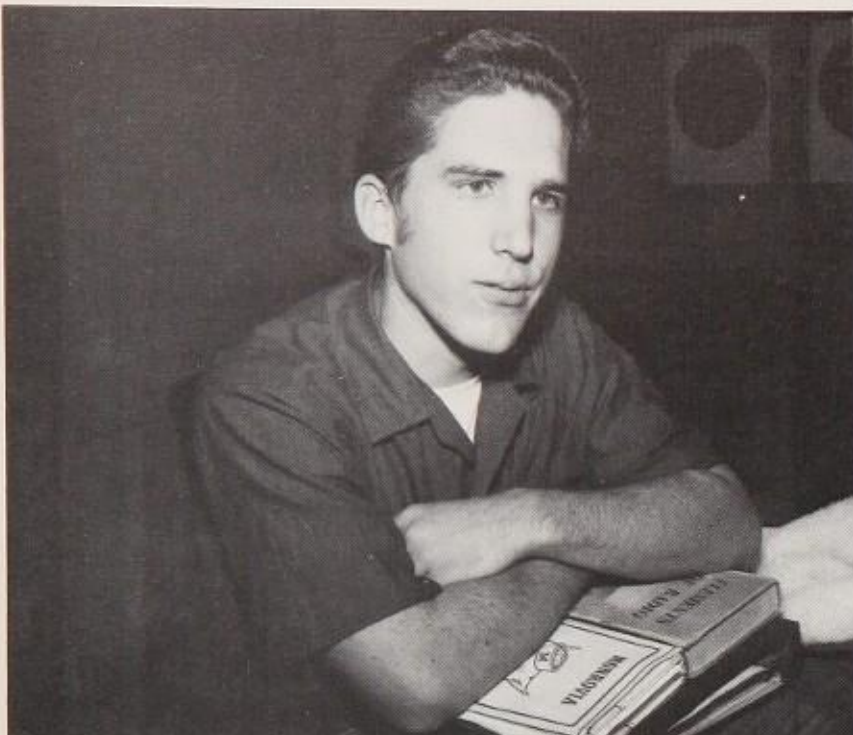

Election Committee Head Fred Totten is surrounded by members Jenny Grace, Mike Nichols, Greg Oberon, and Susan Johnson.

MADQUINS KEEP FULL SCHEDULE

Madquin officers, Jenny Grace, Sally Moore, Cathy Campbell, and Chris Day hold an impromptu, executive meeting.

Madquin President Cathy Campbell, directed the efforts of this twenty member honor club in completing a successful year of service to Monrovia High School. Traditionally, the club ushered at graduation, cleaned the trophy cases in the main hall, and painted the benches in the Cage area as a joint effort with the Monarcs. This year, the bulletin board in the main patio became the responsibility of the Madquins, and they responded with displays ranging from snapshots of the Varsity Basketball team to a final week schedule.

A scholarship was given to one deserving Madquin with the funds raised through various projects including a car wash and a candy sale.

The year was far from being all work as the Madquins and Monarcs held several beach parties, a Christmas party, and a get-together with the Kiowas and Senior Men's Society of Arcadia.

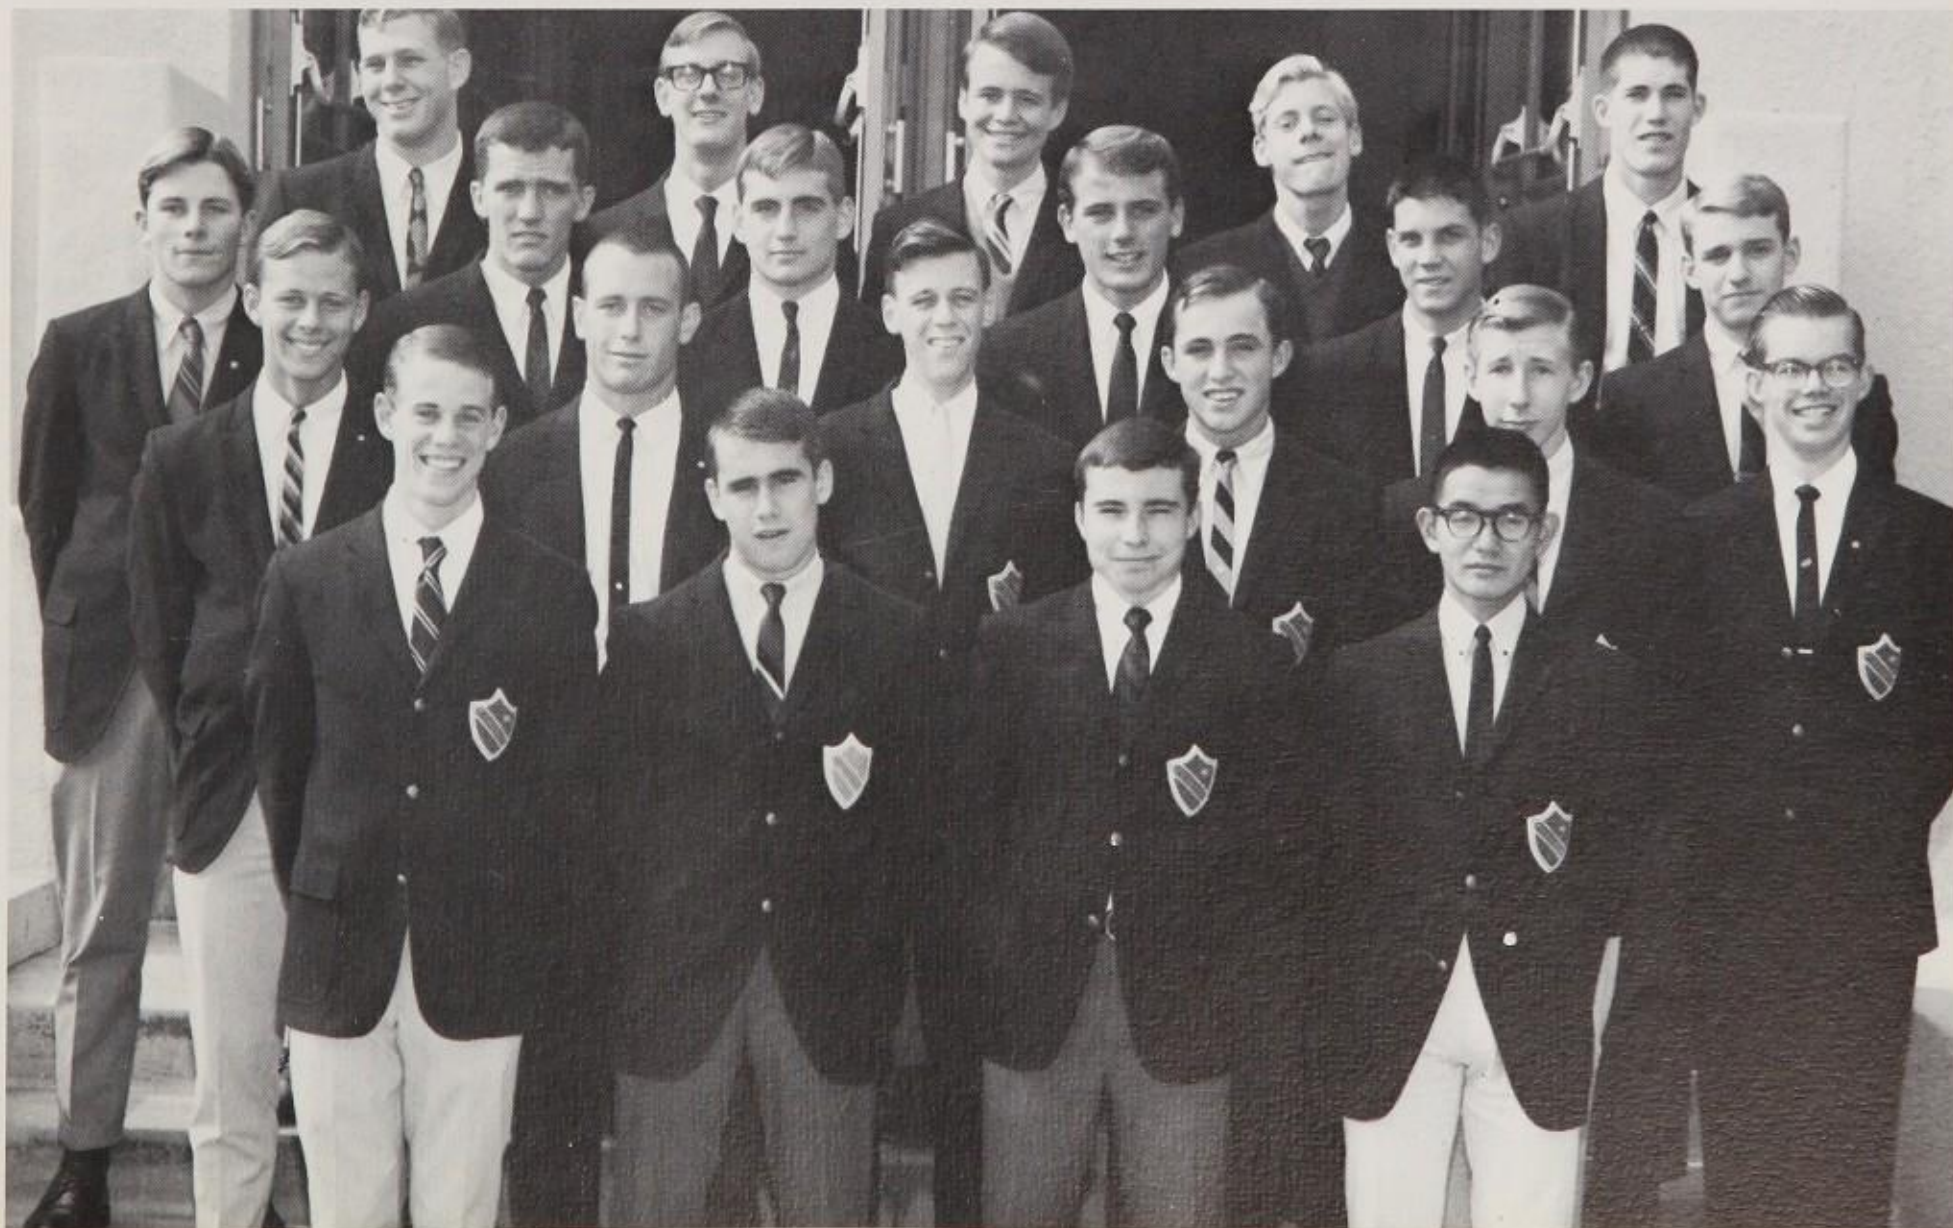

Monarc President John Courter is flanked on the left by Secretary Steve Crowe and on the right by Vice-President Jerry Marugg.

With the naming of the new Monarcs in June of 1966, the club began its year by ushering at the Baccalaureate ceremony and serving at the Senior Breakfast. John Courter led the group in cleaning the Big M, sponsoring the annual Monarc food drive, and many other beneficial services. Each Thursday morning, with the aid of the Madquins, the Monarcs performed the flag-raising ceremony, and every assembly found the two groups ushering at the auditorium doors.

The Monarcs were among the first organizations to claim one hundred per cent membership purchase of ASB cards. They also contributed generously to the AFS drive.

Shari Cattell, Girls' League President

Active interests and a desire to participate in MHS were the basis for Girls' League President Shari Cattell and Vice-President Lois Montgomery worked in conjunction with the other officers and cabinet members to further League accomplishments.

The Freshman Tea, soon followed by the Freshman Orientation, ended a busy summer and began an equally busy year for Shari. The Fall Fashion Show, themed "Through the Looking Glass," was the first League function of the school year. The "Homecoming" mum sale came soon after this. New this year was a Christmas decoration sale. In the spring came the popular banquets, the Father-Daughter affair and the Mother-Daughter fashion show. The final League assembly of the year was highlighted by the awarding of scholarships to deserving League members and the installing of new officers.

Shari is actively involved in Paleteers, French Club, Girls' Guild and Madquins. Her vocational plans are to attend a junior college with art as a major.

EXPAND WITH THE NEW, UNUSUAL

The Boys' League, led by President Rick Harrison and Vice-President Larry Smith, made many improvements and expansions. This year's activities included a Freshman orientation, two assemblies, a movie on the Indianapolis 500 and a boxing and Karate demonstration. Of unusual success this year were the sports award banquets and the League sponsored Christmas dance. The newly established tradition of giving a "Boy of the Month" award was founded by Rick and his cabinet. One unusual project was a "soap drive" for the soldiers in Viet Nam.

Rick Harrison was the first junior president of the Boys' League. He participated in Varsity Football, Concert Choir, and Junior Exchange Club.

Sponsors, Mr. Harry Kawahara and Mr. Harry Strubbe

As a result of the combined force of the Senior Representatives, the Senior class officers and the sponsors, the class of '67 enjoyed two mixers, a senior assembly, the Senior Breakfast, and the all night party at the Covina Bowl.

Posters, slogans and giminicks, created under the encouragement of President Jim Wright, heightened the spirits which made all these activities successful. Mr. Harry Strubbe and Mr. Harry Kawahara supervised all meetings and functions.

Senior Class Officers were Barbie Klien, treasurer; Jim Wright, president; Vickie Lindsey, vice-president, and Judy Shook, secretary.

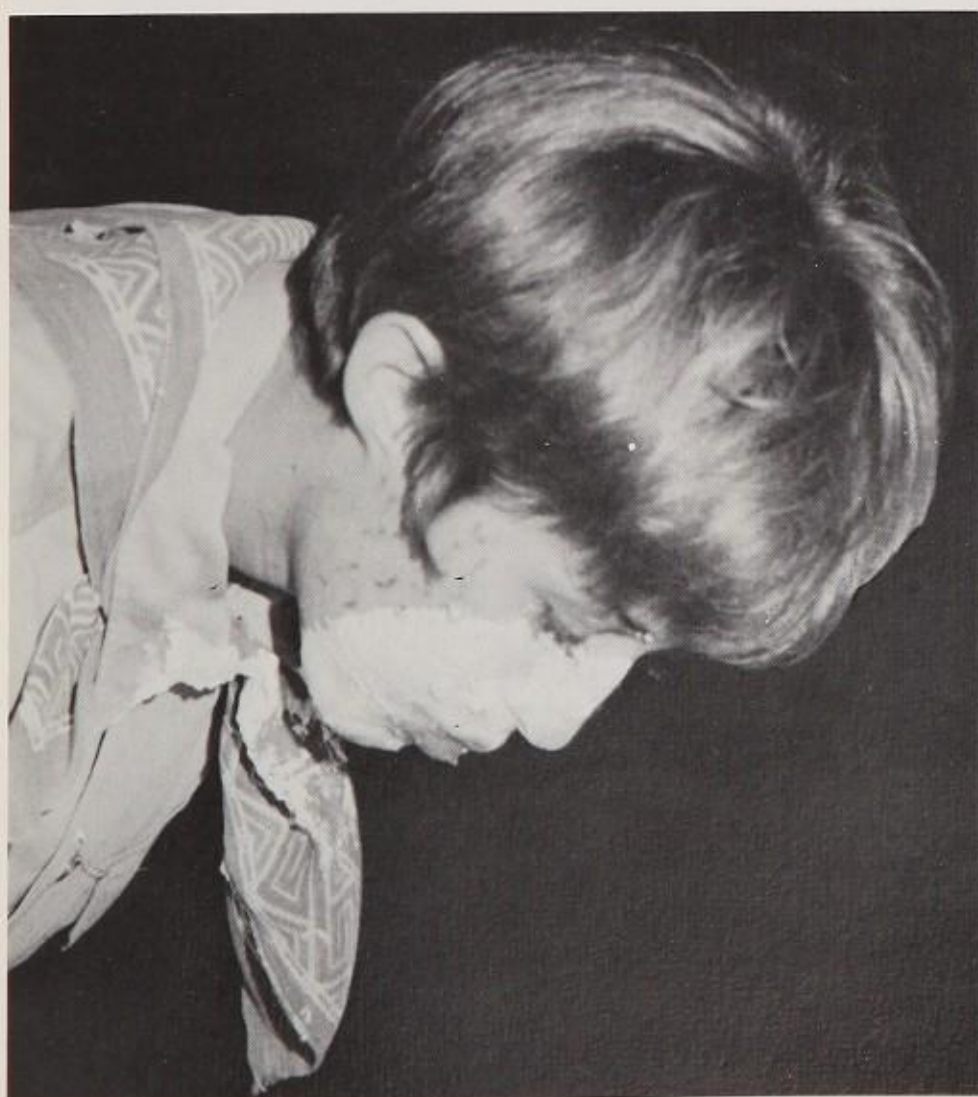

Slurping chocolate cream and lemon meringue, pie eaters Steve Penzes, Mike Miner, and Danny Minter compete for first place, Minter winning by splashing and sloshing rather than gulping.

SENIORS SELECT EIGHT "BESTEST" FROM AMONG GRADUATES OF 1967

Highly respected by both peers and teachers, Steven Crowe was given the school honor of being chosen "bestest" for intelligence among the graduating boys. This past year Steve served as secretary of Monarcs, was recipient of the Bank of America award in fine arts. He was graduated with a Gold Seal on his diploma. Steve hopes to attend UCLA, with a possible major in astronomy.

Sweet and charming, Joyce Eakin could be placed in any category on these two pages. But Joyce was selected as the most intelligent girl at MHS. A Gold Seal grad also, Joyce has been a delegate to Girls' State, a trophy winner in the area of vocational arts for the Bank of America award, and has participated actively in Madquins and Girls' League this past year. Joyce plans to fulfill her interest in home economics, first by attending college next fall.

STEVE CROWE, JOYCE EAKIN—INTELLIGENCE

RUTH JONES, BILL CRIPPEN—PERSONALITY

Not many Seniors voted Ruth Jones for "Bestest" personality . . . but "Boopie" Jones was almost a unanimous choice. Her friendliness with all of us, including underclassmen, made the campus a more than ordinarily congenial place. She was ever-present—in the halls, the Patio, two rows removed in a classroom. Ruth's special talent for personableness made her seem as much a part of MHS as the tower. Constantly congenial, an understanding person, hers is a heart bordered in lace.

Bill Crippen for Personality! Who Else? Who could match his enthusiasm and energy, that grin which slices across an eternally happy face? Nobody else wrote such meaningful love songs; nobody else could make his presence felt so immediately just by walking into a crowded room. And who else could claim the title BEST SENIOR SALESMAN OF ALL TIME? Naturally nobody but Mr. Crippen.

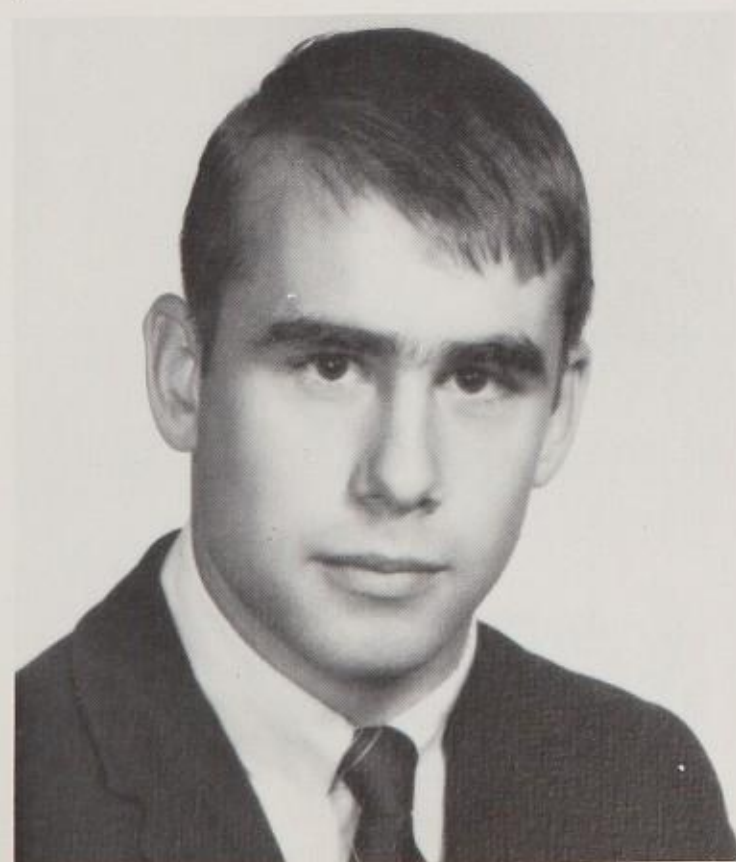

DANNY MINTEER—SPIRIT

BARB GADBURY—SPIRIT

Rightfully, Danny Minter walked away with the respect and admiration of his classmates, who named him "Bestest" for Spirit. He is one of the most versatile and well-rounded members of the class, having been a strong student and athlete as well as a "pep booster." Song leader enthusiasts chose Barbara Gadbury "Bestest" for spirit because of her seemingly endless interest and participation in heightening pep. She was always there when her being there meant the most, leading the crowd in cheers and the teams to victory.

A petite blonde, Kathy Roberts charmed the class of '67 as they voted her the best looking girl of the graduating class. She was similarly honored as she represented her class as a Homecoming Princess. Tom Lewis, selected to be Kathy's male counterpart, actively participated in Senior functions. He was a varsity football player and a Monarc.

Directly above, **Stella Spicer** and **Brenda Washington** want **Barbara Gadbury** for song leader. So did a lot of other people, as Barbie was selected. Above right, a bird's-eye view of the poster-hangers' march toward strategic spots reveals a large and determined crowd. (Right) Flowers all over the campus were the symbol of **Sue Self's** successful campaign for song leader. Here Sue decorates a pole near the Language Lab. Hanging a banner for ASB vice-presidential candidate Dave Hosie is **Jimmy Lynn**.

POSTER HANGING DAY SAFEST, SANEST IN SCHOOL'S HISTORY

Directed by Mr. Charles Dunson, last year's Student Activities Director, MHS students went about their annual poster hanging on a sunny April afternoon in '66 with calm and determined seriousness. Garbed for the most part in beach attire, the candidates and their allies chose prized spots on campus to hang, tie and paste their posters and floral arrangements. Especially splashed with color and waving banners were the Arts' Patio and north side of the Main Building. During the following week the campus became more fully alive with Stunt Day, an Election Assembly, Voting Day, and finally and most excitingly — the Election Dance.

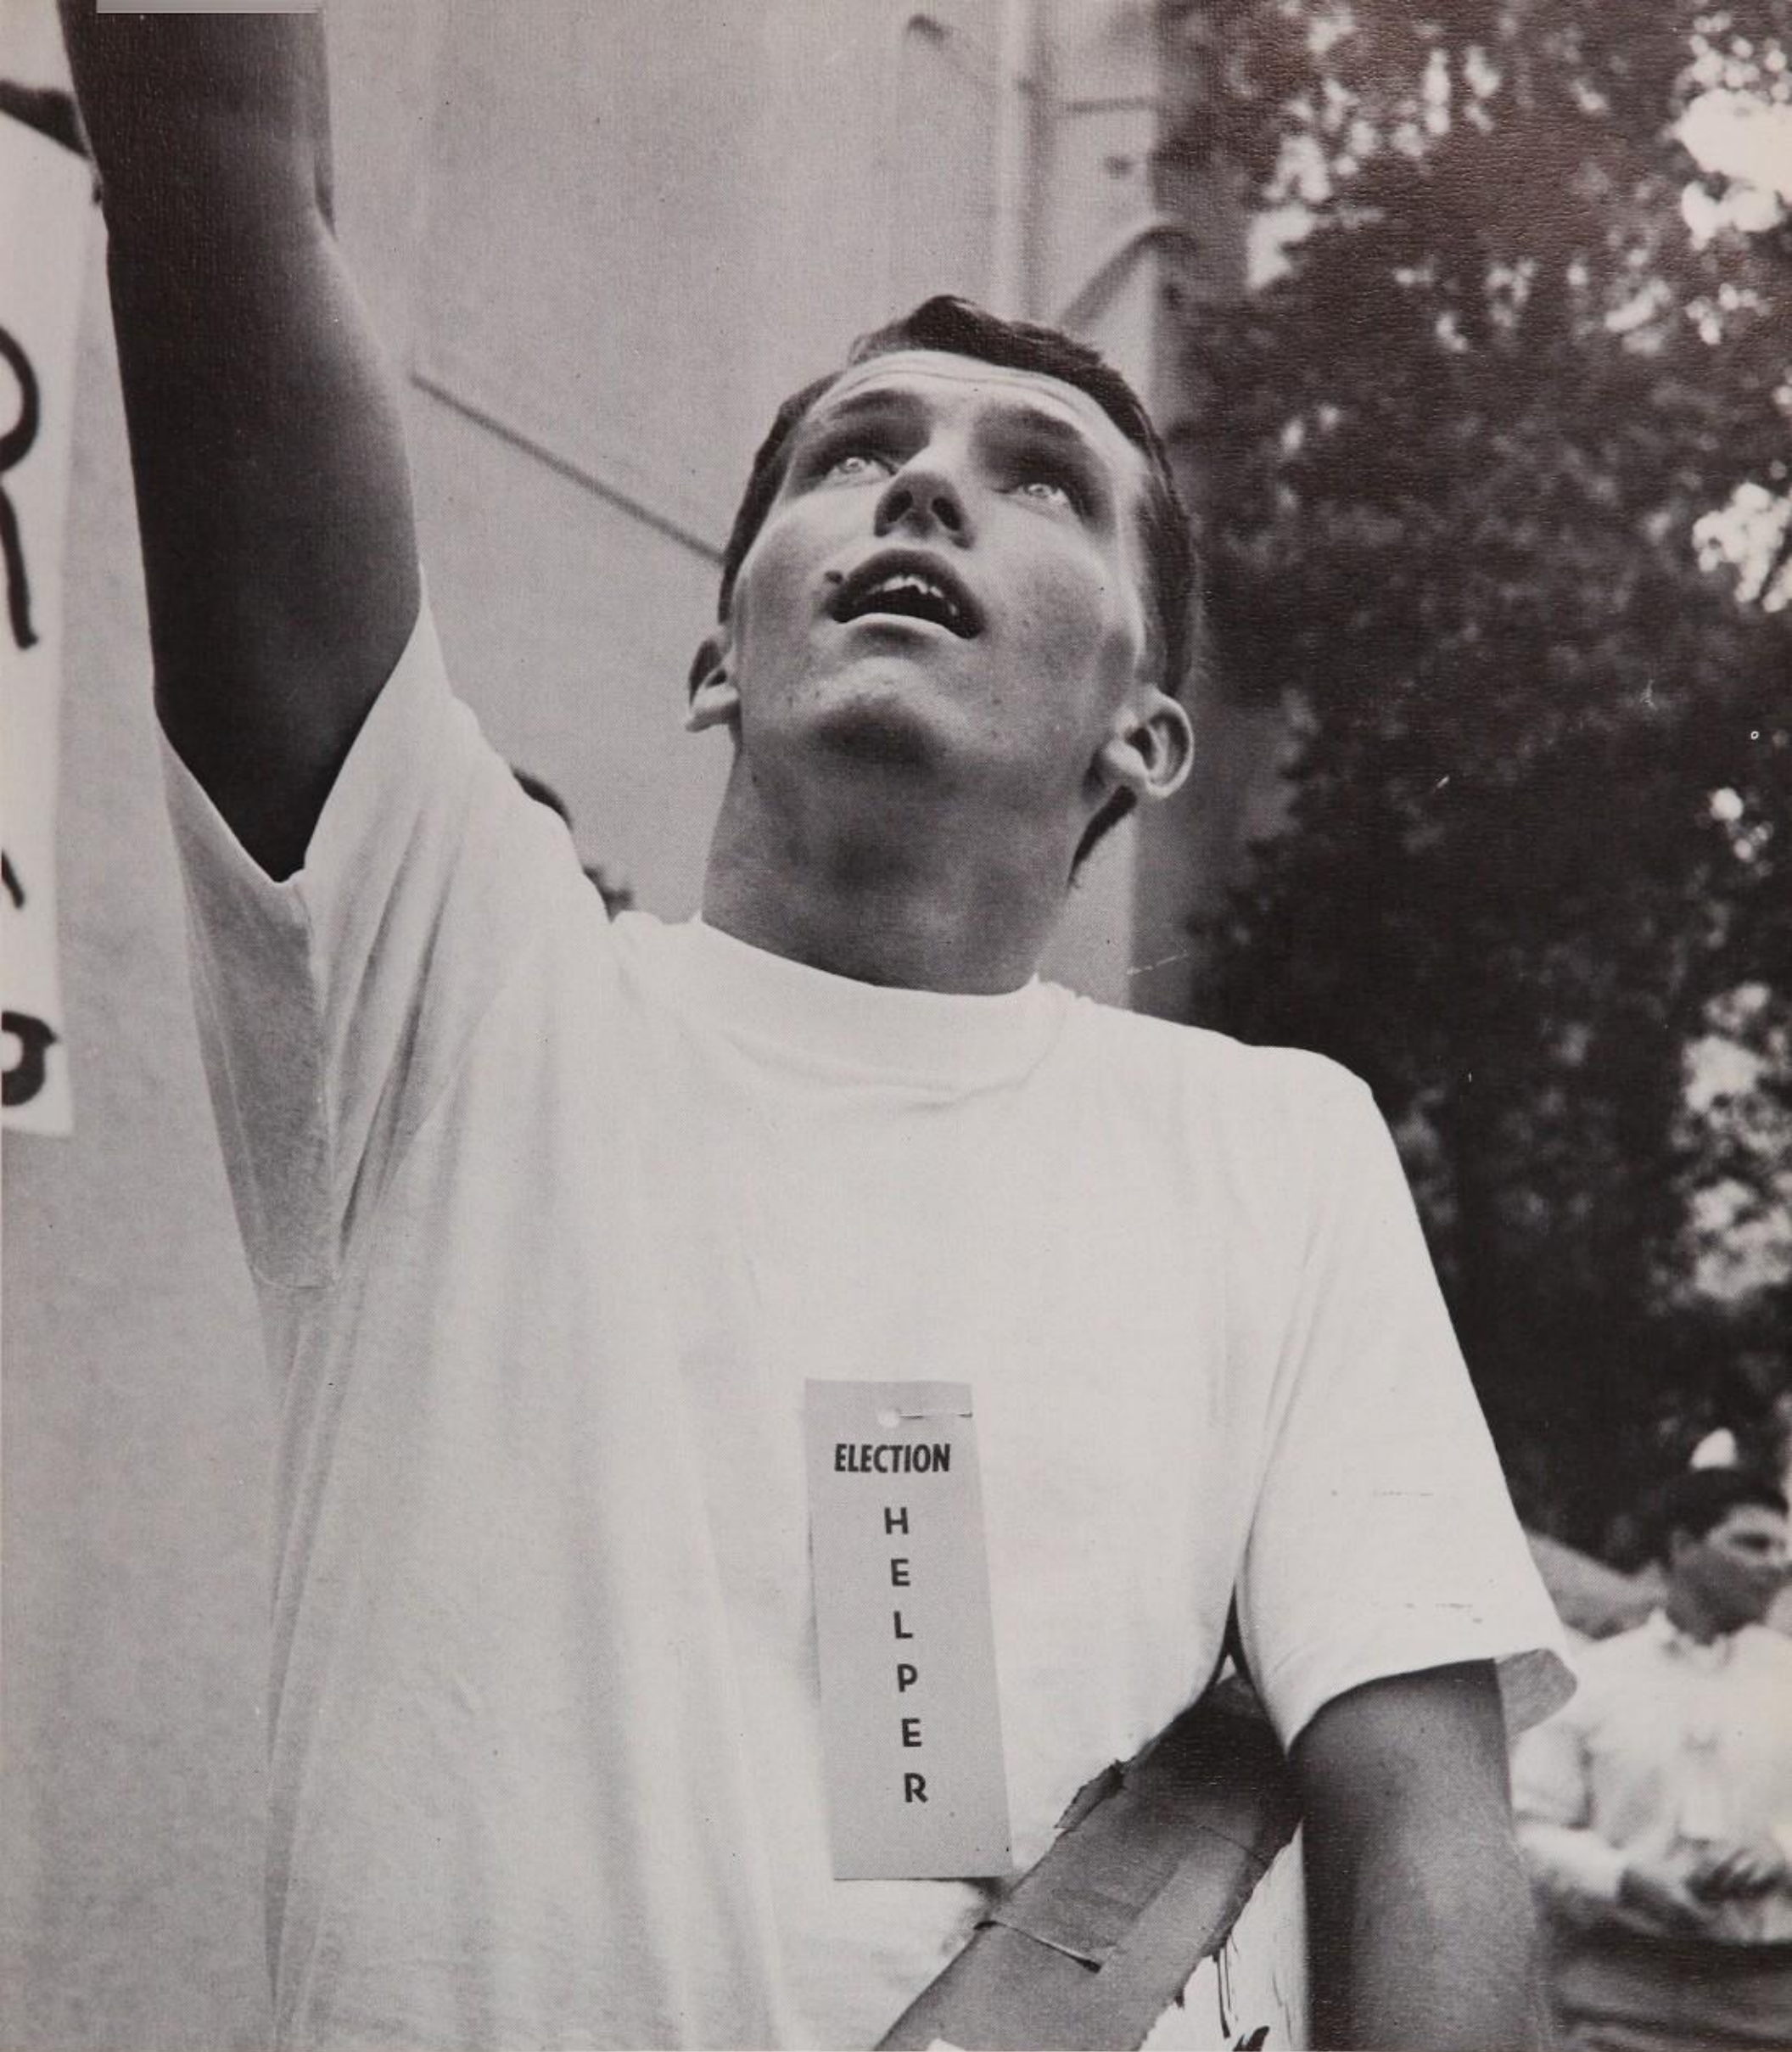

Phil Holman gives Steve Jones a boost as they hang a BAILEY FOR VEEP poster.

Above, **Vickie Lindsey** goes MOD in her campaign for song leader, while **Mary Ley** (right) reverts to the Twenties for her stunt. NOBUO

Nobuo Eguchi, a resident of Shiojiri-shi, Japan, spent his year at Monrovia with the Bruce Minteers. At home in Japan, Nobuo lives with his father, a national railroad post service employee, and housewife mother. Strength in academics was a deciding factor in Nobuo's choice to be sent here. But he is not completely involved in scholarly endeavors, expressing and demonstrating interest in playing tennis — his favorite sport — the clarinet, boogie in student court, and explaining diplomacy as a life's work. "While you are with him you can be assured of a good time," stated his English teacher in Japan.

Madites agree that Nobuo offers a good time to all who know him. Asked about his year here, he responded: "My important year at MHS has gone. Thinking back on my year, I remember the day when I visited MHS for the first time. How happy I was when I found the international circle surrounded by the various flags and my favorite words, "walk together, talk together . . . ," at the Peace Garden! And now I am proud of my having spent one year at MHS with this international spirit.

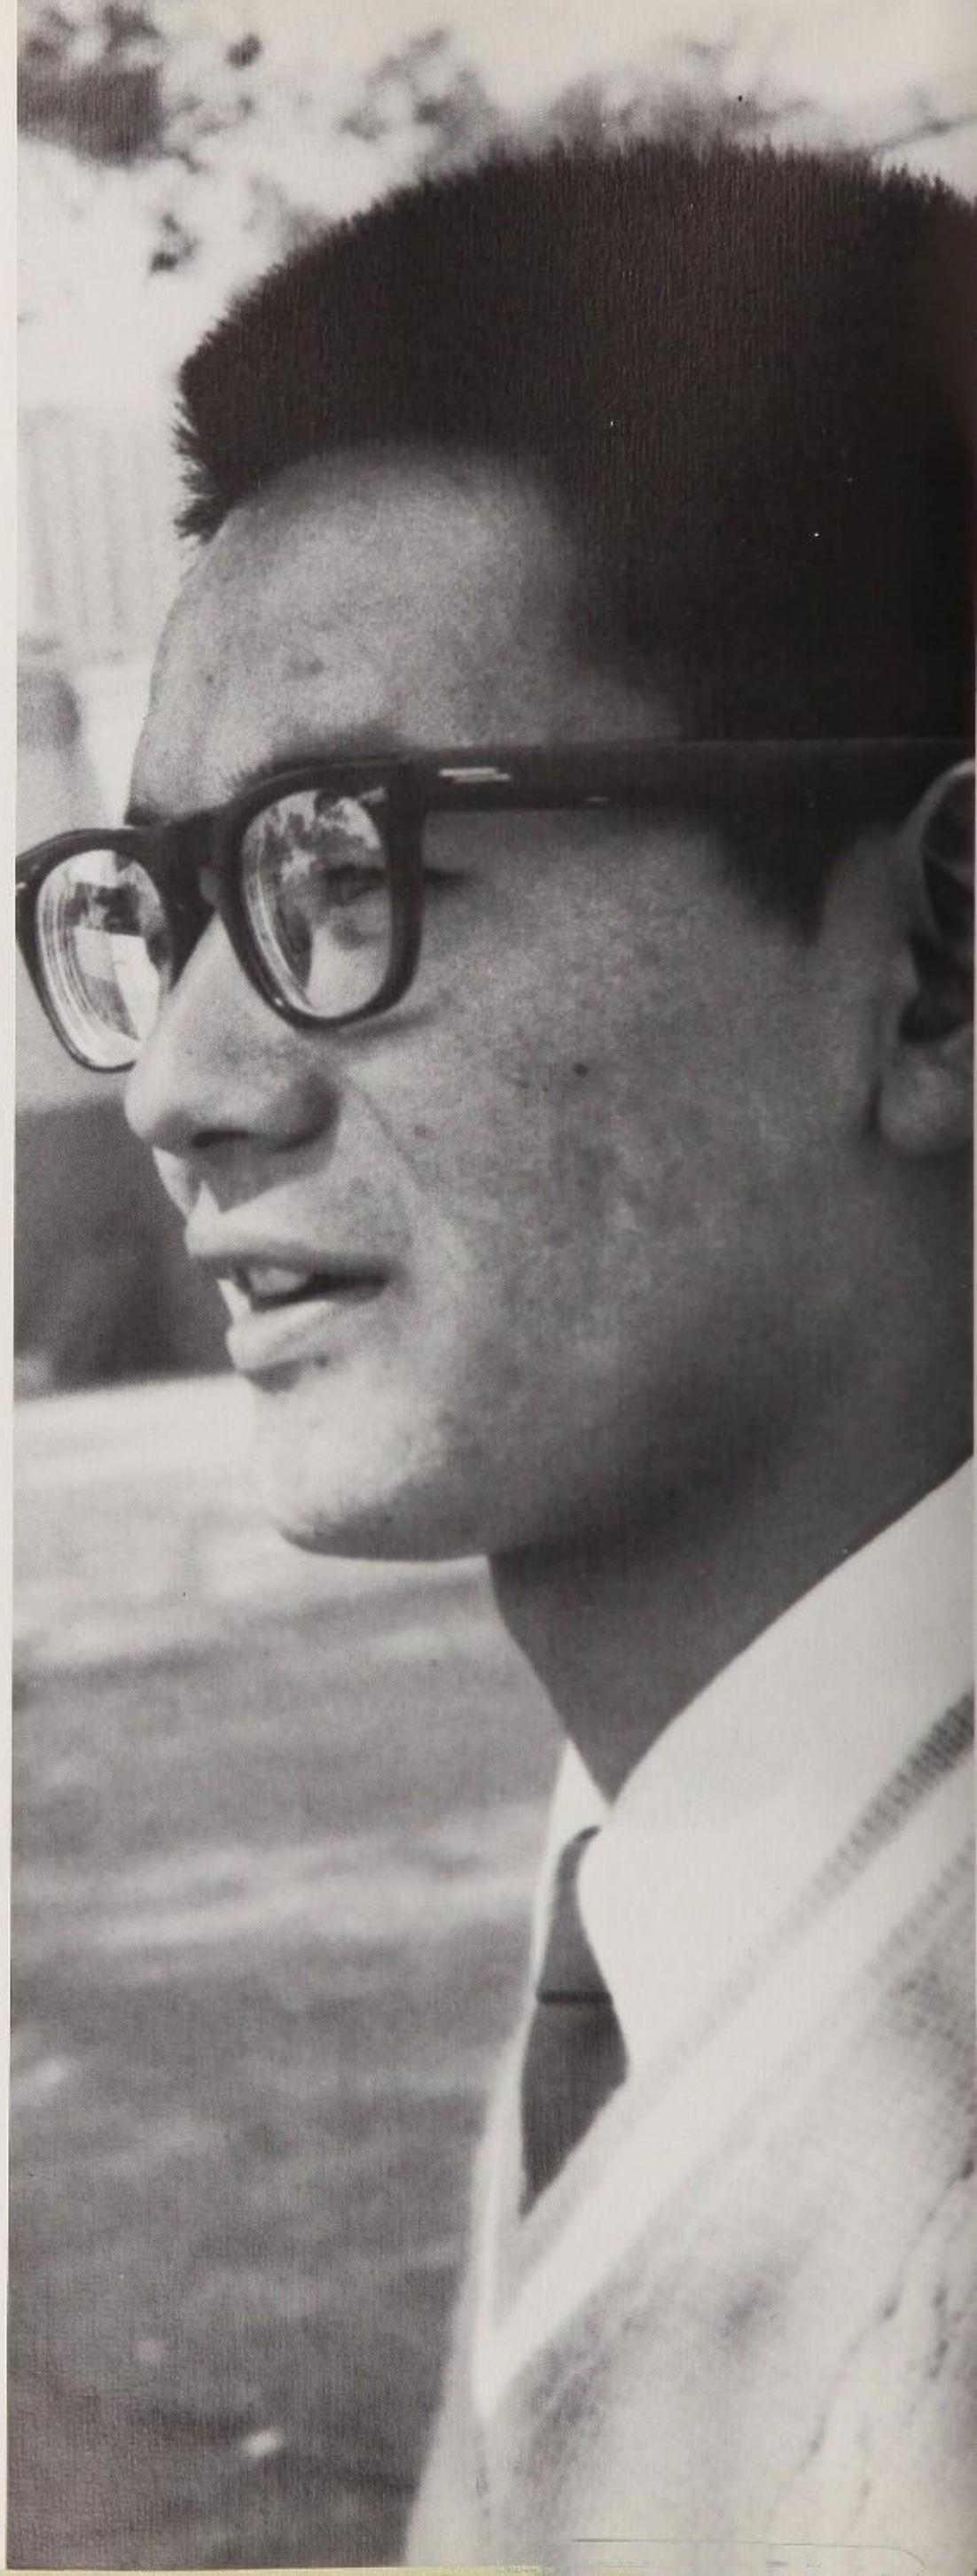

"During my stay I could see many facets of America. I studied what people are like here in America as well as the American culture. I am sure these experiences opened my eyes to the world, and developed me in many ways. So I would like to thank each of you for giving me this magnificent year.

Good-bye,"

NOBUO EGUCHI

Nobuo Eguchi listens intently to the daily lecture in his American Institutions class.

MAREE

"She is a straight A student!" was the initial statement that preceded the arrival of Margarita "Maree" Vlahovik to the MHS campus as one of the AFS students on campus this year. Upon her arrival, it was obvious that Maree balanced her academic achievements with other qualities. The daughter of the Consul of Panama, but a citizen and resident of Chile, Maree is actively interested in volleyball, horseback riding, swimming, stamp collecting, chess and photography. At home in Chile, she lives with her parents and older brother in Antofagasto. During this past year she lived with the Kenneth Schmitts, as a sister to Kathy, a junior at the high school. Of her year at MHS Maree stated:

"The experience I've acquired at MHS this year will be valuable to me throughout my life. In my dreams of coming to America, I imagined the people of the United States to be different from those of Chile. It was gratifying to discover just how much people are alike all over the world.

"I intend to store in my mind the beautiful city of Monrovia. In Antofagasto, my home town, the desert earth is brown, and there are few trees. But here in Monrovia everything is green.

"Students of MHS, I am very sad to leave you. I carry home with me all the wonderful customs I've learned and become familiar with. Even though it is time for me to return home, please remember that in my heart I will always be here at Monrovia High School.

Good-bye,"

A precedent at MHS is the selection of Miss Varsity by the varsity football team.

Chosen as the team's sweetheart was Linda Johnson.

In September, Linda plans to attend PCC. After two years she hopes to transfer to UCLA.

Linda's occupational goal is to teach history.

Here, Linda displays her autographed football, a gift to her from the team.

FRESHMEN

"A big white rabbit, oh come now!", think Myrtle Mae and Veta Louise (**Beth Cipolla** and **Marcia Thornburg**) as they watch Elwood P. Dowd (**Jim Burwell**) offer Harvey some flowers.

Betty Chumley (**Mary Ley**) consoles her psychiatrist husband Dr. William R. Chumley, M.D. (**Ed Smith**) after he tells her that he too has begun to see Harvey. (Below right) Veta Louise Simmons (**Marcia Thornburgh**) is carried away by the Chumley's Rest Home attendant (**Bill Crippen**) as she is mistaken for the one who is to be committed.

"HARVEY" -

Mary Chase's Pulitzer Prize winning play "Harvey" was the choice of the Drama Department for the 1966 Thespian production. The play was presented November 19 in the MHS auditorium.

A man who had a huge white rabbit for his best friend, the rest home atmosphere, and the excellent portrayal of the characters combined to make "Harvey"

a hilarious and successful production.

In essence, "Harvey" is the story of a man, Elwood P. Dowd, who claims to see a 6-foot, white rabbit, Harvey.

Dowd's sister Veta Louise goes to the Chumley's Rest Home to have her brother committed, and hilarious complications arise.

In order of appearance the cast for "Har-

vey" includes: Jim Burwell, Linda Fareau, Melissa Kelleher, Susan Mills, Bill Crippen, Mike Gentry, Ed Smith, Mary Ley, Stan Charlotte, and Steve Mitchell.

Miss Amie Gilbert, Thespian sponsor and drama instructor at Monrovia High, directed the play with Nancy Norris and Elaine Olson as student directors.

TALENT SHOW

HIGHLY VOCAL

The 1966 Talent Show was highlighted by an abundance of vocal performances. Although talent wasn't as abundant as it was in years past, it appeared to be more refined and polished by returning veterans and rookie performers.

The curtain rose with Larry Thomas' version of "I Can't Help Falling in Love," followed by "More," sung by Denny Strickler. James C. Wright, a sophomore, and the Marksmen (Ron Brown, Terry Miller, Denny Strickler) contributed their folk song styles by singing "Moon River" and "John Harvey" respectively. The only freshman in the cast was Deborah McCullagh, who sang "The Sweetheart Tree," from the movie "The Great Race."

Dave Pierce, who is known in the San Gabriel Valley for his toneful, soprano voice, returned to the show with "The Sound of Music." In the same light, Cheryl Osborn created a light-hearted mood by singing "On a Clear Day." In contrast to these acts were the wild combinations of current rock and soulful jazz created by "The Carr Company." The group was hailed as the most entertaining act of the entire show.

Other acts included Glen Villalobos, a most able trumpeter, who played "Night and Day," Bertha Brown who brought back memories with the popular blues song "Gee Whiz," and Jackie and Rose Washington and Carol Bourne who initiated pantomime and dance routines to a Temptation hit, "Beauty's Only Skin Deep."

Don Nielson returned for a third year to the talent show and delivered a thunderous performance on drums. This was perhaps his best year. We must not forget the emcees. A new style was delivered by Jon Paulson and Barbara Gadbury as they co-emceed the proceeding.

The finale of the 1966 Talent Show came when Paulson sang the ever-popular "Misty." Mr. Harry Strubbe and a student committee directed the assembly.

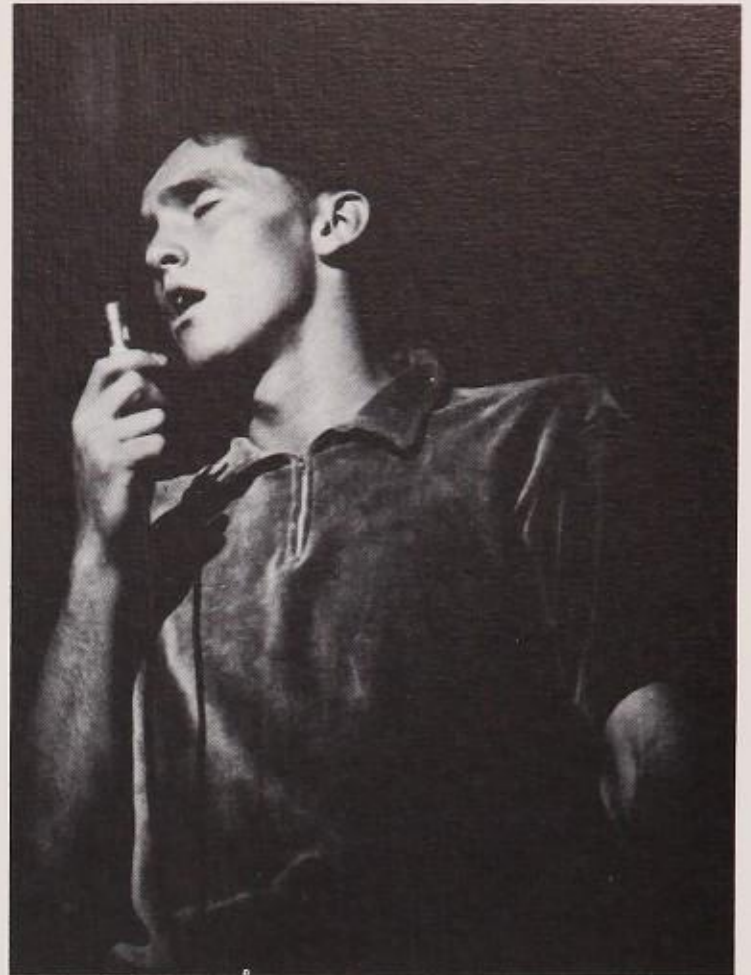

Almost unable to keep their seats, the audience cheers Melvin Woods, "The Alligator Man," as hit of the show.

Velour shirt, mannered style, over the shoulder delivery —
 Jan Paulson oozes lubricity.

Senior Cheryl Osborn renders a smoothly executed "On a
 Clear Day."

Mr. Chet Ullom directs the student body in the singing of the "Star Spangled Banner" to begin each assembly program.

Preparing the marriage certificate is the judge in the opera "Don Pasquale."

Relating customs and life in their homelands at the AFS Assembly are MHS exchange students Mare Vlahovic of Chile and Nobuo Eguchi of Japan; and Duarte High exchange student Claire Bertrand.

POTPOURI OF ASSEMBLY PROGRAMS PRESENTED TO MADITE AUDIENCE

Madites, who have been hailed as "... the best high school audience in Southern California," viewed a wide variety of weekly assembly programs. Highlighting the schedule was the bi-annual visit of John Goddard, renowned traveller and lecturer.

Other assemblies included the bi-annual Boys' and Girls' League meetings, the traditional Exchange Assembly with the school's friendly cross-town rival, Arcadia High, the annual Christmas pageant, the comical opera "Don Pasquale," Stan Midgley's presentation of his unique bicycle trip to Yellowstone, the AFS Assembly, MHS band concert, and Wildcat Tales.

Stepping through the looking glass with Alice on the way to Wonderland is Barbie Klein at the Girls' League fall fashion show.

ASB President Jon Paulson presents Mrs. Thelma Yenney with an award of recognition at the year's first assembly. Mrs. Yenney retired last year after 42 years of teaching in the girls' p.e. department.

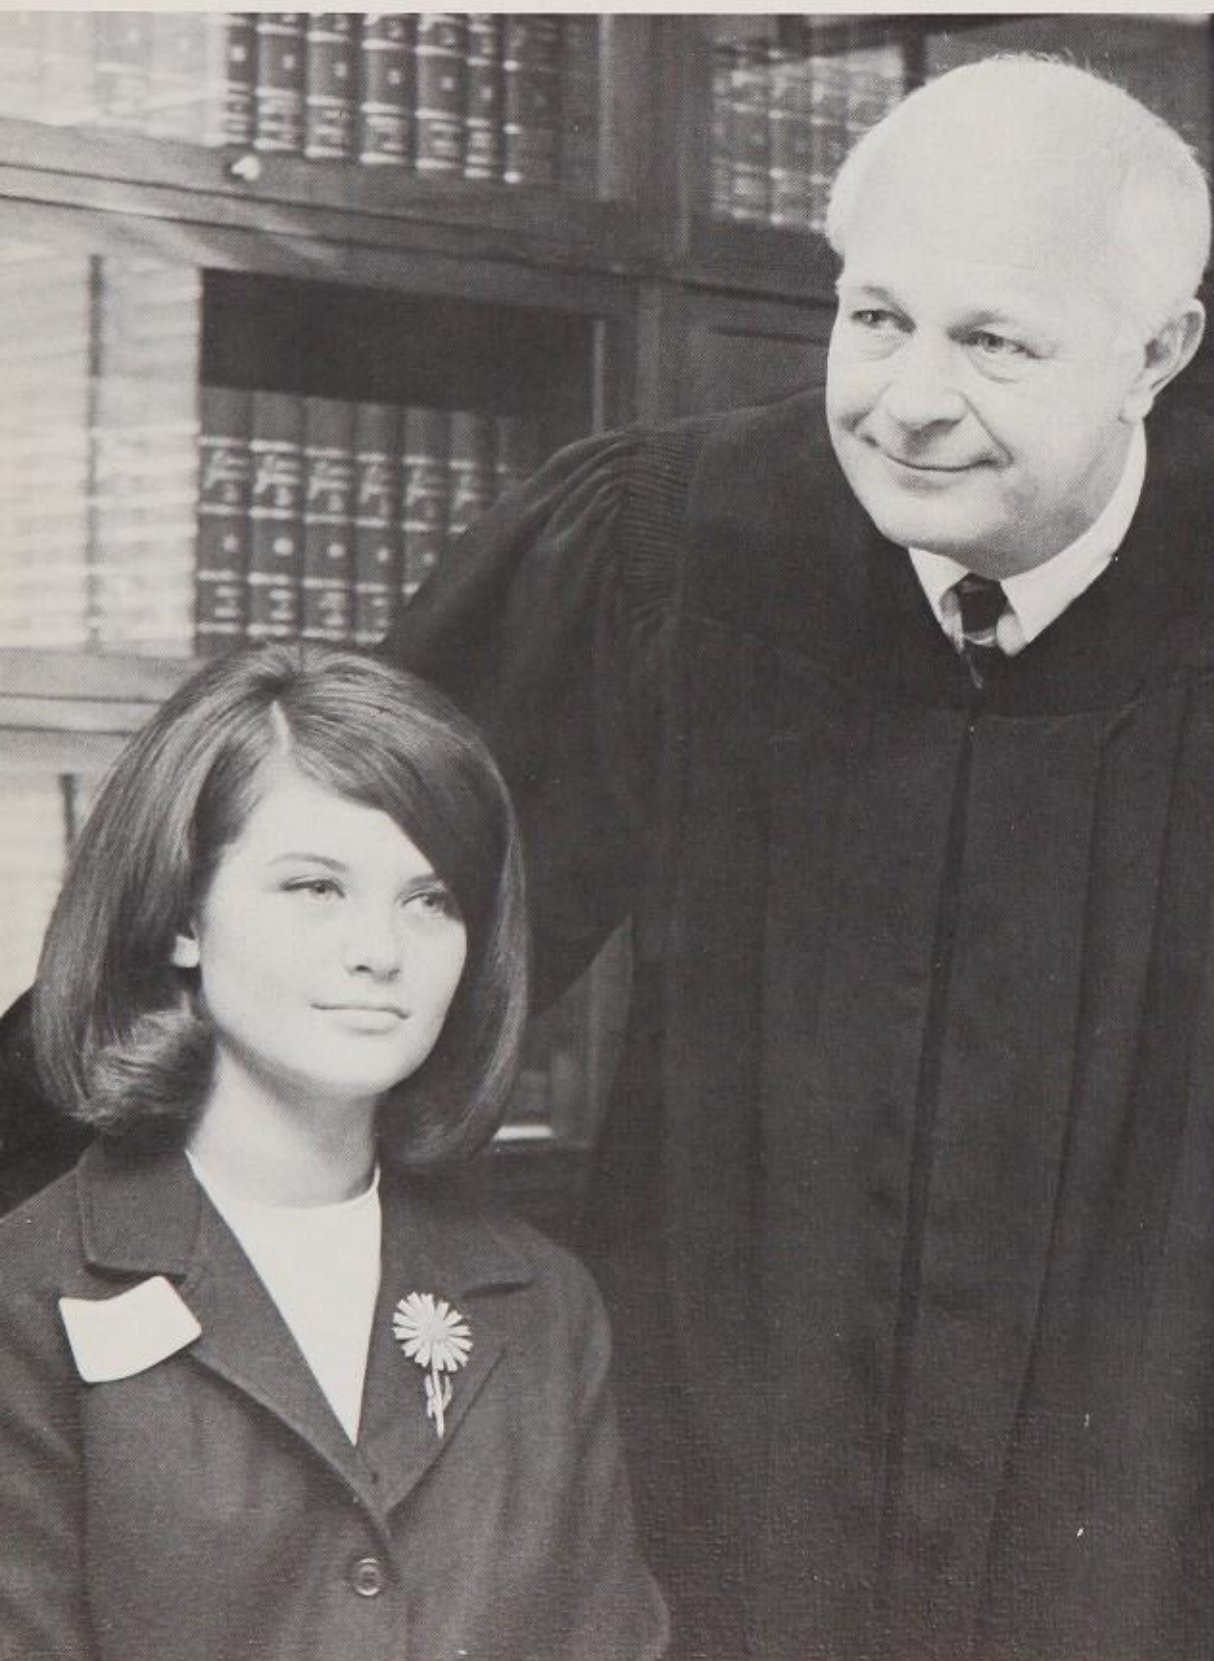

Instrumental in the operation of the audio-visual effects for all programs is the stage crew. Standing before the stage controls are members of the crew — Tom Ruzika, stage manager Mr. Mac MacIntosh, and Leslie Peterson.

All decked out in Sunday finery, twenty-five Seniors took over the city of Monrovia March 7 under the joint sponsorship of the Kiwanis Club, City of Monrovia, and the School District. Each city official and department head had his student counterpart. The twenty-five, including MHS' two AFS students, were "sworn-in" at 8:30 a.m. by City Clerk Kenneth Wilson. The group was dismissed earlier

than usual so that students and hosts might attend the CIF Quarter-Finals' basketball game that evening. Student officials were Jon Paulson, Mayor; Greg Oberon, Vice-Mayor; John Ebbe, Cheryl Osborn, and Gail Brooks, Councilmen; Ron Brown, City Manager; Steve Crowe, Asst. Mgr.; Linda Kunz, City Treasurer; Gerald Marugg, City Clerk; Dawn Ortell, Director of Finance; John Courter, Police

NINE SONG, YELL LEADERS STRONG TEAM SUPPORTERS

Guiding the school in cheers and song at games and pep rallies were Song Leaders Sharlene Mimaki, Susan Self, Carol Peck, Barbara Gadbury, Mary Ley and Julie Foley. Stronger in the lung department were Yell Leaders Danny Minter, Rory Gilham, and Mike Krupa. Both divisions saw to it that the ASB attempted to do its best to support the teams and school with as much spirit as the students could muster. To the left, Danny, Carol and Susan let spectators know that touchdowns, MHS touchdowns, are cause for excitement.

Monthly jaunts were made to the Pasadena Art Museum to view the works of other artists, and school projects such as the painting of the Wildcat paper for Homecoming were carried out. Assisting Sponsor Miss Dorothy Clemmons in leading the club were Chris Paul, president; Karen Brown, vice-president; Suzie Grubbs, secretary; and Suzanne Fisher, treasurer.

DANIELLE RETAINS ALL-AMERICAN RATING FOR WILDCAT

To the tune of clacking typewriters and the threatening cry of "We have a deadline to meet," the **Wildcat** made its welcome weekly appearance during the year. Receiving the top rating of All-American once again, the 'Cat was faithfully published by the roving reporters of Quad 14 and retained its reputation of being one of the best school publications in the San Gabriel Valley. Mrs. Thelma Thompson, advisor, appointed Danielle Clarno as editor for a second year, while Lois Jensen handled the feature page; Marion Quesenbery, news; Steve Penzes, sports; and Pam Driver, general manager.

SIXTEEN MEMBER STAFF EDITS MONROVIAN

With a final deadline in middle-March, the MONROVIAN staff put the '67 book gently to bed after an easy year resulting from having met its first deadline December 1st with 25 pages over the required number.

Editor Denise Garrett, who guided her group with velvet gloves, signed final proofs in April, and the staff began preliminary plans for next year's book and interviewed prospective staff members.

Early in June the staff held its annual Book Baptism at the MHS pool, hosting school leaders and past annual staff members. Also celebrating '67 achievements were Mike Miner, editor of NAIVORNOM, the school's literary anthology, and Janis Jacobson, producer of this year's Wildcat Tales, a narrated program of slides presented for the student body in the auditorium in late May.

PRESIDENT Mike Miner plays Mr. Cool with fellow-officers Steve Crowe and Joyce Eakin.

This year's intelligentsia participated earnestly in Scholarship Club. Under the motto of "Scholarship for Service," the club held a potluck party to introduce new members. The traditional Gold Seal Banquet, honoring graduating Seniors, was a big success. Funds raised by the club produced enough money to provide scholarships for deserving members. President Mike Miner, Vice-President Mary Ley, and Treasurer Steve Crowe guided and determined the club's participation and production.

INTELLECTS RATE MEMBERSHIP IN SCHOLARSHIP CLUB

TEN GOLD SEALERS

To be distinguished as a Gold Seal Graduate, a student must have been a member of the California Scholarship Federation for at least four semesters excluding the freshman year and including at least one senior semester. He must have approximately an A average at the end of each semester to retain membership in the Federation.

After the first semester of their senior year ten students of the graduating class of 1967 earned the honor of receiving gold cords on their graduation gowns and gold seals on their diplomas. Unfortunately, second semester Gold Seal Graduates could not be pictured because their status was determined after the annual went to press.

GOLD SEALERS first semester were Jon Paulson, Janis Jacobson, Mary Ley, Joyce Eakin, Gail Brooks, Arlene Kokuga, Mike Miner, Jim Wright, Steve Crowe and Cathy Campbell (not pictured).

HISTORY CLUBBERS MASQUE AS FAVORITE HISTORY GREATS

The main purpose of History Club is to promote and encourage an interest in the field of history by participating in various social and intellectual events throughout the year. Under the direction of Mike Miner, president; Gail Brooks, vice-president; and Kathy Wallace, secretary; the club held its annual masquerade potluck and went to see the movie "Is Paris Burning?" in Hollywood. Sponsors Miss Gladys Jahr and Miss Vivian Elmgren preserved order within the club by their antics and leadership ability.

Officers of History Club were Gail Brooks, Kathy Wallace, and Mike Miner.

In spite of her gallant efforts at modesty, Miss Vivian Elmgren fails to conceal her pride in History Club.

The task laid out for the American Field Service this past year was to promote a deeper understanding between students of foreign countries and MHS's students and to acquaint exchange students with our way of

life. Co-heads leading AFS, Danielle Clarno and David Hosie, directed share sales, an AFS assembly, a forum, a noon dance, and various exchange parties throughout the year with schools such as Duarte and Arcadia.

CANDY APPLES, NOT STRUDEL, GERMAN CLUB FAVORITE

St. Nicholas, lost in an unusually heavy growth of hair and beard, presents Mrs. Marianne Campbell with a gift at the annual German Club pre-Christmas party.

Acquiring a taste for candy apples, Mrs. Marianne Campbell, German Club sponsor and Language Department head, became the greatest donator at the German Club candy apple sale at Homecoming. This sale and the sale of programs at another football game were plans to raise money for the club's scholarship fund.

Dedicated to seeing that the club had a successful year, President David Pierce, Vice-President Bob McQuigg, Secretary Lisa Fowler, and Treasurer Sunny Kim worked diligently at planning the money raising projects and the several parties. The revived International Banquet, the Christmas party, the induction of new members, and a spring picnic highlighted the entire year for the members.

LATIN SLAVES FREED

Editors of NUNTIUS, Latin publication, were Karlene Nickoley, Linda Di Maggio, James Pitts and Charles Coune.

"James Pitts est omnis divisa in partes tres . . ." exclaims Mr. Jack Christopher.

Under the leadership of President John Pope; Vice-President Linda Di Maggio; Secretary Connie Moberg; and Treasurer Margaret Ferris, the MHS Latin Club held both a Slave Banquet where new members were auctioned away to the senior members, and a Roman Banquet for which all members were required to dress in Roman costumes and at which all the slaves were freed. Latin Club, again sponsored by Mr. Jack Christopher, works to promote a continuing Latin language.

Working with Junior Civitans, the Civinettes raised money for a campus beautification project. During the Christmas season the group decorated the Christmas tree in the foyer of the main building.

KEY CLUB MOTIVATES PERSONAL RESPONSIBILITY

Upholding the year's goal to "Initiate Personal Responsibility," Key Club not only achieved its purpose but went further by helping needy people and rendering valuable service to the community.

President John Courter and Vice-President Jim Wright provided the initiative and incentive to start and complete many helpful projects. The annual carwash, milk bath, Monrovia Day booth and concessions, and campus beautification helped contribute to a great year. These projects, however, were overshadowed by a car rally, raising funds to provide for a school in Viet Nam, distribution of the city's fiscal report, and various scholarships.

Leading Key Club were Treasurer Bruce Backer, President John Courter, and Vice-President Jim Wright.

EMIGH'S CHESS CLUB IN SIXTEEN MEMBER LEAGUE

During the past year, the MHS Chess Club entered into a newly formed chess league, comprised of 16 high school chess clubs throughout the area. Monrovia became a part of the league's east division, along with seven other teams, including Muir, Pasadena, Blair, San Gabriel and Alhambra.

RED CROSS, FUTURE NURSES AID COMMUNITY

Led by efficient officers Dawn Ortell, president; Denice Beal, secretary; and Tina Byard, treasurer, the Jr. Red Cross worked for a productive and fulfilling year. For projects the girls participated in an aide program at the Monrovia Hospital and served on the staffs of several blood banks. Sponsoring the group this year was Miss Georgianna Beck.

Replacing Mrs. Vivian Sharbonda as school nurse and sponsor of Future Nurses was Mrs. Bea Hart. She and President Sue Sutton worked diligently to bring about another rewarding year for their club.

The first activity of the Future Nurses was a car wash, followed by a trip to the U.S. Haven Hospital Ship in Long Beach. During the Christmas holidays, the club, along with a group of girls from Maryvale Girls' Home, met at Shakey's Pizza Parlor for an intimate Christmas party.

Another of their field trips was to the Nursing Department of Pasadena City College. The purpose of this visit was to further increase the girls' education in the field of nursing.

SCIENCE ENTHUSIASTS TRAVEL, PREDICT "SNOWFALL"

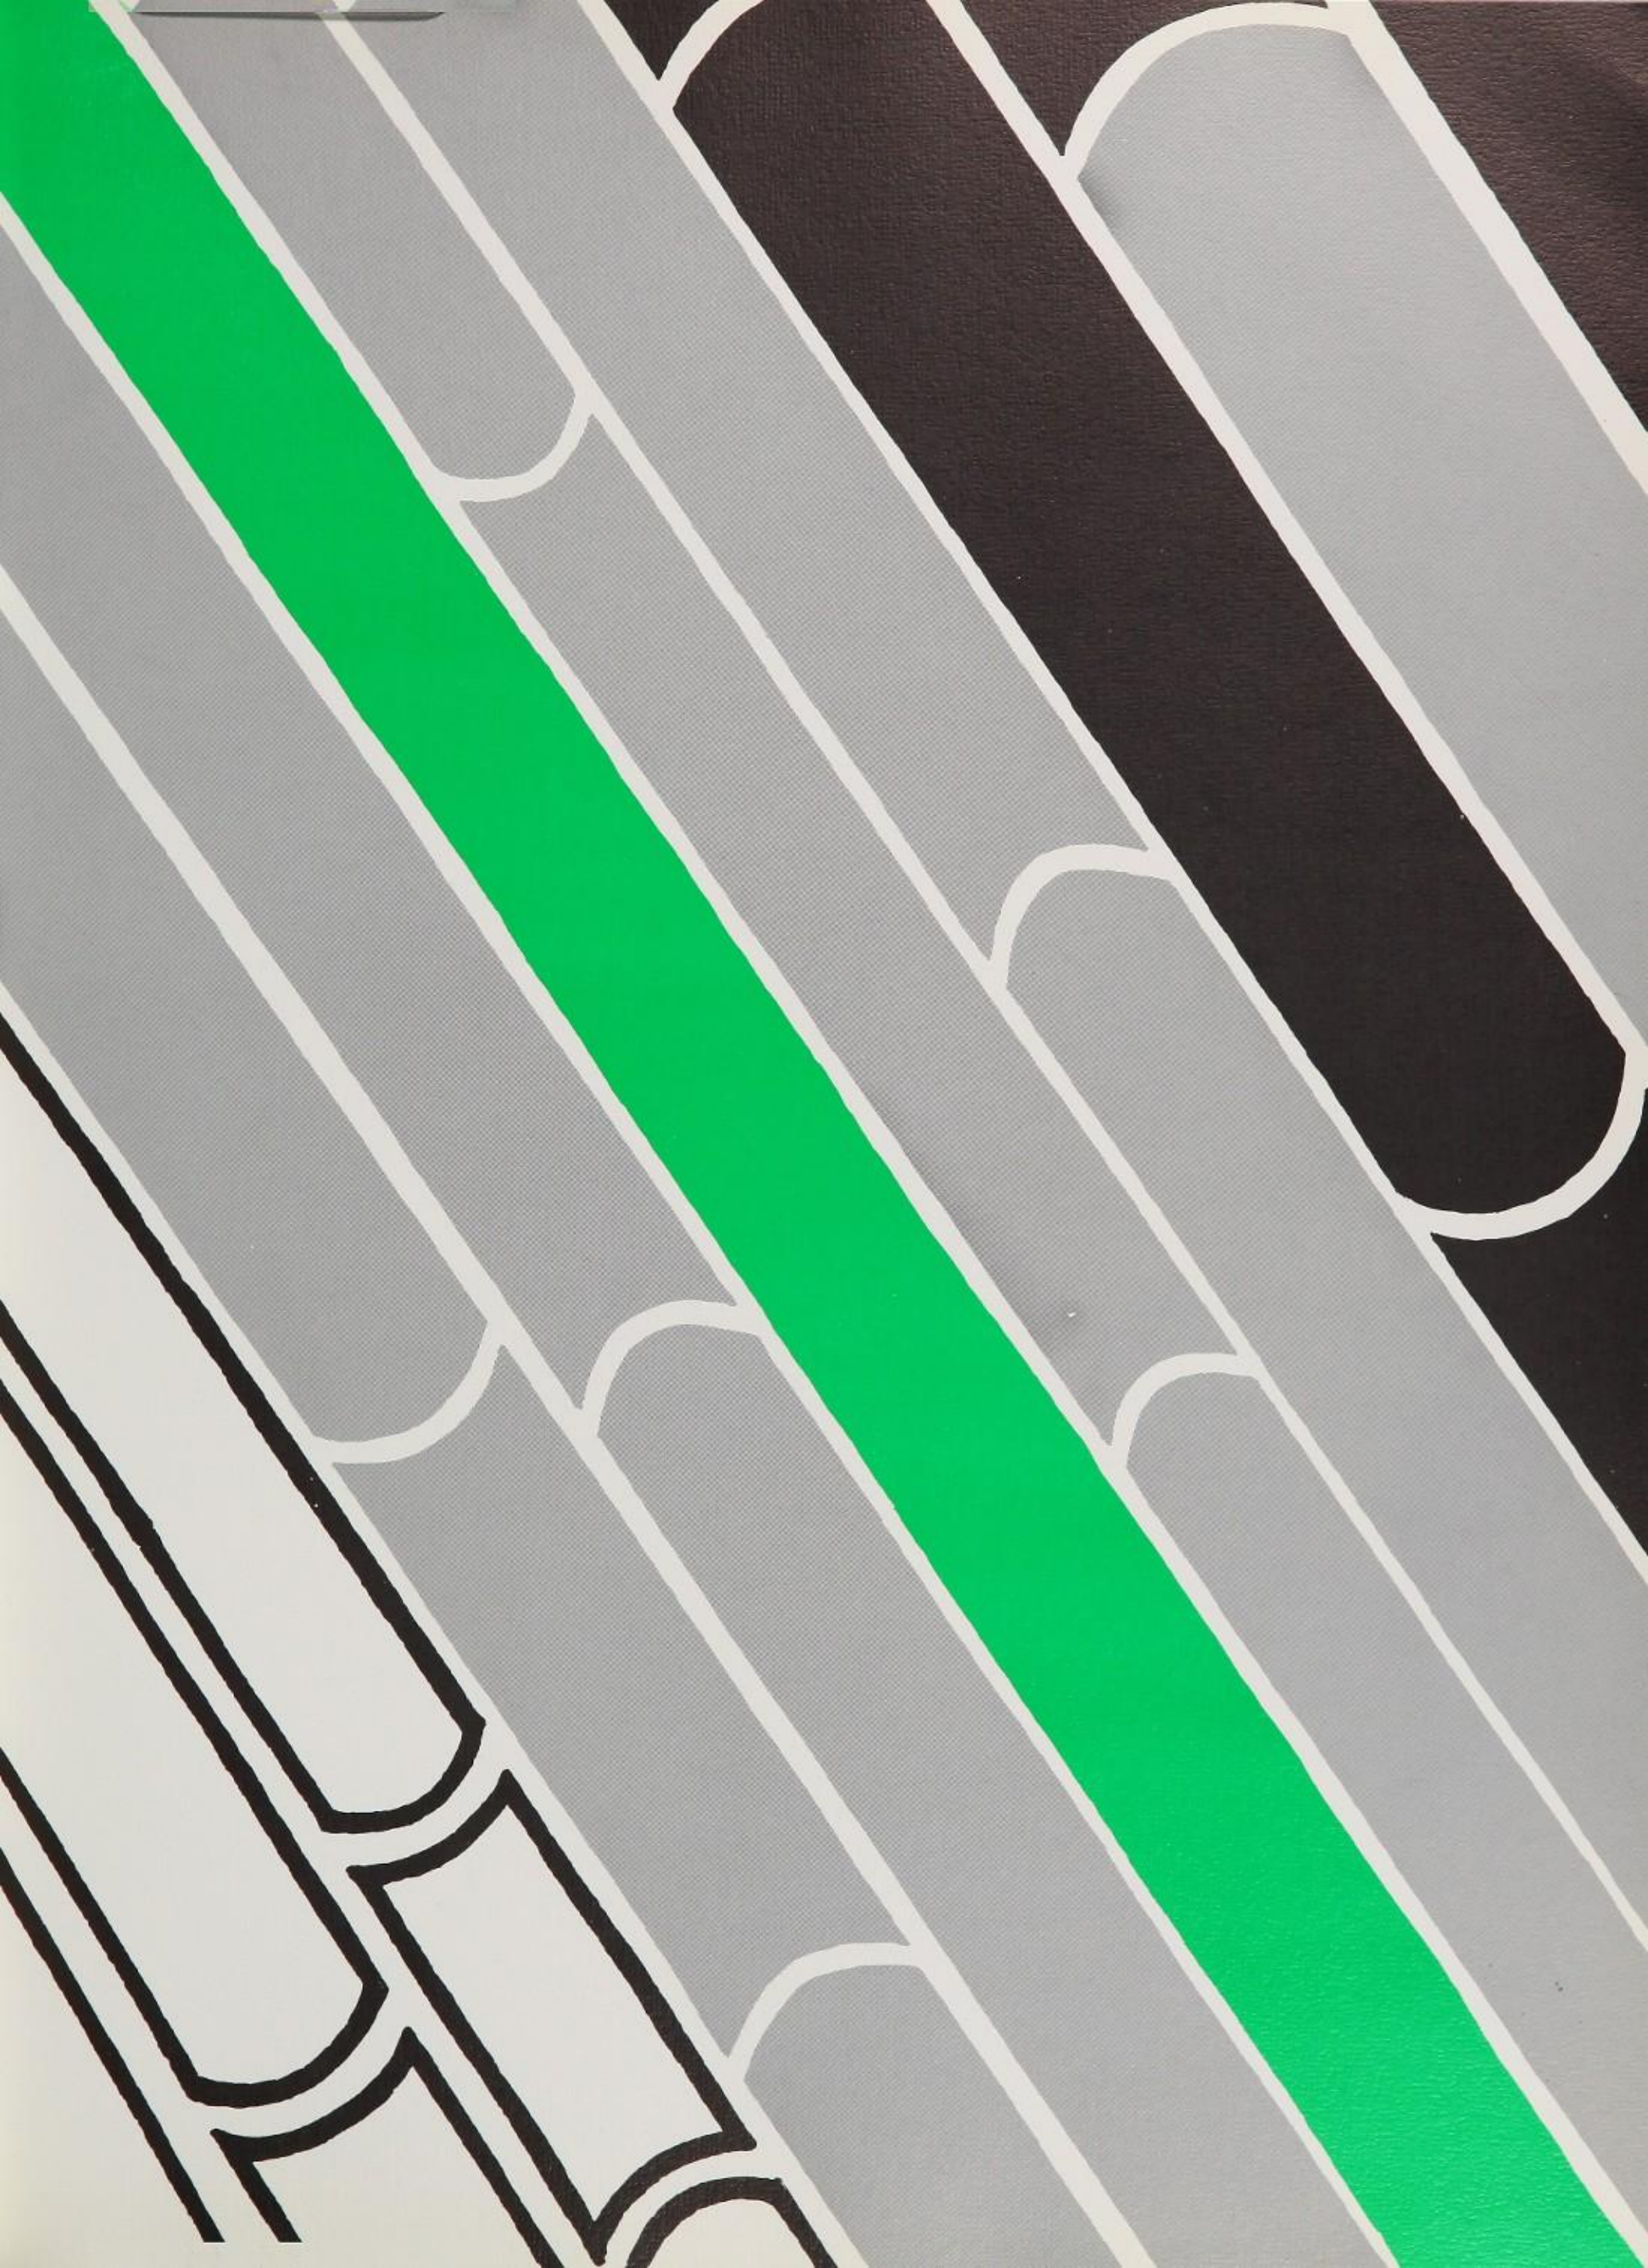

Science Club, under the supervision of President Phil Webber, Vice-President Laura Berriman, and Secretary-Treasurer Delbert Winder, helped to enrich the knowledge of science in students by allowing them to participate in various off-campus field trips. Excursions to Laguna Beach to study sea biology, the L. A. County Museum, various other schools, companies, and outdoor areas to observe natural environment and conditions were among the activities of the club.

"Sunshine Superman" was President Jim Pitts' title as he headed Weather Bureau this year with Jack Emigh, vice-president; Helena Aronson, clerical head; and Ed Donahue and Reginald Hawkins, technicians. VARSITY

SECOND PLACE IN LEAGUE PLAY

Lacking experience but possessing unlimited potential, Monrovia's '66 Varsity team failed to capture an anticipated Pacific League championship for the second straight year. The Wildcats, however, put together a very fine season and finished in second place with a 4-2-1 record.

Monrovia's offense, led by Sophomore quarterback Randy Cocke, was tremendously effective at one moment, then hopelessly ineffective the next. Only the constant, hard-nosed running by fullback Jackie Adams kept the 'Cats on their feet. Halfback Ron Husband was also a great help to the 'Cats as he continually ripped through the line for good yardage. What the Wildcat offensive line lacked in size they made up with desire and courage. Molded into a formidable unit by line coaches Mike Morris and Phil Burns, the aggressive 'Cat line, led by Steve Milbrandt, Alan Manwarren, Mike Rote, Steve Bledsoe, and Co-Captain Rob Phillips seemed impenetrable as Cocke threw short look-ins to tight end Herbie Holmes and Gordie Boen or the long bomb to end Steve Collins.

The defensive unit, however, was even more deadly than the offense. Up to the El Rancho game, the defense had held the opposing teams to only 38 points in six games. Putting a constant rush on enemy quarterbacks were Bledsoe, Manwarren, Rob Phillips, Larry Sullivan, and Barry Reynolds, along with linebackers Jerry Baker and Steve Milbrandt. Safeties Tom Lewis and Manuel Carlos allowed the visiting offense few completions, with Lewis seemingly to be in on every play due to quick reflexes and driving desire, even though he was the smallest man on the squad.

This season will not be remembered because of its second place finish but because of the excitement it gave to those who came just to watch. The season will be remembered when one recalls the excitement as Adams burst through a gang of would-be tacklers, the admiration as Tom Lewis tackled a man twice his size, or the agony as Milbrandt was carried off the field. Whatever the remembrance may be, it is certain that this season will not be forgotten easily by the players or those who just watched.

CATS COME CLOSE

The season started with the Monrovia Wildcat team fighting to retain the Pacific League crown. In the course of the season, the Wildcats compiled a four win two loss and one tie record.

The season commenced with the Wildcats downing Mark Keppel 33-0. In the next contest, however, Monrovia's hopes for another championship were dimmed as they were stopped by a determined Whittier eleven 7-0 score.

Monrovia rolled in its next two games as they beat Arcadia 20-12 and walked over El Monte 40-6. The streak came to a halt as the Montebello Oilers wrestled the Wildcats to a 7-7 tie. In an exciting game, Monrovia dumped Alhambra 13-6 before falling at the hands of the El Rancho Dons 41-15.

The year's Most Valuable Player award went to Steve Milbrandt with Most Improved going to Barry Reynolds and Most Inspirational to Tom Lewis.

ADAMS-ALL WILDCAT

The Pacific League's best fullback is also Monrovia's Wildcat of the Year, Jackie Adams. The hard-running fullback ground out an amazing 984 yards, rushing in 161 carries for a 6.1 yard average.

The 'Cat of the Year crossed the goal line 16 times and kicked 13 extra points. In the process he was responsible for two-thirds of the total 'Cat offense, scoring 109 of 163 Wildcat points.

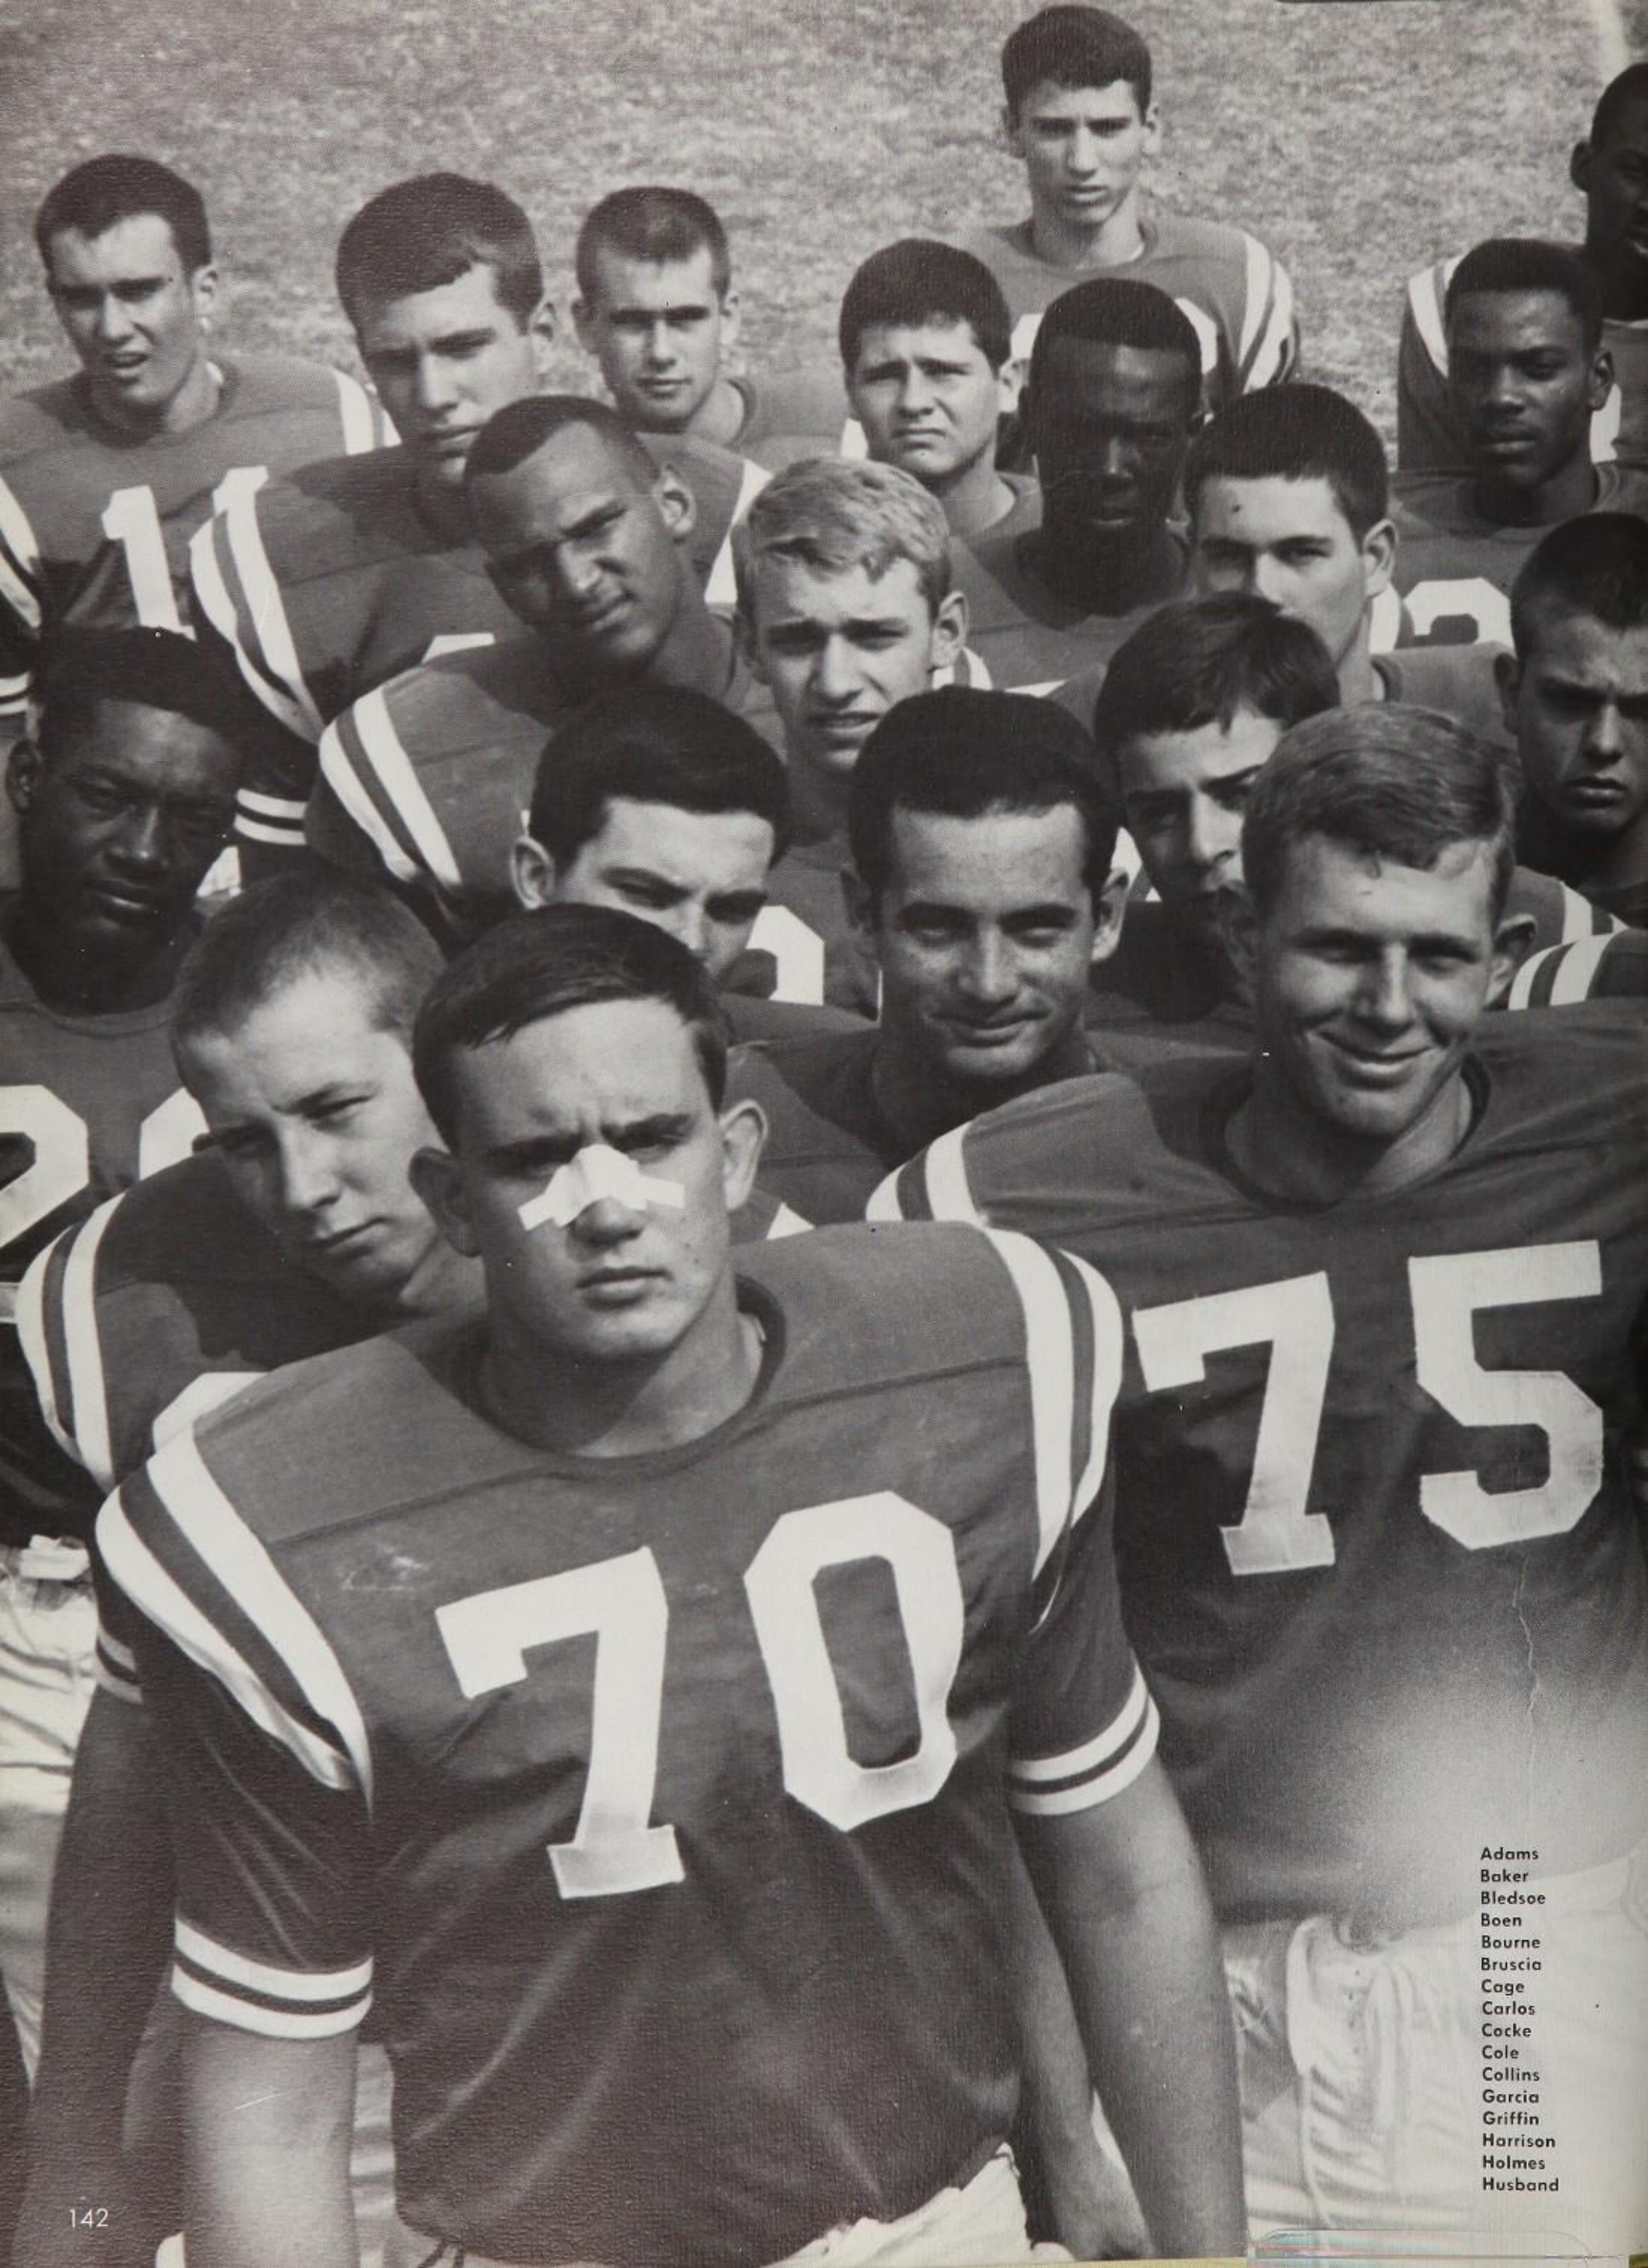

His games against Azusa and El Monte were short of remarkable, as he scored four touchdowns against Azusa and five TD's as the 'Cats ran over the hapless El Monte Lions.

Adams proved he could do it all by passing for two touchdowns during the season and also taking over the punting chores.

When Monrovia football fans recall its past greats, it is sure that Adams' name will be among those mentioned.

THE SEASON STARTS . . .

MONROVIA 33
MARK KEPPEL 0

MONROVIA 0
WHITTIER 7

The 1966 season opened with the Wildcats fighting to retain their Pacific League title. Mark Keppel was the hapless victim, thus making it their fourth successive shutout by the Wildcats in the last four years. Led by all-league fullback Jackie Adams, the 'Cats compiled 19 points in the second quarter to end the scoring. Adams tallied 27 points throughout the game; Husband completed the scoring with a pay-dirt run in the second quarter. Defensively, Monrovia was superb. The pass defense allowed Aztec signal-caller John Stoddard only four complete passes in 16 attempts. Randy Cocke had a good night, completing five of eight for 81 yards with one interception. The Wildcat of the Week was Adams.

MHS hopes for another league crown were foiled by a determined Whittier eleven. Before a Homecoming throng, Monrovia's offense sputtered and was unable to match the single Card touchdown. Four supreme efforts by the 'Cat defense kept Whittier out of the end zone, but the fifth try failed. Four times the Card team was inside the thirteen-yard line, only to be turned away. The 'Cat offense meanwhile could muster only two drives into scoring position, both on the Card 21-yard line. Throughout the evening it was 'Cat sputtering drives and Card scoring attempts. Then, late in the fourth quarter, Cocke fumbled on the twenty; Whittier recovered and took the ball in for the only score of the evening.

Scrambling sophomore quarterback Randy Cocke skirts right end.

This is one of the few times Jackie Adams was stopped for no gain.

MONROVIA	20
ARCADIA	12

Monrovia and Arcadia resumed their traditional rivalry this year when the 'Cat eleven quelled the Apache's visions of victory and put MHS in the winning column after its loss to Whittier. Scoreless until the third quarter, the game was shaping into a defensive battle. Suddenly, 'Cat End Steve Collins was in the end-zone, but the Junior's fine run was nullified by a penalty.

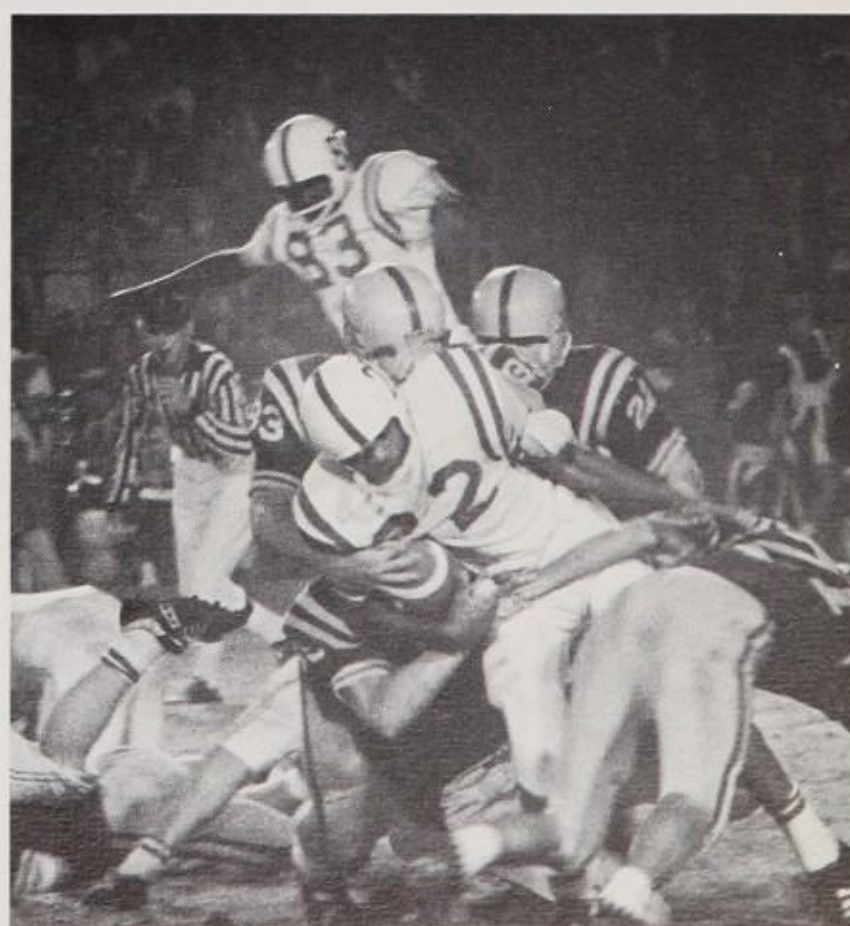

MHS finally found a compliment to Jackie Adams in the form of Ron Husband. Together, they ground out 258 yards, with Husband being selected Offensive Player of the Week. The defensive side of the game was dominated by Jim Cage, Tom Lewis and Rob Phillips who was selected Defensive Player of the Week.

MONROVIA	40
EL MONTE	6

Jackie Adams, virtually unmolested by El Monte's defense, contributed the first 34 points of the 'Cat romp over the hapless Lions. These 34 points pushed his point production over the hundred mark (second best in the CIF at that time). The scoring plays went as follows: Adams returned a Lion's punt 65 yards, a ten-yard run, a 32-yard run, and a 80-yard gallop all in the first half. In the second half an 18-yarder by Adams and a one-yard plunge by Arcadia transfer Jim Cage finished the scoring. Only Lions' touchdown in the game came with 2:16 remaining on the clock. The offensive gains of Adams, 151-yards in eight carries, matched by the fine defensive play of the team is the type of combination MHS needs to repeat as Pacific League Champs.

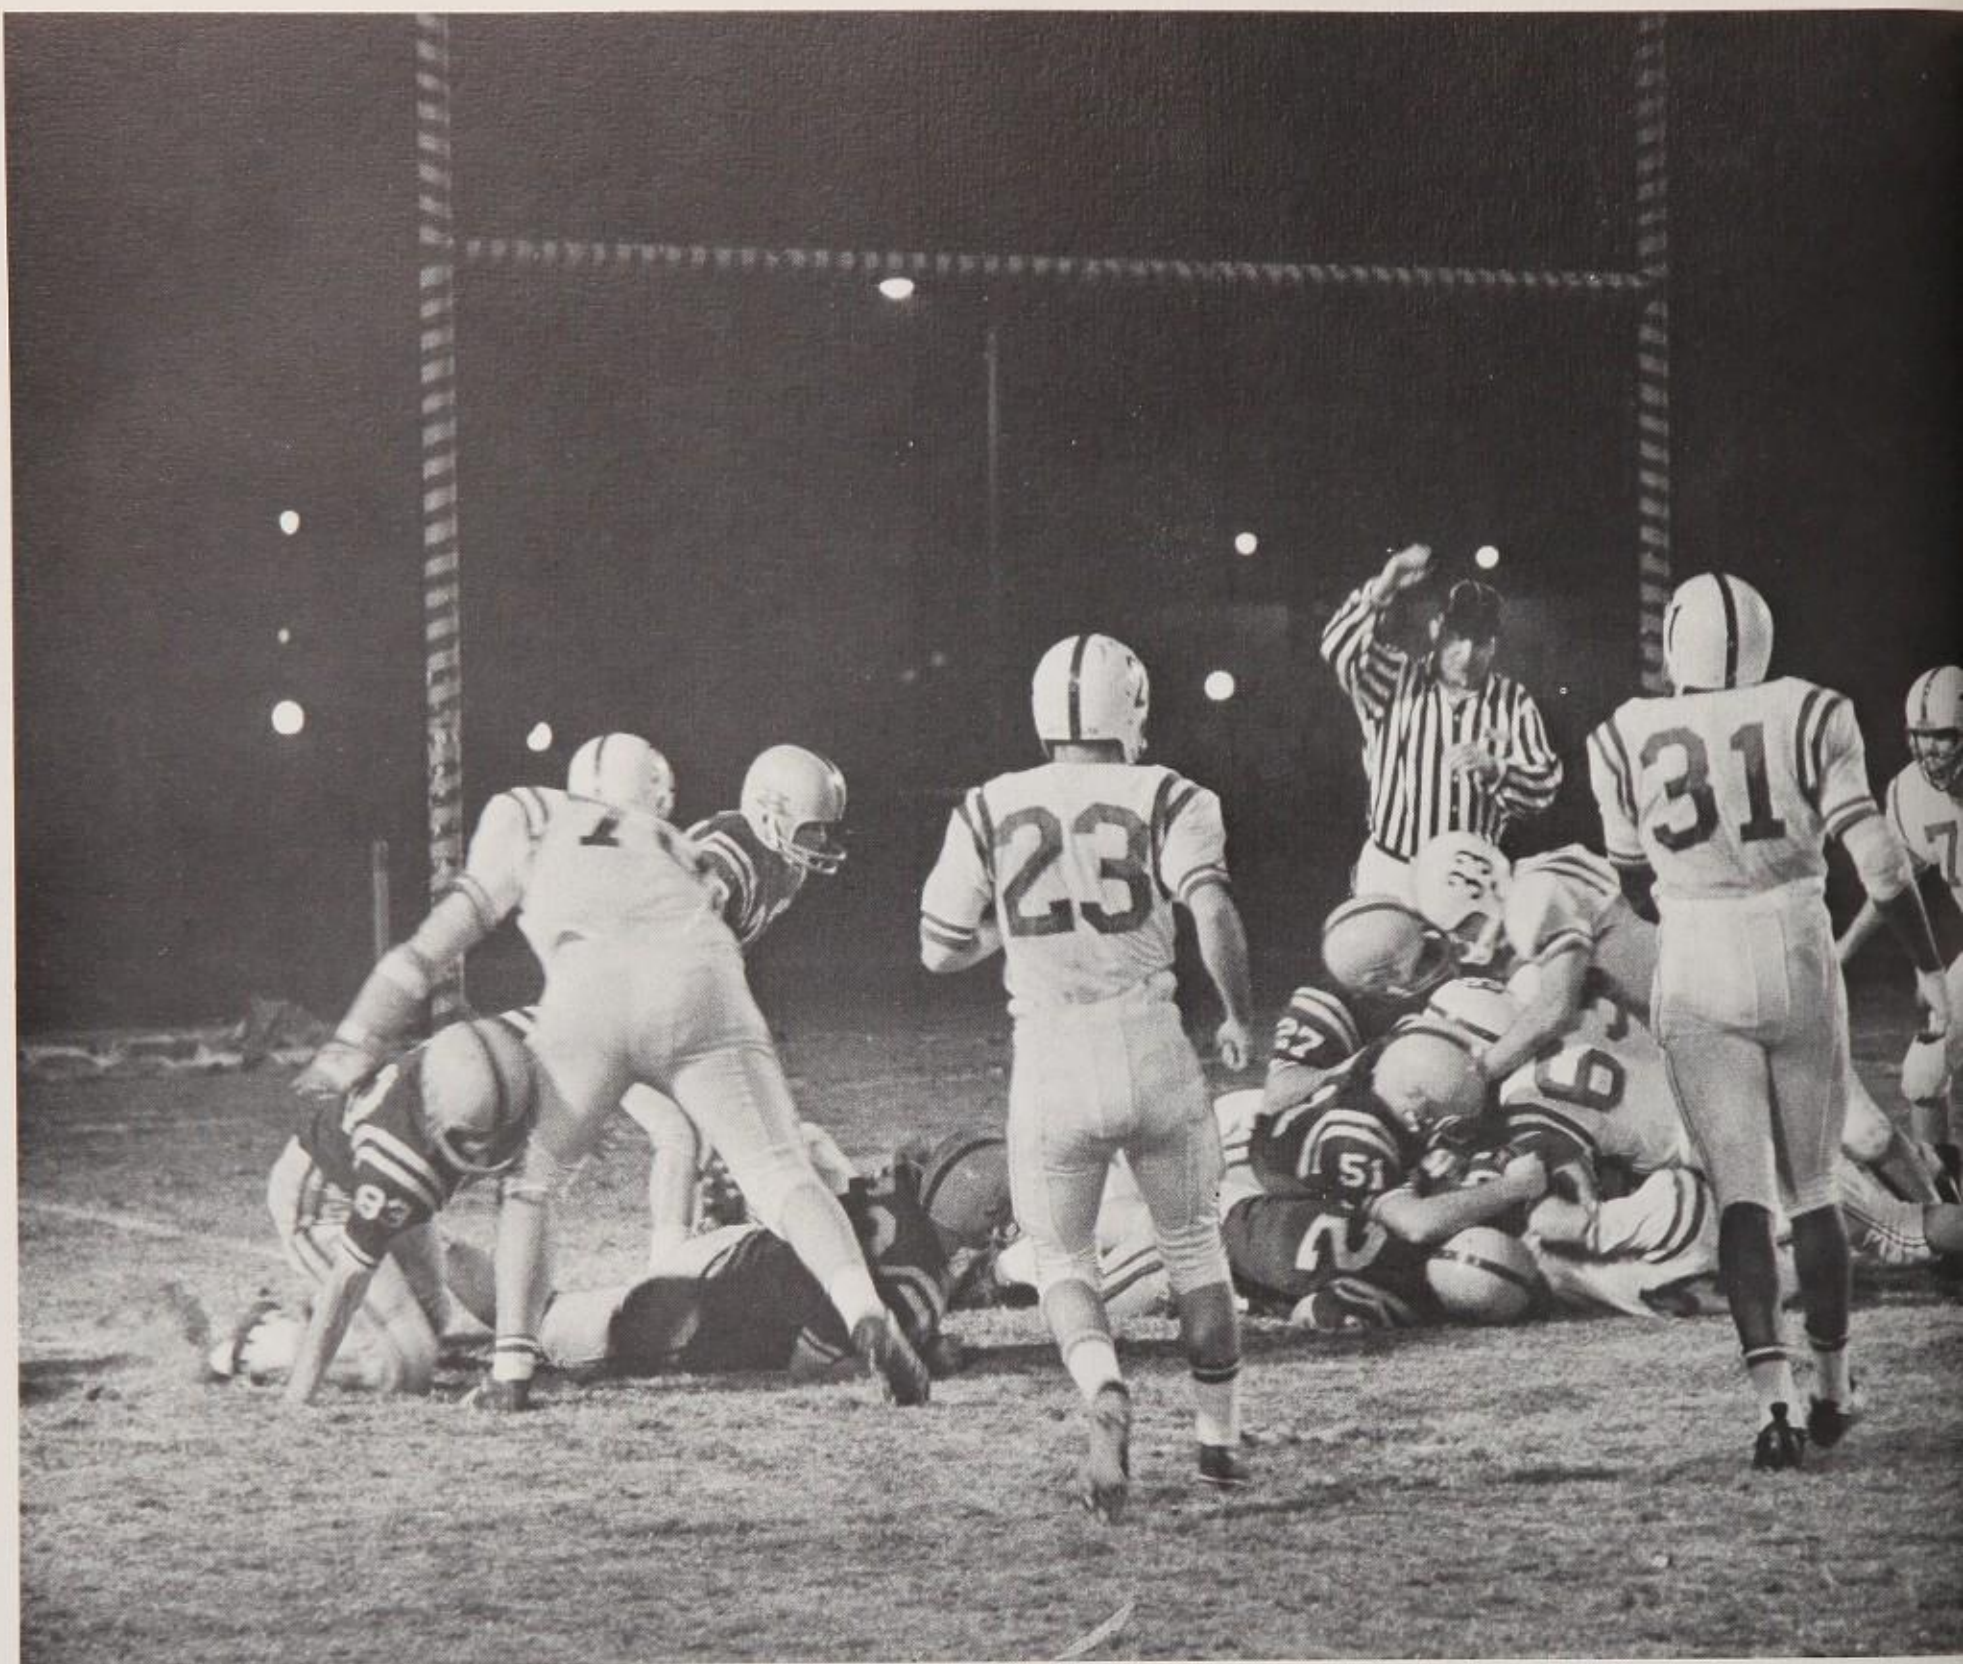

End Steve Collins heads down field after receiving a Cocke aerial.

Wildcat as if hitting

Ex-Arcadian Jim Cage stops an old friend for no gain as Tom Lewis, Alan Manwarren, Jackie Adams and Steve Wicks look on.

MONROVIA	7
MONTEBELLO	7

MONROVIA	13
ALHAMBRA	6

Next to the Whittier game, the Montebello contest was the defensive game of the year. All the scoring being accomplished in the final quarter, the first three periods seemed rather pointless. A see-saw battle for the lead characterized the entire game. Montebello turned the trick when the Oilers scored with a few minutes remaining on the clock. Not to be denied, MHS marched downfield after the kick-off and scored. Pressure shifting to Adams' PAT attempt, Jackie came through by booting the pigskin over the crossbars. This feat ended the mounting tension on the field and the two teams coasted the remaining minutes to provide a tie score to a bitterly-contested affair.

Although the statistics favored the Alhambra Moors, the score favored the Wildcats. The game opened with Ron Husband receiving the kickoff and returning it 60 yards to the Alhambra 24-yard line. A bullet pass from quarterback Randy Cocke hit Steve Collins short of the goal line; then Collins tip-toed across for the score. Later in the first quarter, Cocke hit Collins with the long bomb for the 'Cats' final score. The MHS offense rolled up good yardage in the second half of the game but couldn't add to their score. Meanwhile the 'Cat defense held the Moors to six points with Jackie Adams, Tom Lewis and Barry Reynolds turning in fine defensive efforts. Also praised for good defensive performances were Manuel Carlos, Steve Collins and Larry Sullivan. Collins was named offensive and Sullivan defensive Wildcats of the Week.

The defensive unit teams up for a gang tackle.

Opposing ball carrier gives up as he sees Manuel Carlos approaching.

MONROVIA	15
EL RANCHO	41

Although the 'Cats went down at the hands of the El Rancho Dons, the Monrovia team put together a game of which anyone could be proud. In probably the hardest hitting, most roughly contested game the 'Cats managed to score more points than any other El Rancho opponent.

A team of MHS defenders managed to get Don quarterback Rick Pope and sideline him for the remainder of the game. This, however, proved to be insufficient, as the Don offense executed its plays perfectly. Even though outscored and outmanned, the Wildcats came back in the final period for a touchdown and a safety. Such a courageous attempt at victory typifies the entire MHS '66 football season—one of which the school can be proud. Great season, 'Cats!

JV RECORD BEST IN SEVERAL YEARS

Former Wildcat Don Samuels instilled a winning attitude in the JV squad.

This year's JV squad was one of the best in MHS history. Coached by Don Samuels and Mike Brolay, the team finished with a 5 win 4 loss record. After a good start, Coach Samuels inspired his team to beat Whittier. The next week a loss to Arcadia all but eliminated the 'Cats from the Pacific League race. Dropping three of the next four games, the JV's ended the season on a sour note. There were many highlights of the season which will be remembered by MHS students for the years to come. Fullback Ed Nunnley crashing through the line getting that extra yard with tacklers hanging on him, the slap of the pads as Tony Giannoni made another tackle, quarterback Phil Holman and end Larry Krolbart teaming up on a third down and long yardage—these were a few of the thrills. In some cases the entire team would rally to stop the opposition in a fourth quarter drive. Other times the team would fail completely. The fine showing of this year's JV team, however, far outweighed any errors made during the progress of the season.

INCONSISTENT YEAR FOR BEE SQUAD

For this year's MHS Bee football squad it was a long, torturous season. Coached by Mr. John Daniels and Mr. Paul Burtan, the team finished with a four win five loss record. The MHS eleven was extremely inconsistent throughout the year. At times they were magnificent and unbelievable or

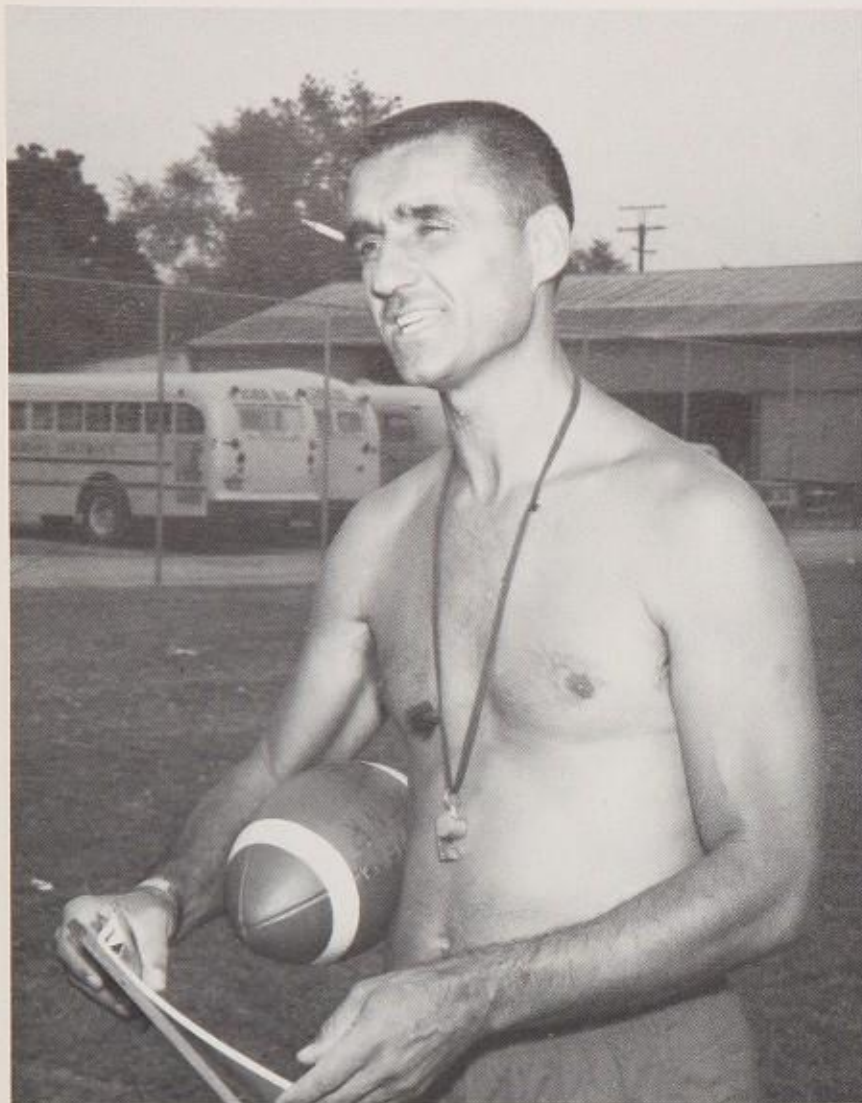

in utter collapse. Quarterback Tommy Johnson and fullback Dale Best show promise for the future. The hard-hitting line led by such standouts as Bob Casey, Don Locke, and Jeff Platt may see action on Varsity next year.

Opposite is Coach Daniels.

Ray Marquez, Jeff Platt, and Bob Casey were the co-captains.

NEW FACES SPARK KATICH-QUIMBY CEE TEAM

Tarzan Al Katich seems pleased with his squad.

Cee team, coached by Al Katich and John Quimby, finished with a 6 win 3 loss record and an excellent season of experience for freshmen. The team possessed tremendous spirit and an ability to drive when behind in the scoring column. New faces like Wayne Nunnley, Rich Josenhans, Tony Strauss, Larry Apodaca and John Grover will be influential in future MHS sporting events.

"Hey! Let go!"

Dominating the sports scene at Monrovia for the past few years have been football and basketball. Consistent winning efforts have boosted these sports to a dominant position in Pacific League competition.

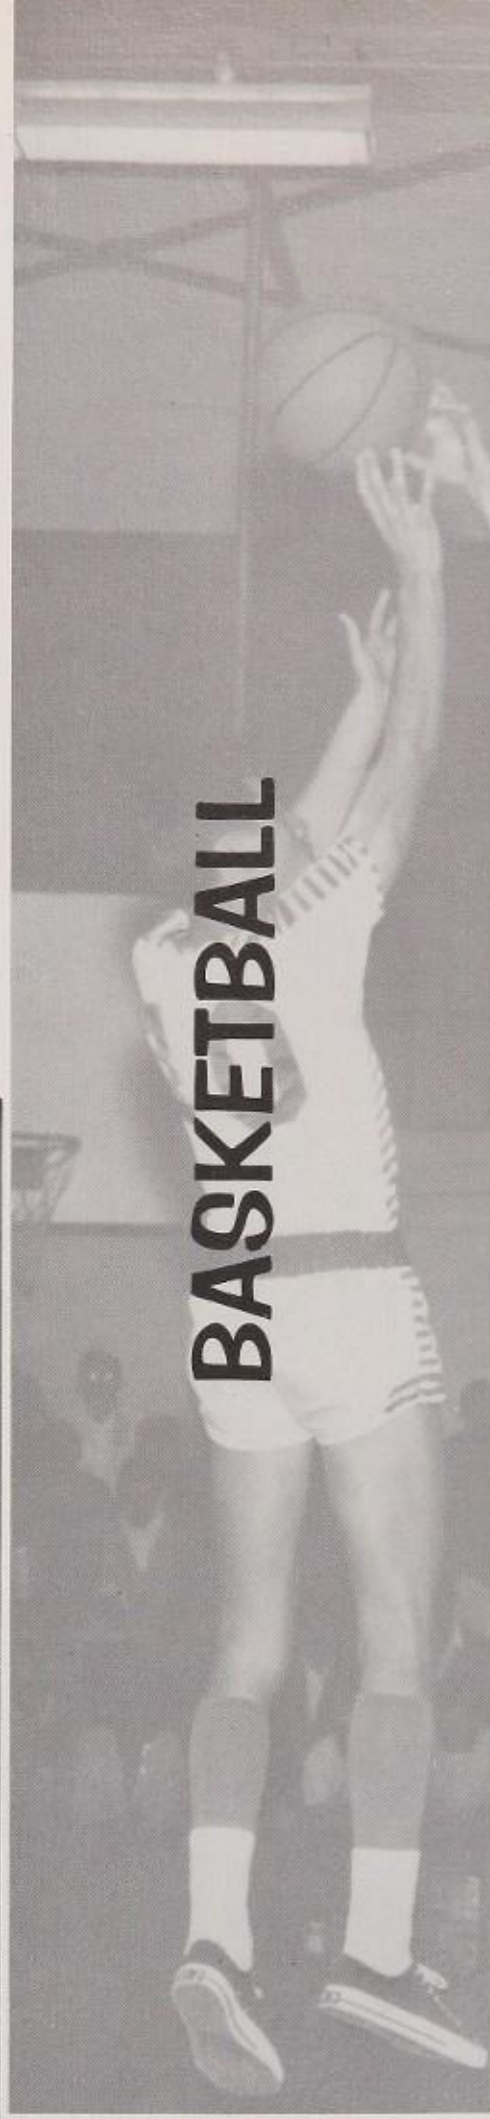

Yet, careful planning and development on the part of the MHS coaching staff has been undertaken to boost other sports to sure dominance of the League within the next few years. Baseball, swimming, and track are sports which sometimes escape the attention of the students, yet are sure to become the strong points of MHS sports in the future.

BEES CAPTURE CHAFFEY TROPHY IN WATER POLO

Experienced players, excellent coaching and inspirational play resulted in a fine season for Monrovia's water polo teams. The B's, bolstered in mid-season by Varsity swimmers, finished with an 11-4 record in addition to capturing the Chaffey Invitational meet. Captains Jon McNeil and Steve Hanson led the potential-filled B's along with Ron Calderwood, Russ Welch and Mark Tilton.

A fine Varsity team, competing against experienced opposition, compiled a 5-3 record. Jack Thorpe and Dennis

White, captains, Steve Penzes, Ron Detzer, Mike Wilkinson and Dave Bowers were all outstanding competitors.

Jim Self, Bill Stanton, Jon Soeder and David Schuil headed the C's in a season which saw them compile an enviable eleven wins and four losses. These teams deserve recognition for their ability to achieve such records since water polo has been played at Monrovia High only two years.

JOE SANCHEZ SETS CROSS COUNTRY RECORD

Cross Country, inspired by the stars returning from last year, endeavored to gain recognition as a championship unit. Although falling short of their goal, the spikesters did gel into a capable team. Sensing a year of mediocrity, established team members attempted, unsuccessfully, to make 1966 a year to remember. Joe Sanchez, hard-running Senior, established a new school record in the two-mile run with a 10:12 clocking. He did this with a broken ankle, sustained

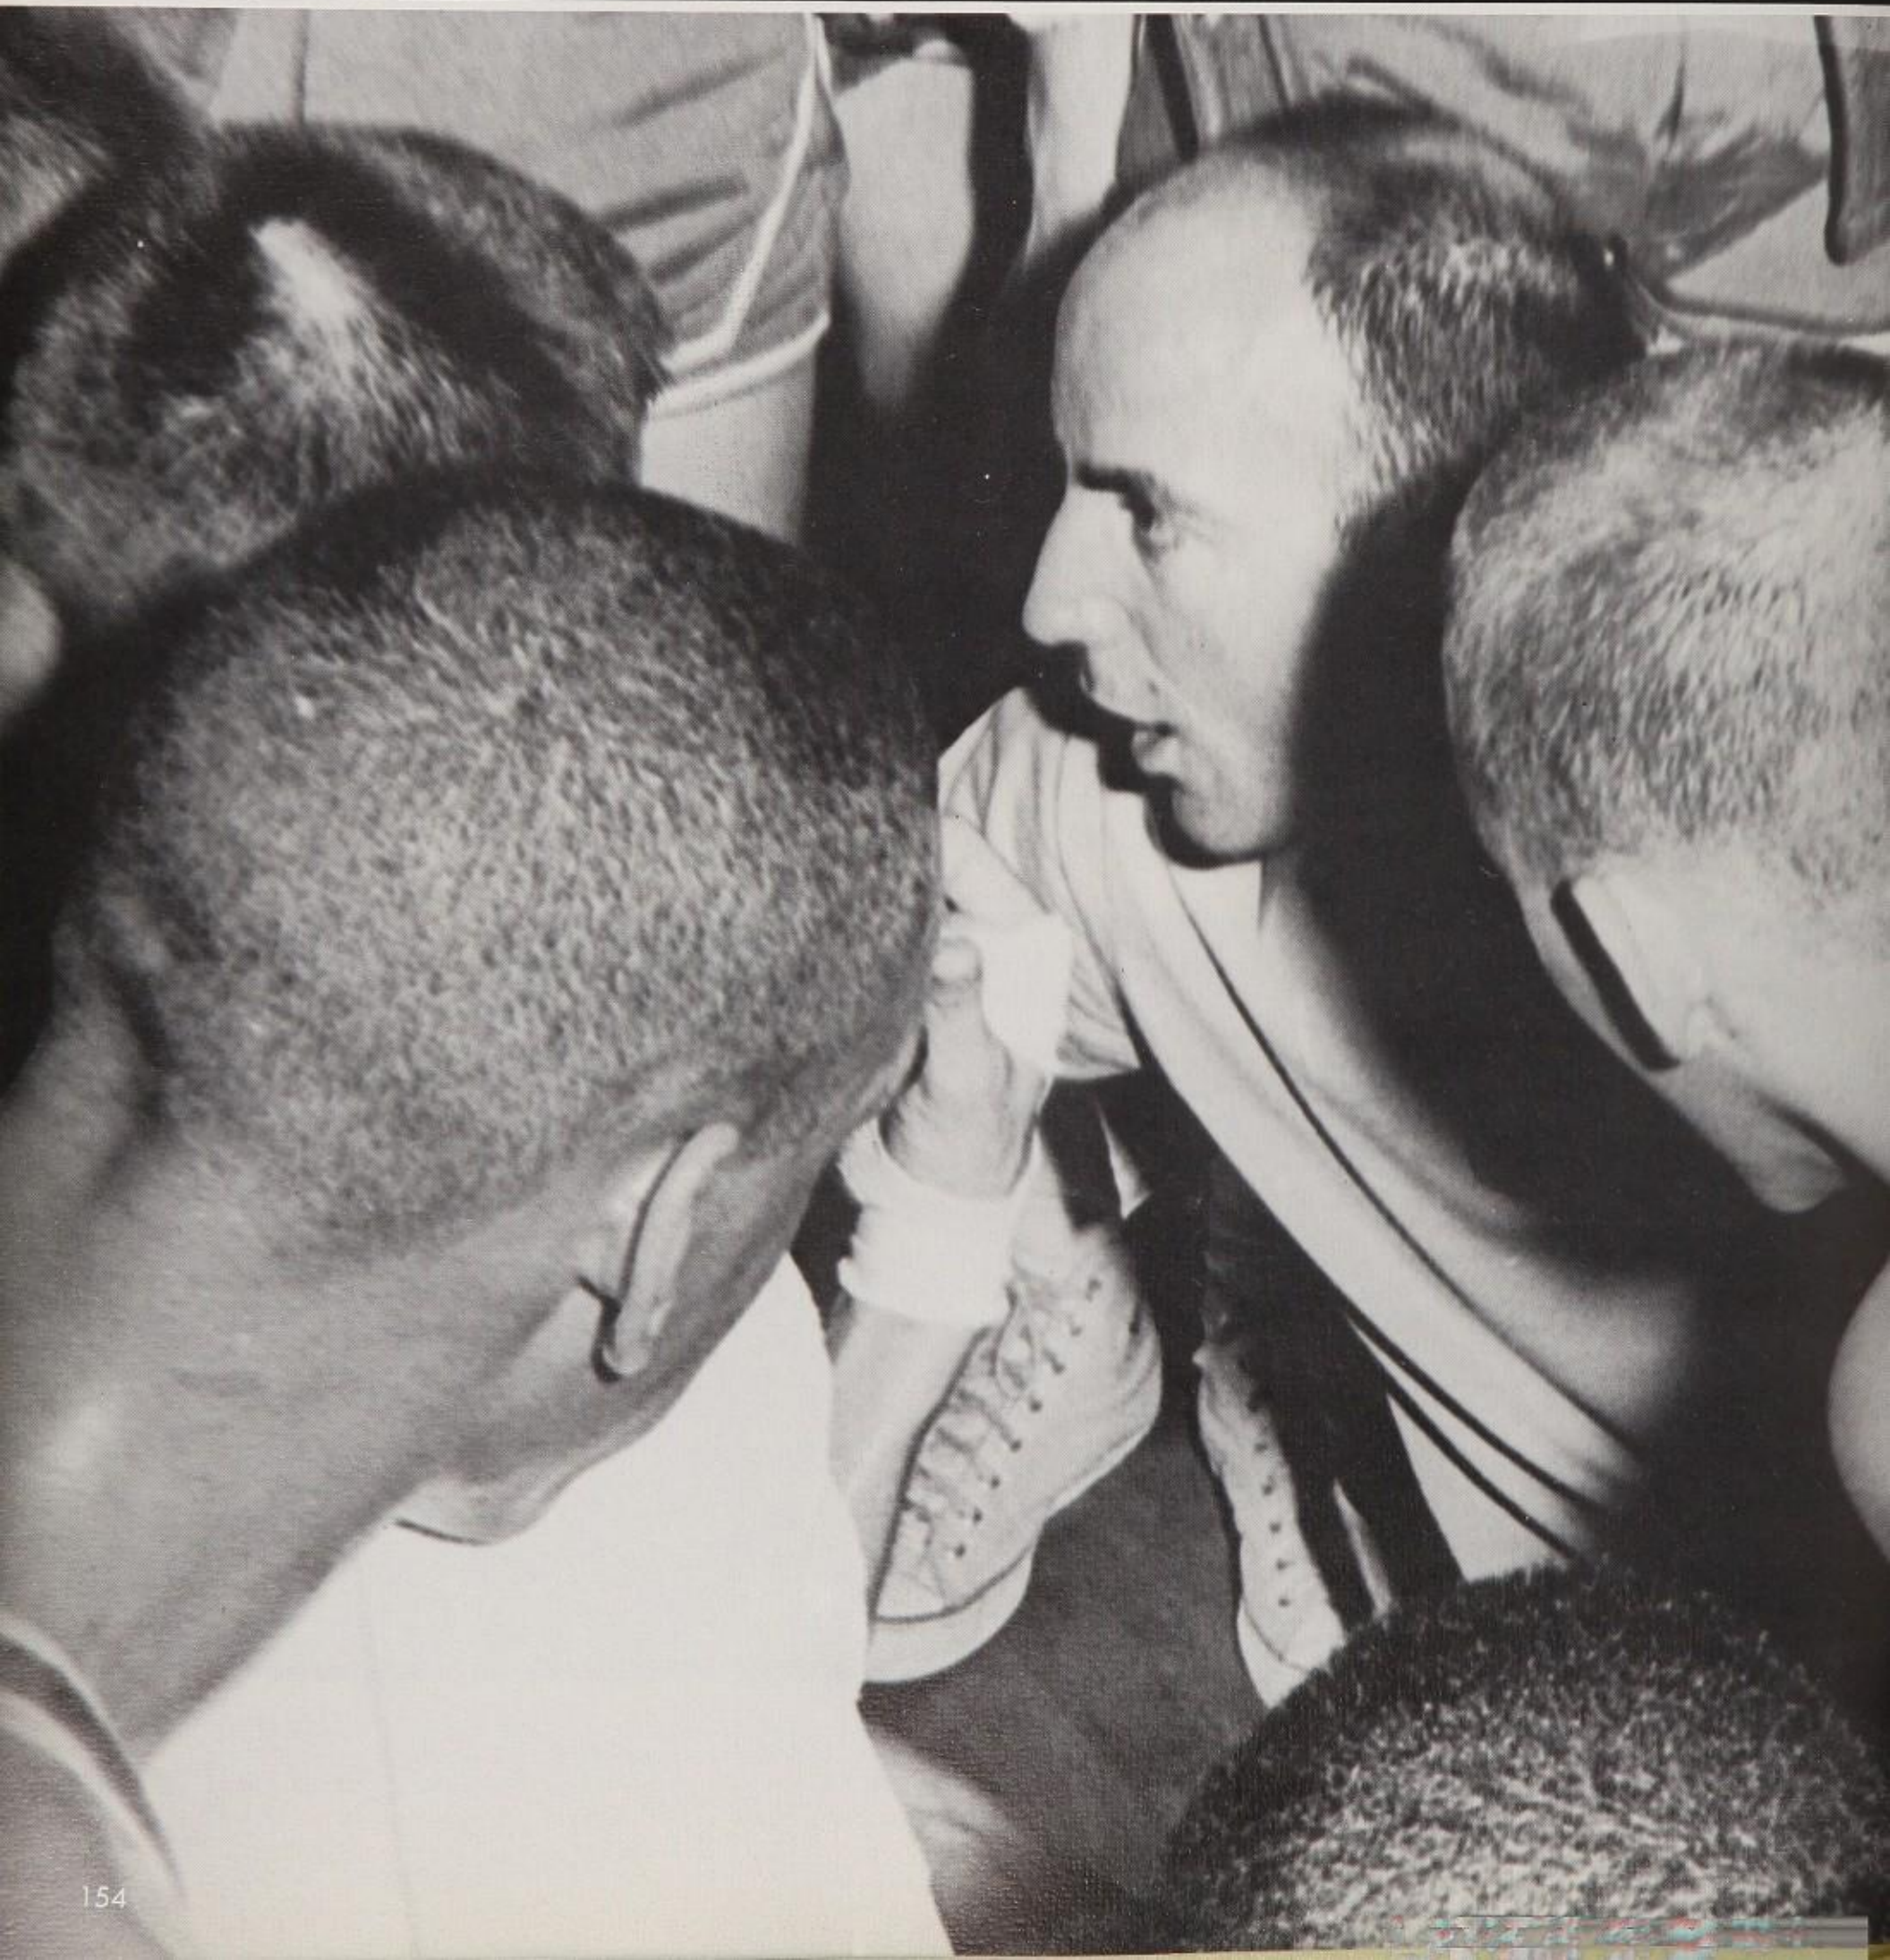

the last 660 yards of the race. The Varsity was led by Russel Deem and Steve Klein, who received medals in the league finals at Mt. SAC, Loree Klein, and Pablo Pinel. Gung-ho on the JV team were Dick Coombs, Tom Newlon and Gilbert Biggle; and on the Frosh-Soph team: Tim Arndt, Mark Krol-dart, Dale Jackson and Raymond Espinoza. Together, these fighting units gave Coach "Dink" Walker a year of surprise and pleasure.

FIRST ROW: M. Krol-dart, D. Fisher, R. Jackson, G. Biggle, S. Klein, M. Bauer. **SECOND ROW:** T. Arndt, E. Bujanda, W. Davis, J. Kies, F. Laurin, J. Sanchez, A. Garcia, R. Deem. **THIRD ROW:** S. GREEN MACHINE

CAPTURES CIF CROWN

TAKES PACIFIC LEAGUE WITH 14-0 SEASON

"WE'VE GOT SOUL, YEA"

As a frenzied crowd stood surrounding the hardwood court, a golden coach in the shape of a massive pumpkin pulled up at the Long Beach Arena, the magic wand was waved, and "The Cinderella Team" learned that the glass slipper of victory was a perfect fit for the 'Cats' paw.

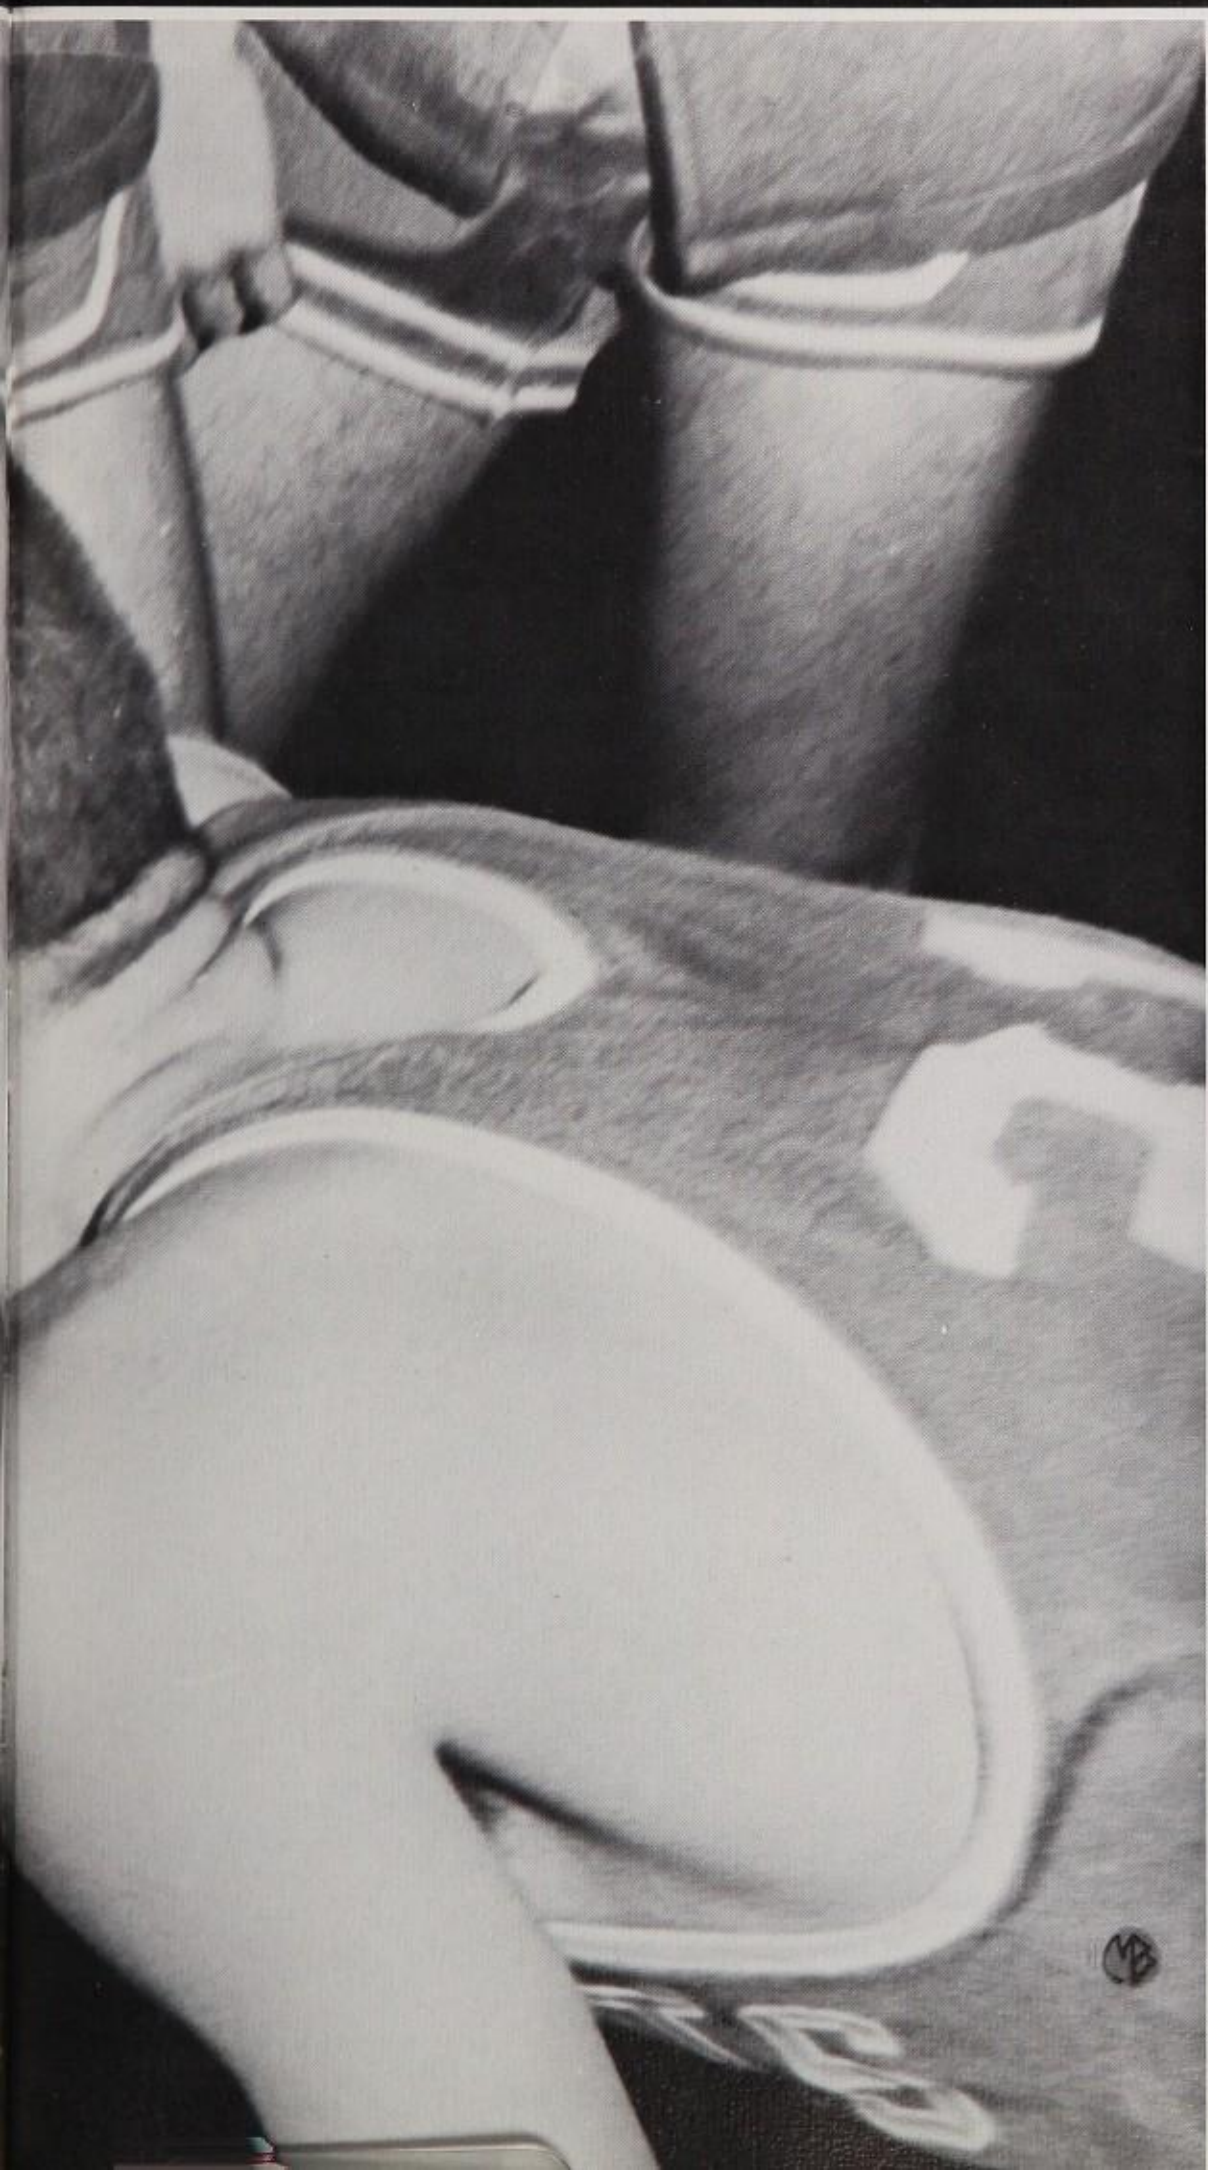

For the first time in Monrovia High School history, the Varsity Basketball squad took a CIF championship, with Magician Tony Stillson waving the magic wand as a shocked press ate humble PUMPKIN pie.

Stillson's unranked, underrated quintet had taken the Number One Spot, the CIF's Southern Section Championship!

Close to 10,000 fans flocked to the culminating event, which climaxed a no-loss Pacific League season for the 'Cats. The Arena shook, had shook for consecutive nights. And on Saturday night, the finals, the roof fell in as Monrovia met El Segundo to let the Eagles know they were "second" in Monrovia English as well as in El Segundian Spanish. An unbelieving press and Southland couldn't believe it . . . First, the 58-54 defeat of Burbank on Friday night, and finally the 62-56 overtime win from top-ranked El Segundo, with its 34 straight wins during the season.

A hustling pack of Wildcats played their hearts out in what many called "the greatest team effort ever by a high school team."

The Wildcats played their hearts out for a coach they felt was the greatest coach in the world, as both they and an admiring Student Body let loose with a touch of the magic wand as they dubbed their coach a kind of Prince Charming of Southland Prep Basketball.

Jackie Adams

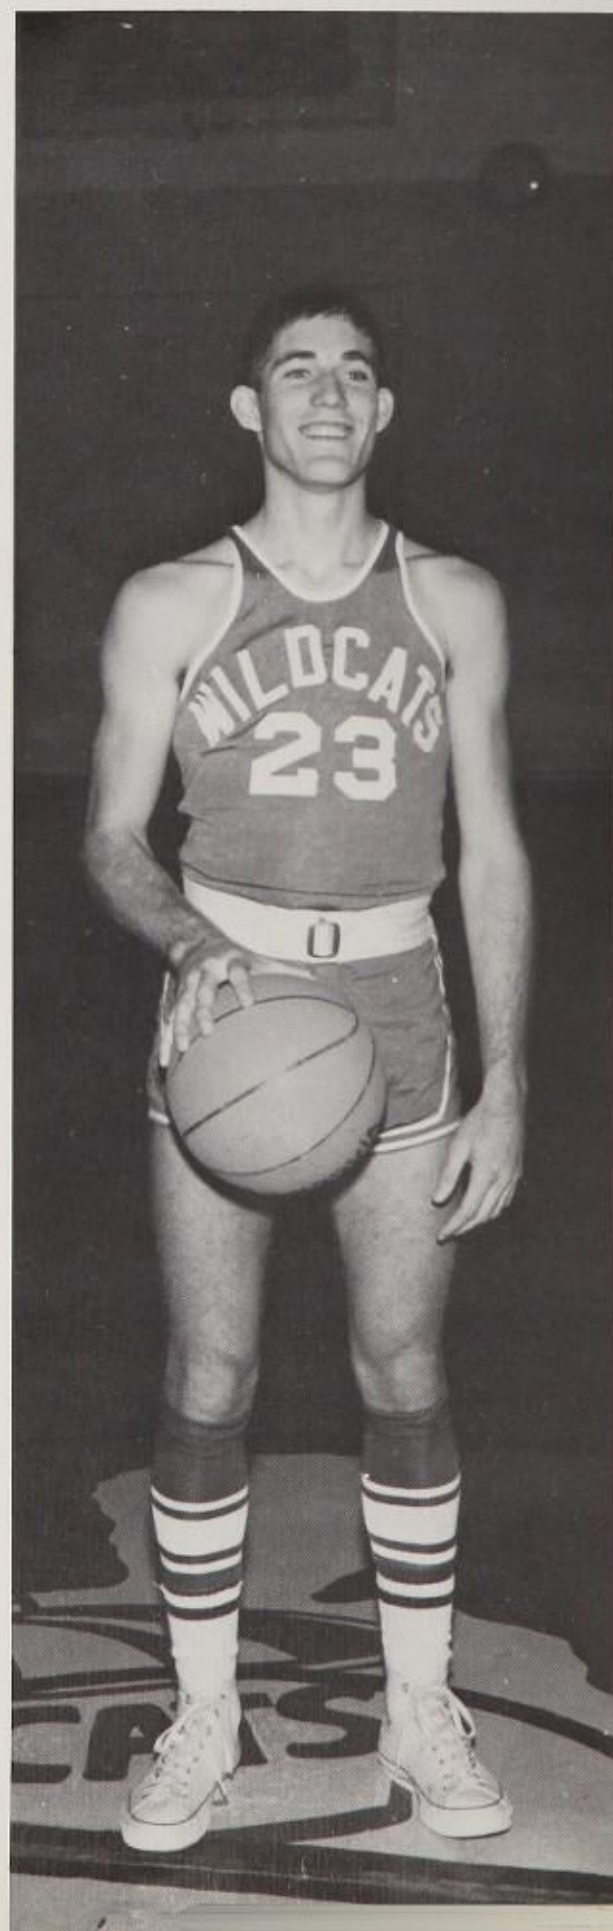

"Jackie contributed to the team's success by his carry-over competitiveness from football and baseball. He kept us loose in practice and was well liked and instrumental in team morale."

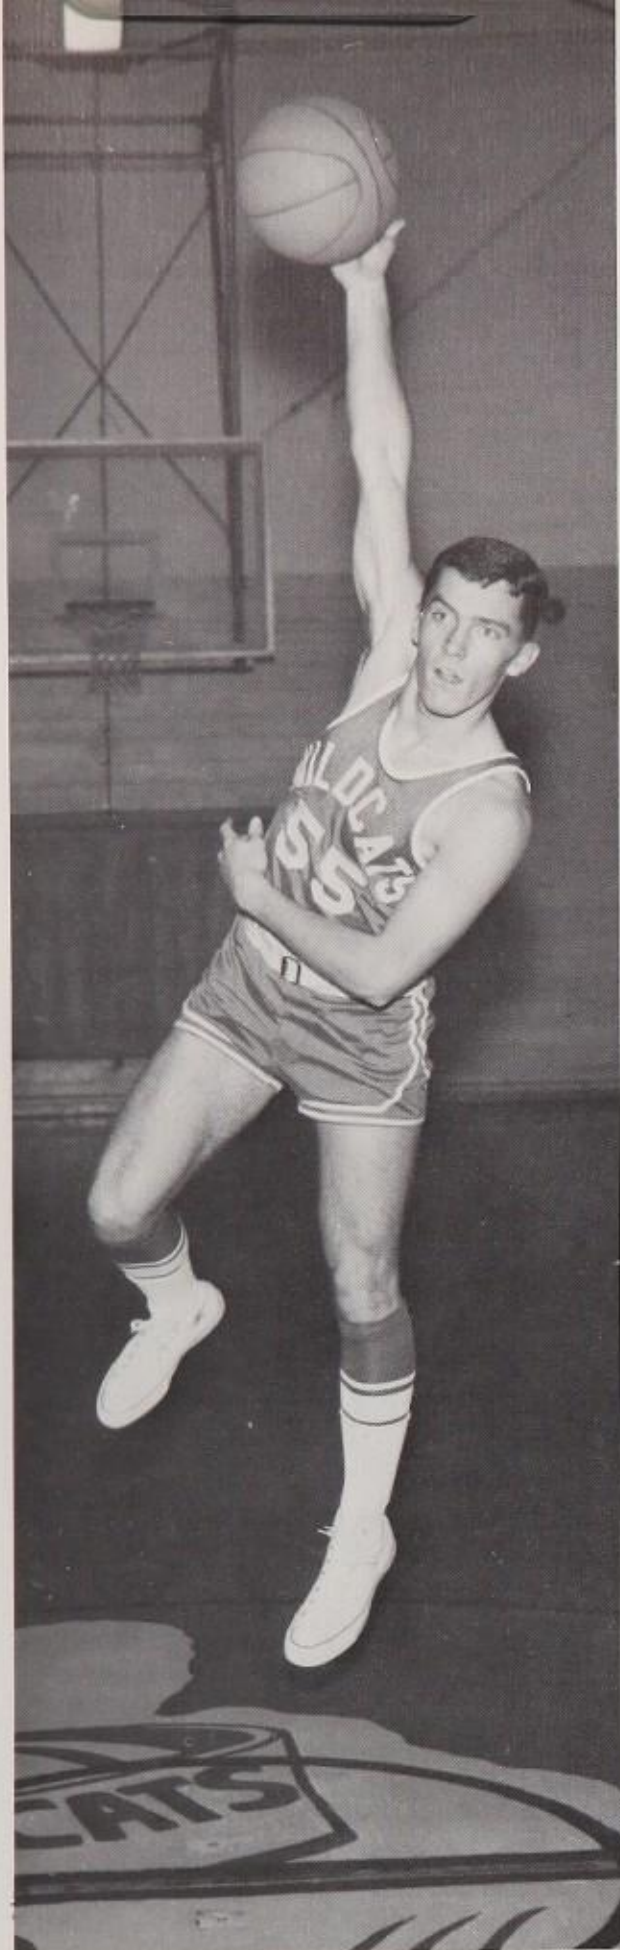

COACH STILLSON

"Best defensive player on the team. Gave his all all the time. Rarely outscored his opponent, but always outplayed him. Only 6'0", but has great jumping ability and played as if he were 6'5". His aggressiveness in our pressing defense will be hard to replace."

COACH STILLSON

John Courter

Jon Paulson

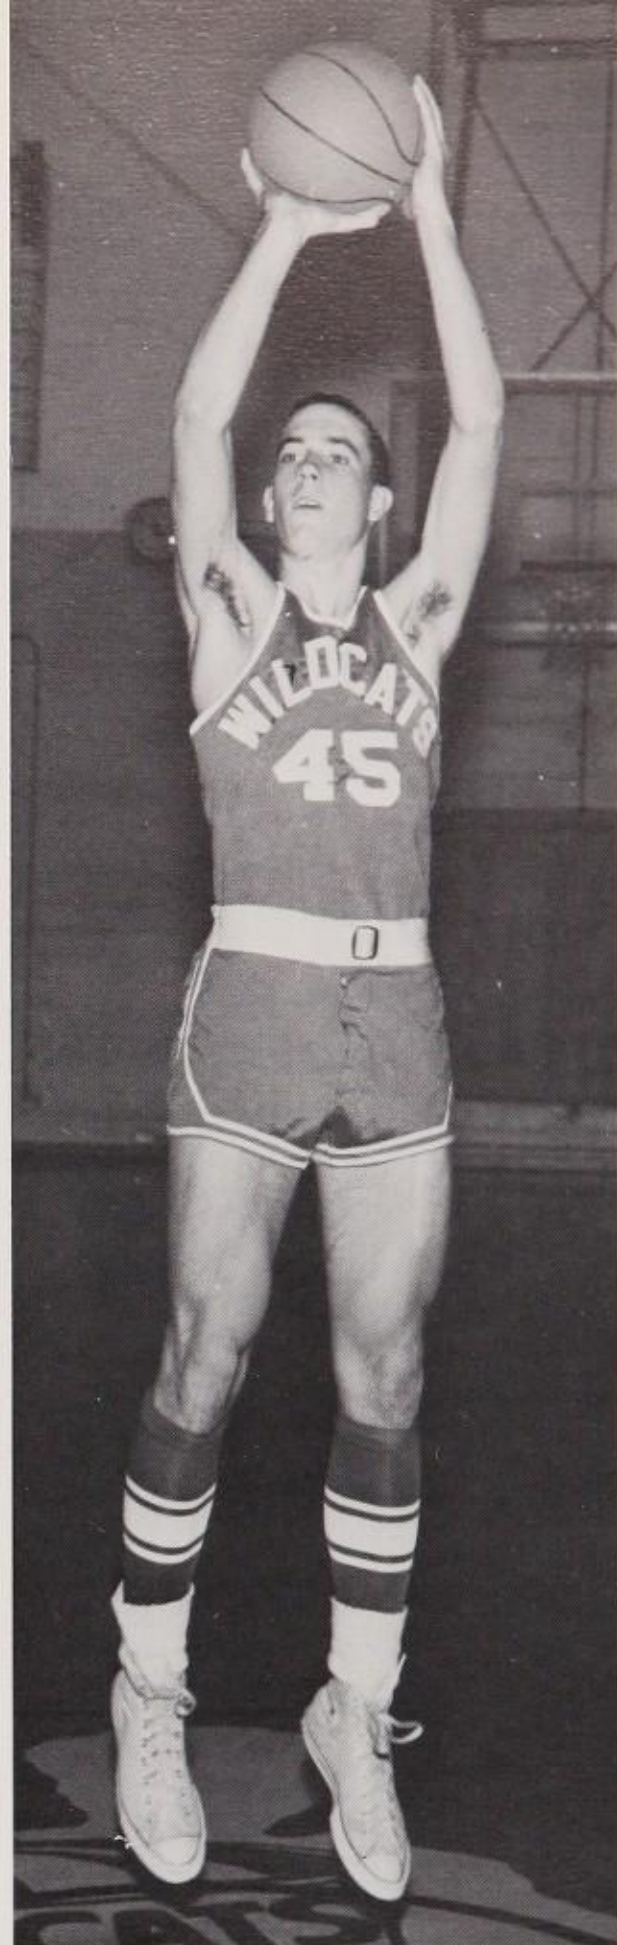

"Jon's finest quality was his fine shooting ability. Although he didn't see much game action, Jon was helpful by keeping the regulars "honest" in practice with his shooting. Jon, as our ASB President, added a touch of class to the team."

COACH STILLSON

"George overcame early season problems with consistency. He dominated just about every statistic and every opponent in the league and was "Mr. Everything" in the CIF Playoffs. Not only is tall but played tall."

COACH STILLSON

George Trapp

Terry Miller

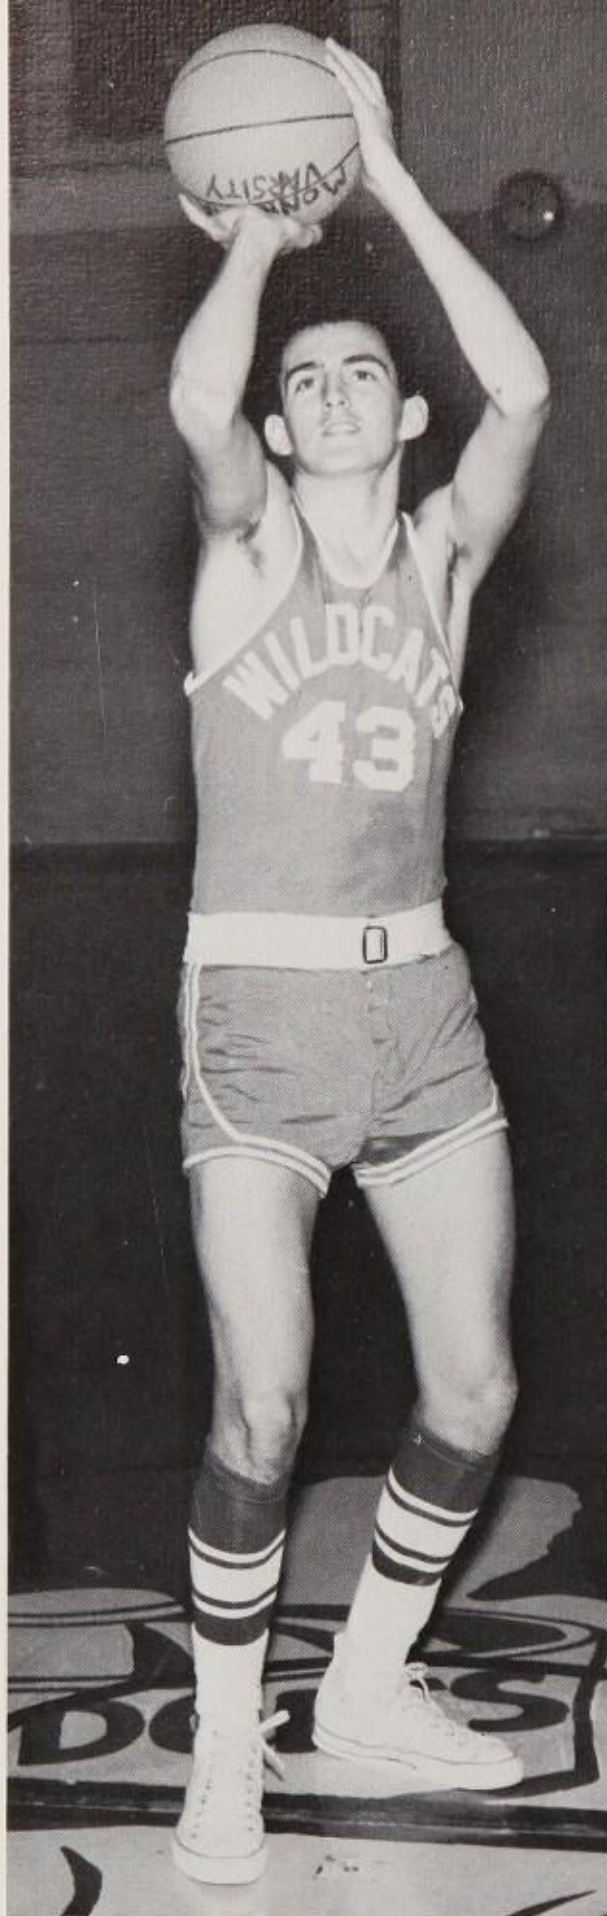

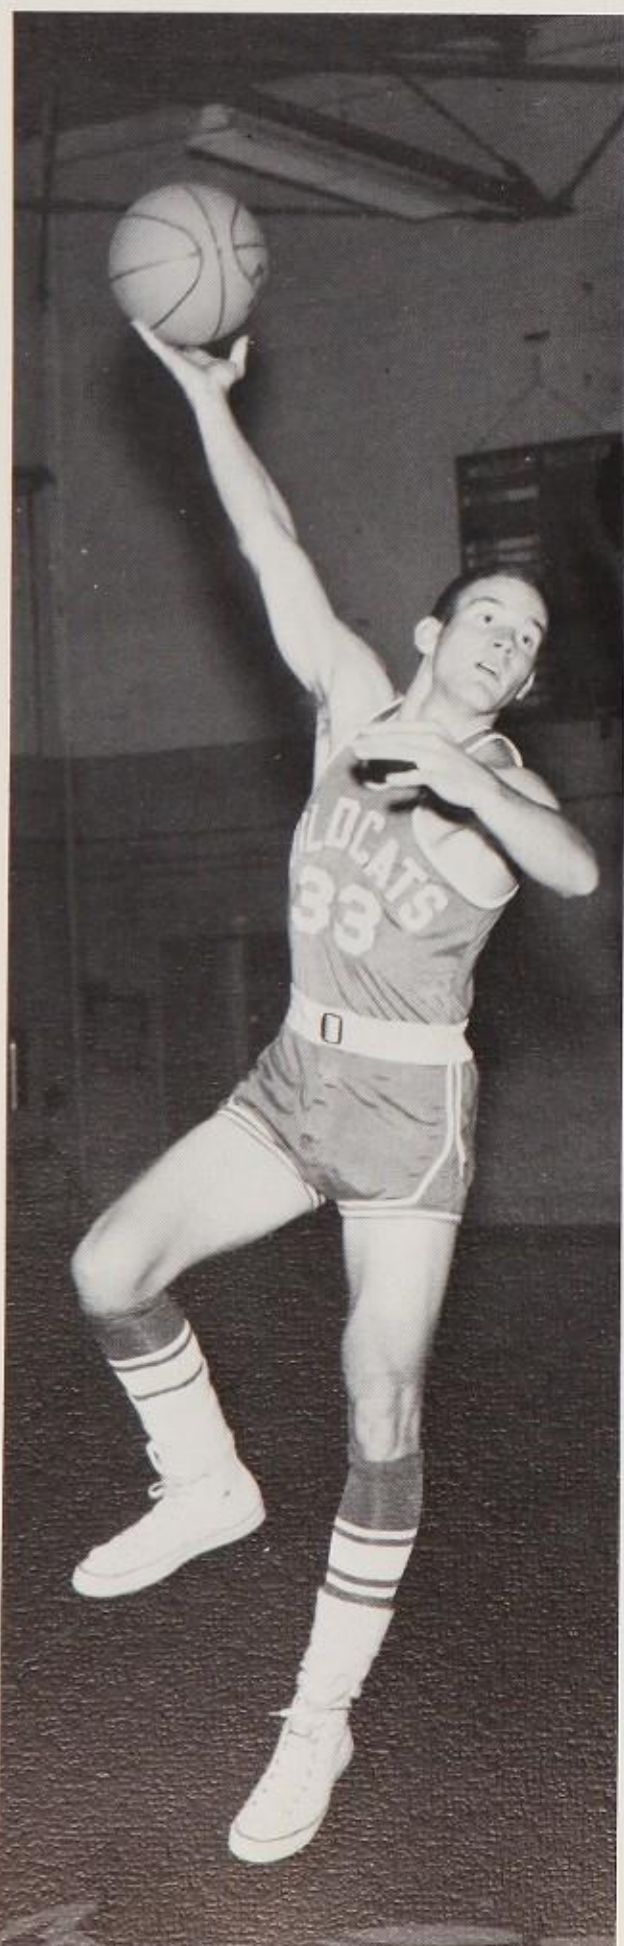

"Whether a starter or coming off the bench, Terry knew his job and got it done. Although not physically strong, he scrapped right with the competition. His basic fundamental soundness helped the team achieve its goals."

COACH STILLSON

"Ron was loyal, sincere, and never let up despite injured leg. His game time was limited, but kept regulars on their toes in practice. He could always be seen encouraging the players on the floor."

COACH STILLSON

Ron Brown

Denny Strickler

"My best example of a dedicated player who plays at both ends of the court. His fine outside shooting, know-how of going to the bucket and his completeness were characteristics that led us to the CIF championship."

COACH STILLSON

"Steve, as an inexperienced player, played way above his 6'2" stature. His great jumping and rebounding ability, his anticipation of defense, and his overall competitiveness were factors in the success of the team. He was one of the most improved players on the squad."

COACH STILLSON

Steve Collins

Bernie Craig

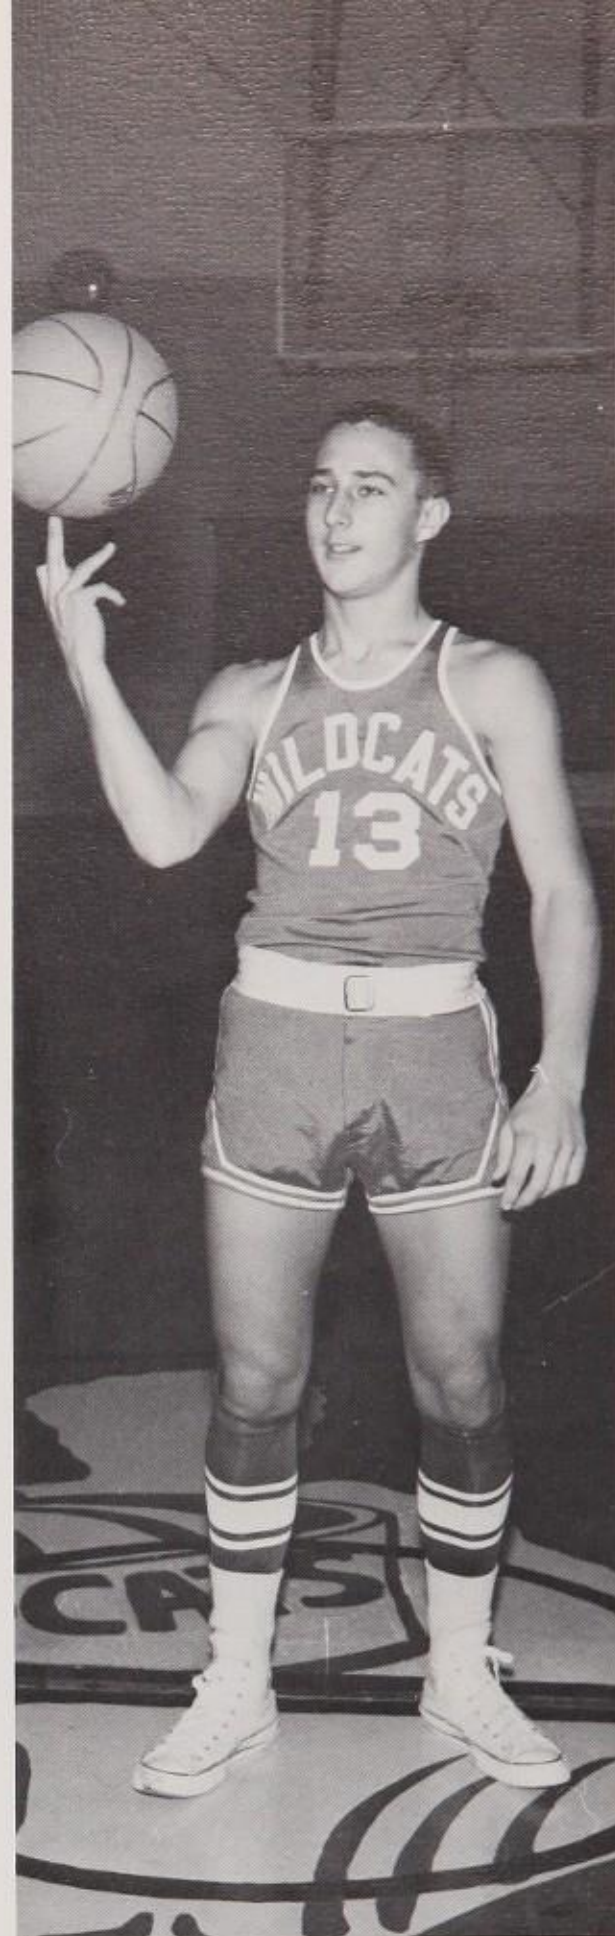

"Bernie was moved up to the varsity late in the regular season and went with us to the CIF playoffs, after playing very well with the Bee's. The experience gained will aid him in his next two years."

COACH STILLSON

"Somebody had to compete against George every-day in practice—John did just that and did it well. This was his main contribution to our success. He didn't see much game action but gained invaluable experience."

COACH STILLSON

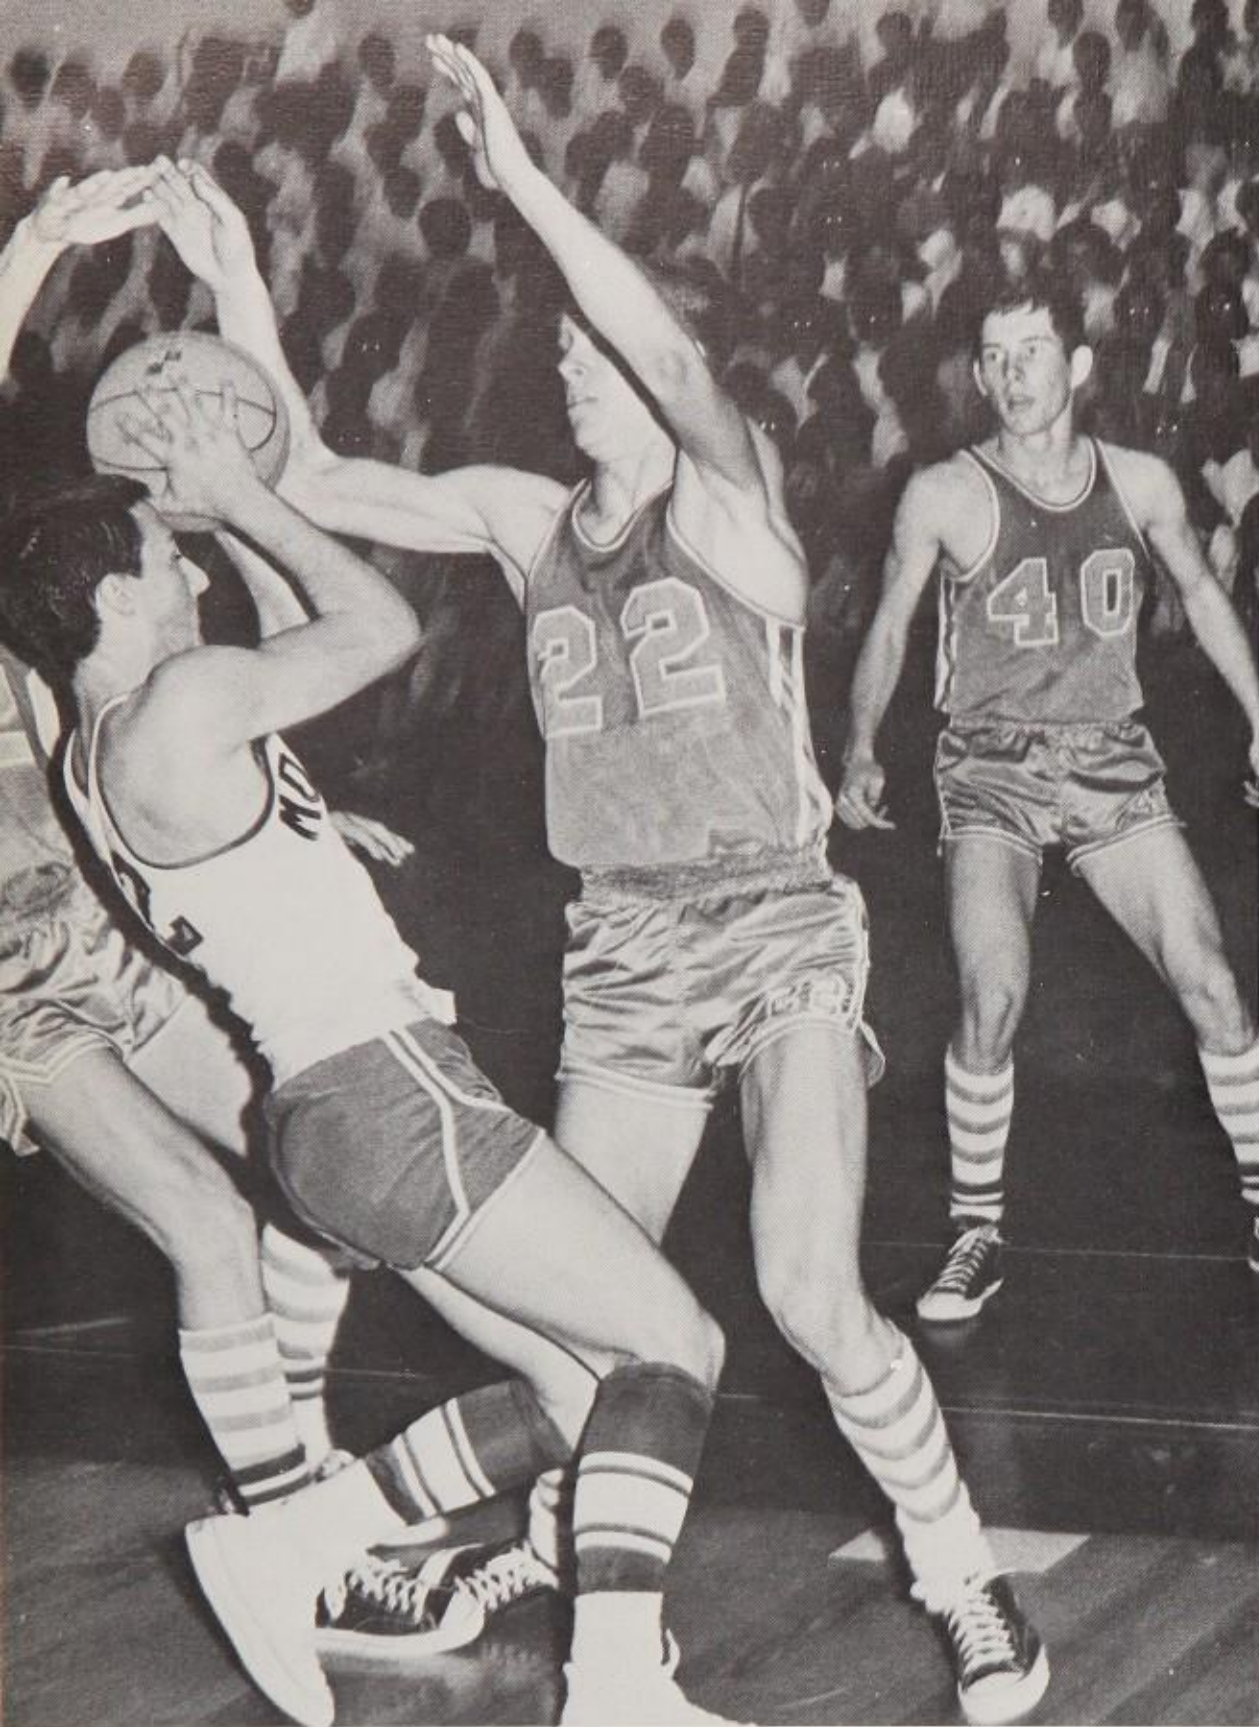

John Thompson

Mike Kendall

"Biggest 'little' man in CIF this year. Really matured as season progressed. A 'take charge' guy who doesn't like the word 'lose.' His quickness, field goal and free throw shooting, driving three point plays, and assists were all important in our CIF championship."

COACH STILLSON

Mike Kendall confronts two North Torrance gargantuans and attempts to break through the defense.

CATS BEGIN PROWL ON CIF

In the initial CIF tilt, the 'Cats looked very unimpressive. Led by 6-3 forward Bob Terrio, the Coyotes consistently hit from way outside as they fought to a 21-16 first quarter lead. Only a great effort by Denny Strickler kept the 'Cats within range. Strickler employed a variety of fantastic moves that enabled him to score 11 points in the almost disastrous first quarter.

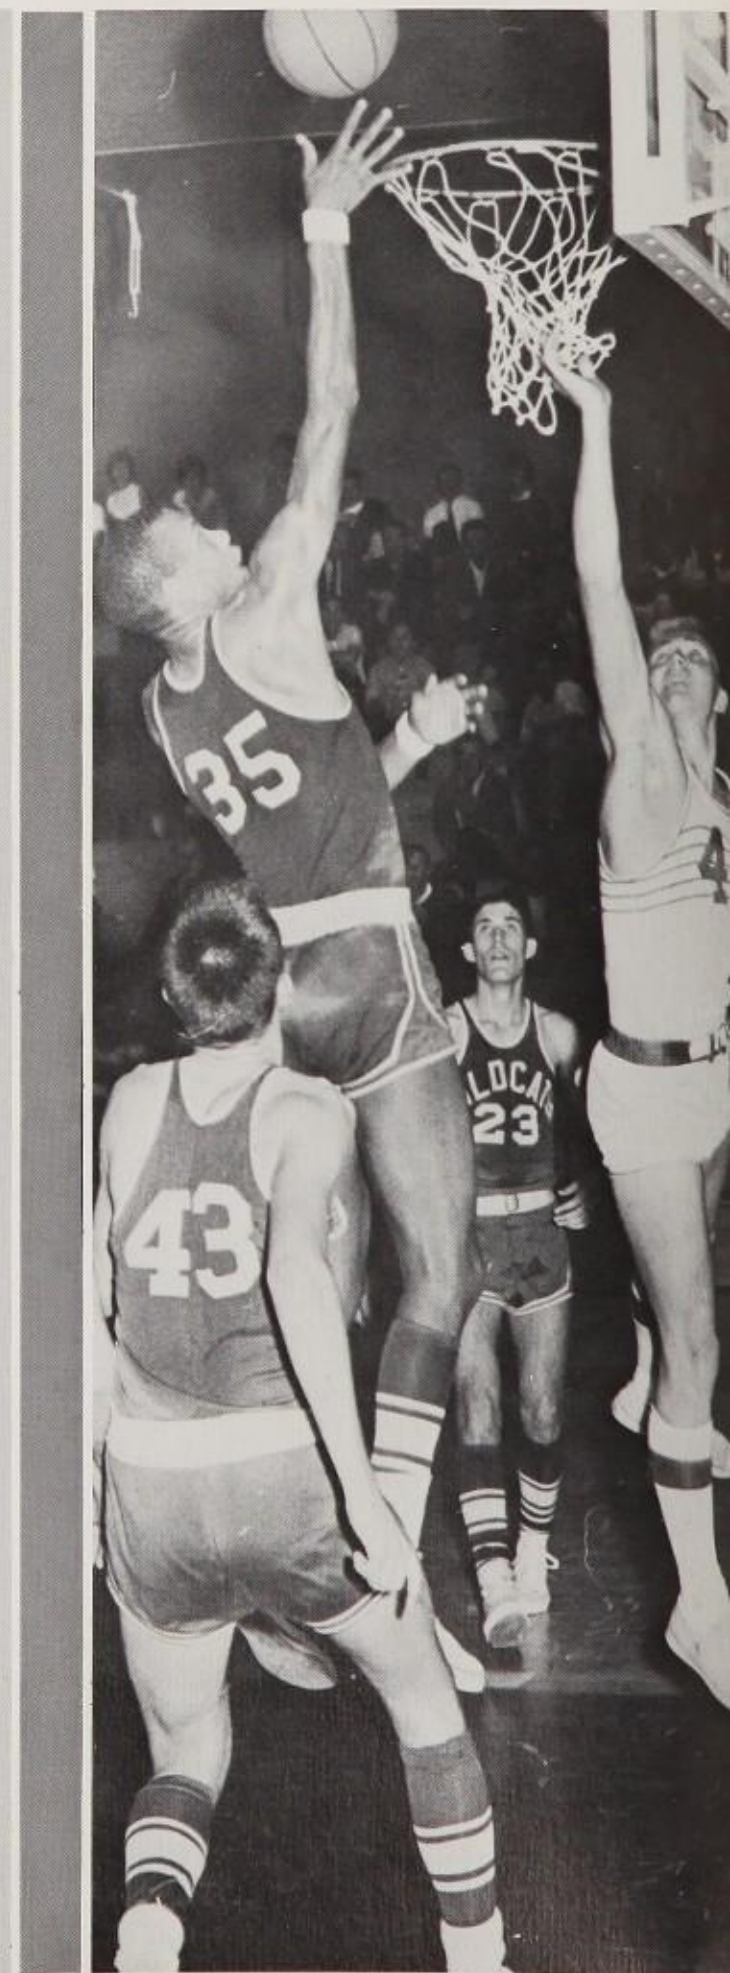

In the second half the Wildcats looked like a different team. With the score knotted at 29-29, the Coyotes were forced to come out to try and stop Strickler. This left Trapp with only one man to guard him, and he got his chance to score.

In the half, Trapp managed to hustle in an amazing 28 points and finished with a game high 37, as the 'Cats downed Buena Park by a 69-57 count.

It was certain, however, that if the 'Cats were ever to emerge victorious from the North Torrance contest, they would have to play a much improved game.

NORTH TORRANCE

Trapp reaches up and lobs in another basket for an overwhelming 37 points against the Buena Park Coyotes.

FALLS PREY TO HUNGRY CATS

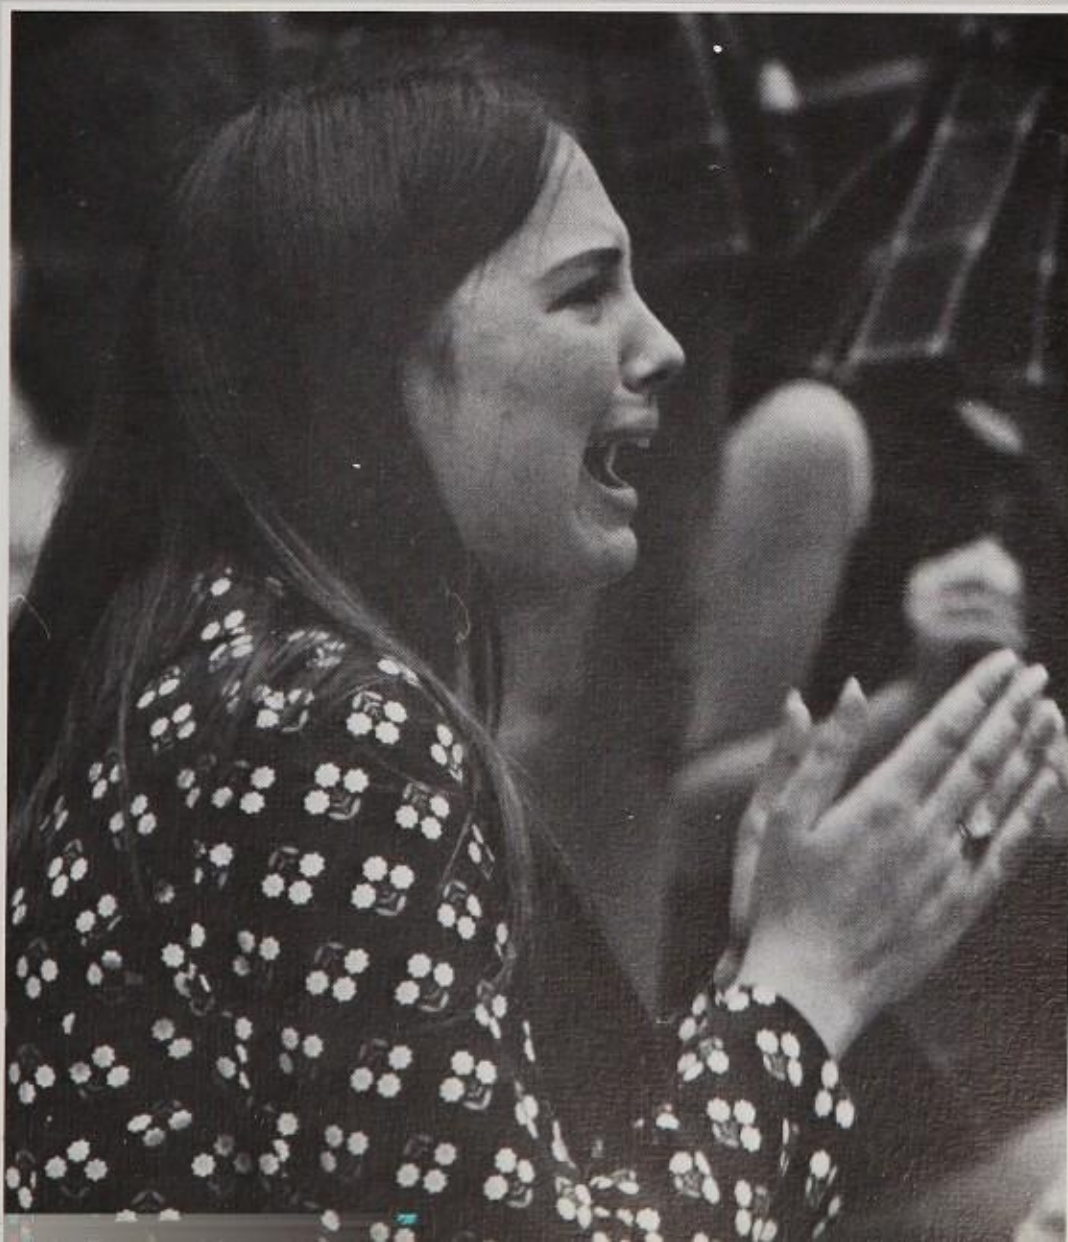

As the Wildcats took the floor against sixth ranked North Torrance, there was not a person in the gym who did not feel the pressure and suspense that went along with this game. Monrovia looked like midgets against the towering Saxons. North's gigantic duo of 6-10 Taylor and 6-7 240-pound Nielsen looked unmercifully huge, and the battle looked almost too much for 'Cat center Trapp. But as it turned out, the battle did not rest in George's hands alone, for scrappy forward Steve Collins played as if the game meant his life and led the 'Cats to an astounding 73-60 victory.

Coach Stillson exclaimed, "This is the greatest victory I've had in 11 years as a coach." And it was truly a great victory. The 'Cats overcame tremendous odds — height and officiating — to put together a victory any team would be proud to claim.

Scrappy Steve Collins leaps high to take the ball out of the hands of the gigantic Saxons.

CATS AMBUSH COVINA

"Did we execute, or did we execute?" exclaimed a happy Tony Stillson amid the din of the post-game party. "That was the best job of running or offense any team of mine has ever done. Most of our points came off our offensive patterns—not garbage."

Once again, it was the scoring ability of Trapp, Kendall, and Strickler, and the hustling of Courter and Collins that spelled defeat for the third-ranked Covina Colts.

Trapp managed to score 29 points although spending the third and much of the fourth quarters on the bench because of foul trouble.

Although the hot-shooting Covinans shot a scorching 62 percent from the floor, a well-balanced attack and an effective press kept the Wildcats ahead by a comfortable margin for most of the game. Pacing the attack and setting up the offense was guard Mike Kendall as he amazed the crowd with his devastating drives and last second releases of the ball under the boards for two points.

Coach Stillson pretty well summed up the feeling of the team by blurting, "There were eight teams left tonight, and we were the only one not ranked, and we're going to Long Beach — oh my gosh!"

Shirley Boocock appears unhappy with the way things are going on the floor.

All the tensions and emotions of a grueling CIF trek are released in that one great moment as Monrovia emerges victorious in the championship game.

CATS CLAW BULLDOGS, EAGLES

Trailing by ten points with time running out on them late in the fourth quarter, a determined Wildcat team managed to maintain their cool as they turned on the heat and overcame a hustling Burbank squad by a 58-54 count.

Igniting the rally was spunky 5-9, 145-pound guard Mike Kendall as he took charge of the 'Cat team and sank nine of nine free throws in the second half and finished as high point man in the exciting contest with 21 points.

The tall and talented Burbank five led all the way into the final quarter behind the uncanny shooting of forward Dave LeSeuer and guard John Hoffman.

The turning point in the contest came when giant center George Trapp took a fast break pass downcourt and started heading towards the basket with intentions of using his famous dunk shot. But Burbank guard John Hoffman shot downcourt and managed to slap the ball out of Big George's paw as the 'Cat center started his jump. No sooner did the ball leave his hands than Trapp seemed to come alive. All of a sudden he was all over the court, blocking shots and intercepting passes. Although he finished with only 16 points, Trapp was instrumental in the win.

But the key to the win was not made on the court. It was made in the solemn tenseness of locker room half-time strategy talk by Coach Stillson as he switched his game plan. "It was the way we switched our defense in the second half. We gambled on a zone press and then we fell back to a zone. When they saw the zone, they started

standing still. Then they started thinking of shooting, and when you do that, you're not going to hit."

With this change, the 'Cats were awarded the privilege of meeting the El Segundo Eagles the next night, and **that** is history!

From the tip-off it was evident the Wildcats were not going to let themselves be awed by the massive Eagles. Trapp pretty well described the 'Cat feeling when he quipped, "The Eagles may be flying high, but we're gonna shoot them out of the sky."

With Trapp working well inside and Denny Strickler hitting from way beyond the Eagle zone, the Wildcats jumped from behind to tie the contest early in the second quarter and go ahead by two at the half.

The third quarter was controlled by Monrovia. Kendall and Trapp scored all but two of the Wildcat points as they extended their lead to ten at the end of the period, 45-35.

With Eagle mentor Cliff Warren raging along the sidelines, the Eagles went into a full court press which erased the 'Cat lead and put El Segundo ahead by one, 52-51, with just 1:17 seconds remaining.

Monrovia's jumping-jack forward, Steve Collins, however, was fouled attempting to score on a rebound following a Terry Miller miss from the free throw line. He made one of two free throws which put the game at 52-52 and sent the game into overtime.

The overtime period was all Trapp as he scored 7 of 10 'Cat points and gave the Wildcats the first CIF championship in the history of the school!

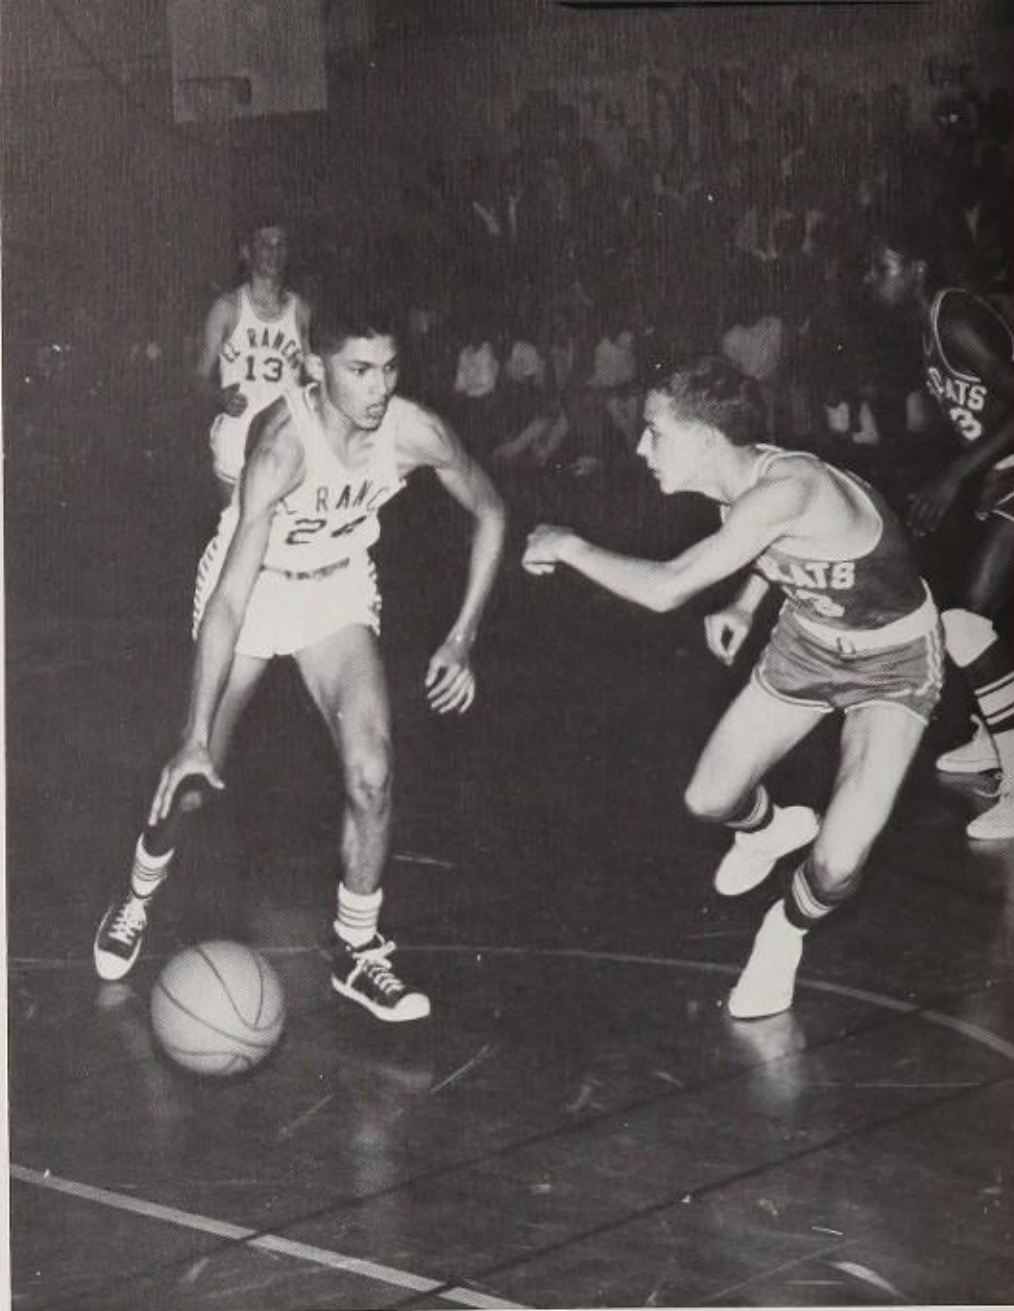

... AND SUDDENLY, WE'RE NO. 1

From six to eight every morning before school, the JV team could be found practicing and perfecting plays that led them to a successful 11-7 record for the year.

Co-captains Steve Flannes and Phil Pfeiffer, along with forward Bob Williams, John McLaurin and Dennis Willett, led the scoring attack as they executed a very effective press and a very fast running game.

Steve Flannes and Phil Pfeiffer were voted Most Valuable Players, while John McLaurin was awarded the distinction of being the Most Inspirational. Dennis Willett was named Most Improved.

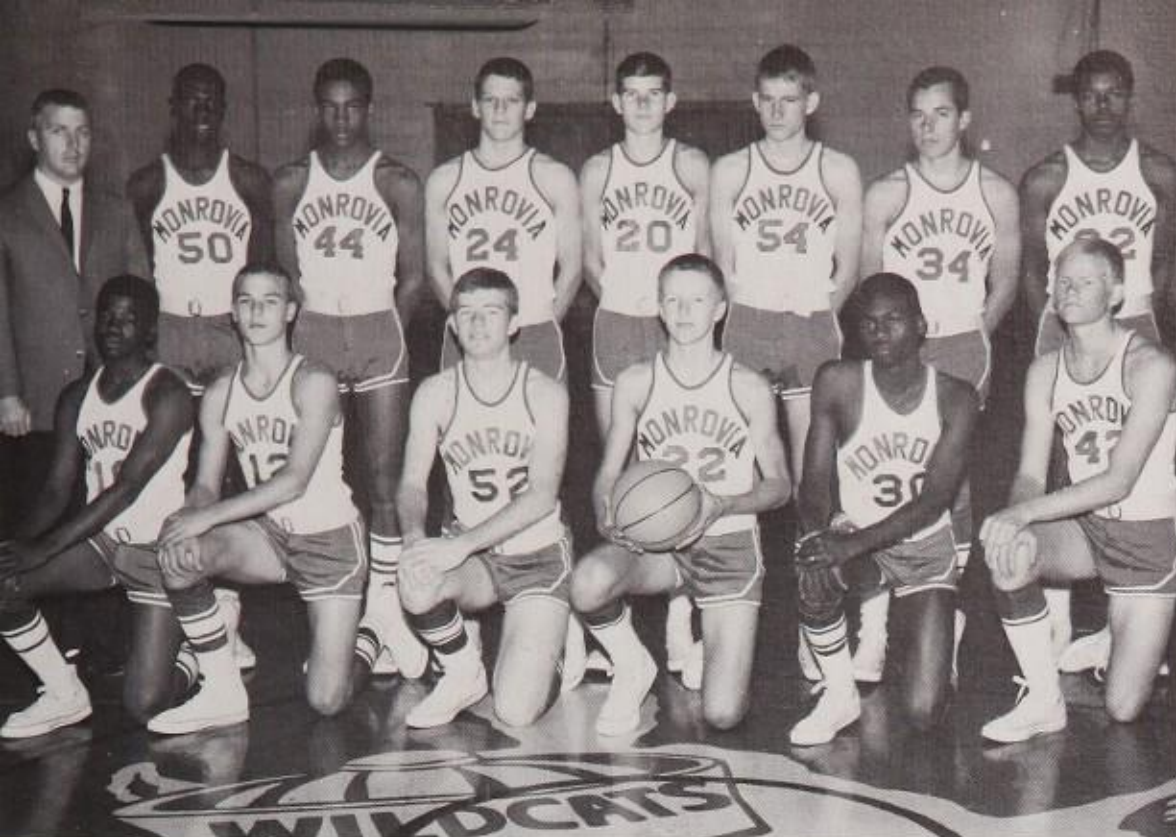

Rob Kendall defends his man perfectly.

TEAM EFFORT LEADS CEES

A second place finish and an 11-3 record were the well deserved rewards for a dedicated Cee team under the direction of Coach Artie Jenkins. Utilizing an effective press and a tenacious man-to-man defense, the Wildkittens were able to master their opponents, including a 25 point victory over arch-rival Arcadia.

Alternating their line-ups frequently, they managed to letter all but two players. The usual leaders on the court were Gary Williams, Captain Jimmy Wilson, Billy Jackson, Henry Gibbs, Dennis Doose, Dwayne Sims, Bryant Wieneke, and Walter Ferris.

The team named Henry Gibbs and Billy Jackson as their Most Valuable players, while choosing Dwayne Sims as Most Improved.

WILD KITTENS CLAW OPPONENTS

Ending the year with a 9-5 PL record, this year's Dee team was deemed highly successful. Its goal set for an even win-loss record, a spirited group of Wildkittens teamed up not only to achieve this goal but to surpass it.

Leading the Dee team on court were Larry Vanderdoes, Ed Frederickson, Rusty Radcliffe, Terry Bourne, and Mike Romero.

At the season's end, the Dee's chose Larry Vanderdoes as their Most Valuable player, while Rusty Radcliffe was named Most Inspirational and Ed Frederickson Most Improved.

HOLMES, CRAIG STAR FOR BEES

This year's Bee team was characterized by individual stars and bad luck. A Pacific League Crown was anticipated with such standouts as Herbie Holmes, Bernie Craig, Tommy Johnson, and Butch Gadbury leading the attack. A strong bench of John Parker, Don Doolittle, and Rob Kendall added to the 'Cat strength.

Hopes of a championship diminished as three victories were lost in the last few seconds as the team seemed to choke after building up good leads. The loss of Holmes and Craig to the Varsity reduced 'Cat hopes near the end of the season, and they managed to struggle to a 7-7 PL record.

McNeil, Jon is one of the top "B" freestylers in the CIF. He holds school records in the 50 free 2.9; 100 free 51.4; and 200 free 1:55.4. Jon is a senior.

Mickelson, Brett is a prolific swimmer in all strokes; he holds the school record in 400 free 4:15.9; 100 butterfly 58.8; 200 indo 2:15.9. Brett is a senior.

Martin, Dan is an outstanding breaststroker and butterflyer. He is a tremendous competitor, a junior.

Welch, Russ is good in all strokes. He's a senior.

B's

Langdon, Chris, junior, a good freestyler.

Bishop, Tom, a sophomore, is a good prospect in all strokes.

Coates, Richard, a junior who holds the record in breaststroke.

C's

Stanton, Bill, is an outstanding freshman, good in all strokes.

Bishop, Pat is probably the best backstroker in the school's history.

HOPES HIGH FOR BASEBALL LEAGUE CHAMPIONSHIP

Darwin Warner at bat.

An inexperienced but potentially solid group, the Varsity Baseball team ended its pre-League practice session with a 2-4-0 record, by no means an actual indication of the young team's ability. An impressive 15-4 victory over Gladstone High in Covina lifted spirits for the opening League game with Arcadia.

Among the young but talented group of sophomores were Randy Cocke, pitcher; Phil Holman, catcher; Bryan Wieneke, shortstop; James Price, third base; and Jim Ryan, second base. Darwin Warner, Jeff Platt, Doug Nylander, Calvin Bourne, Mike Kendall, and Clarence Kimbrough were returning juniors who contributed some needed experience to the field players.

Hard hitting seniors Jackie Adams, Gordon Boen, Tom Lewis, Clyde Harbaugh, and Tom Reed were expected to bolster the team's standing.

All of the needed ingredients were there for a Pacific League Championship in 1967.

PETERS, LONG LOOK GOOD ON JV TEAM

At the climax of the practice season, the JV Baseball team had compiled a 3-3-0 record. Going into the opener against Arcadia, the team found that the pre-season experience was all that was needed to uncover several star players.

Gary Peters was the outstanding pitcher of the team. Dennis Doose and Bruce Sanders were also putting forth great performances. Dave Long was supplying needed hitting power and Les Caldwell was managing to drive in needed runs, compiling quite an RBI record. Jim Gordon was expected to be one of the better fielders on the team.

Coach Dennis Gastineau predicted that both Peters and Long would probably step up to Varsity in '68 if their performances on the field were consistent.

JV is the training ground for future Varsity players. This year's team will probably supply the needed field and bench strength for next year's Varsity team.

FIRST ROW: L. Trimble, T. Josenhans, J. Gordon, B. Abell, B. Casey. **SECOND ROW:** G. Grubb, L. Apodoca, L. Caldwell, D. Long, T. Aldrich. **THIRD ROW:** Coach Gastineau, D. Doose, B. Sanders, M. Edwards, D. Jones, E. Jackson. **FOURTH ROW:** H. Gibbs, G. Peters, D. Jones, Roschert, E. Spicer.

Clark, J. Callahan, M. Rodriguez, C. Olson, J. Card, J. Edwards, R. Kendall, D. Pawelek, W. Robinson.

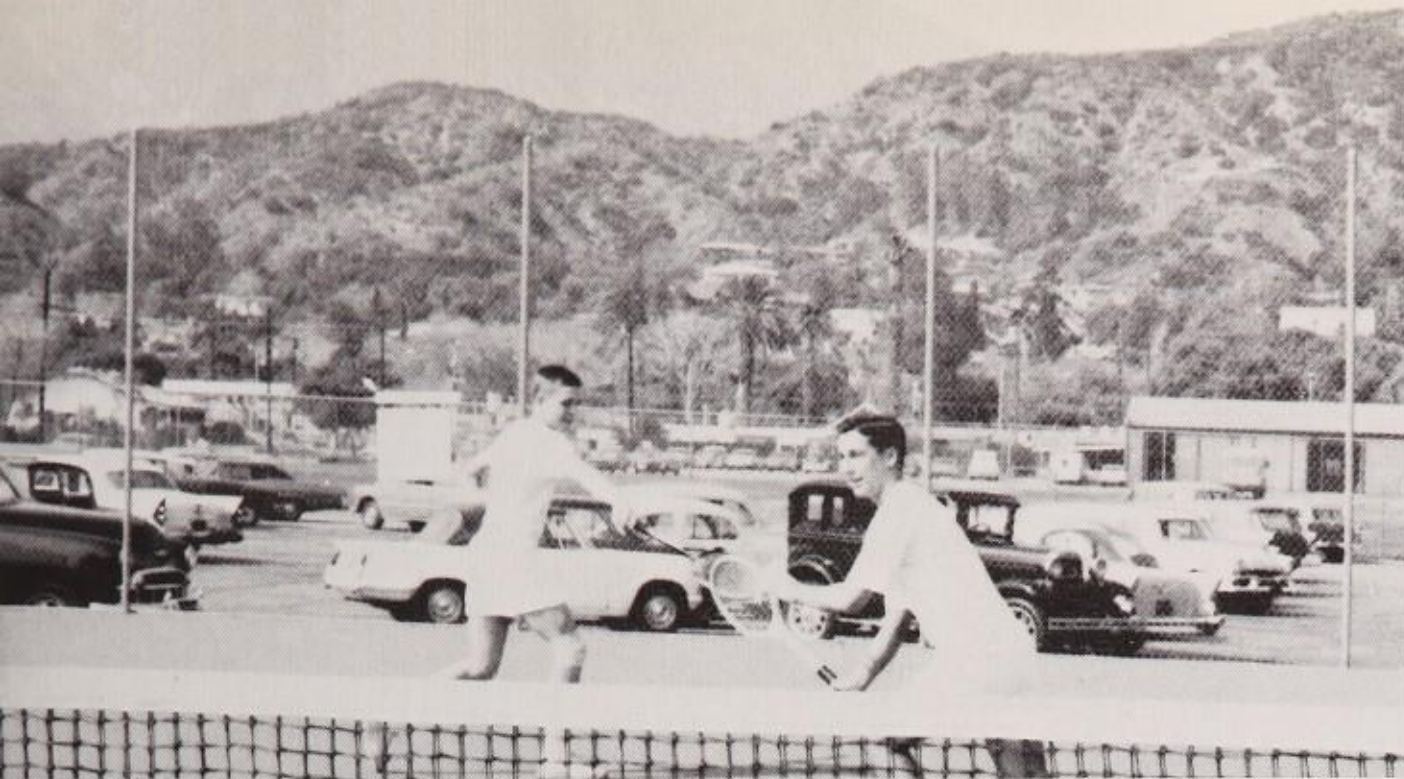

BRUBAKER TRIO FROSH ACES

Although the Frosh baseball record was only 0-2 at press time, it is no real indication of the team's ability and poise. With the opening season game against Arcadia, the team produced several star players.

Willie Robinson, Ed Fredrickson, and Joe Uhl had demonstrated their batting power in pre-season games. Jeff Cramer and John Callahan supplied pitching strength where it was needed.

Frosh Coach Brubaker stated that all-round, outstanding players Willie Robinson, Rob Kendall, and Ed Fredrickson would probably see Varsity action next year.

Steve Flannes and Maury McConnell show the teamwork which made the tennis team so successful this year.

WINNING COMBINATION FOR TENNIS: NEW COACH, TEAMS

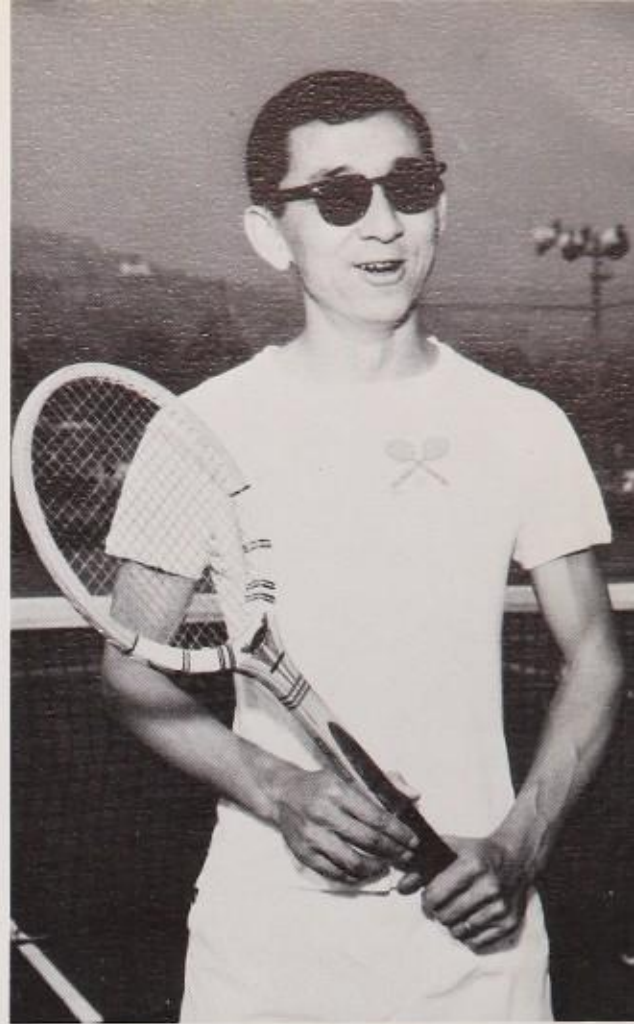

Following a not so successful '66 season, the MHS tennis team prospects were slightly brighter. Acquiring a new coach, Harry Kawahara, American Institutions instructor, the team had a surprisingly eventful pre-season practice.

With Mark Oberon, Steven Flannes and Bob Bell leading the singles and Maury McConnell and Greg Oberon leading the doubles, the Varsity netters defeated Burroughs High and came within a few points of besting Muir and Rosemead.

This early showing by the Varsity seems to forecast a beter season than

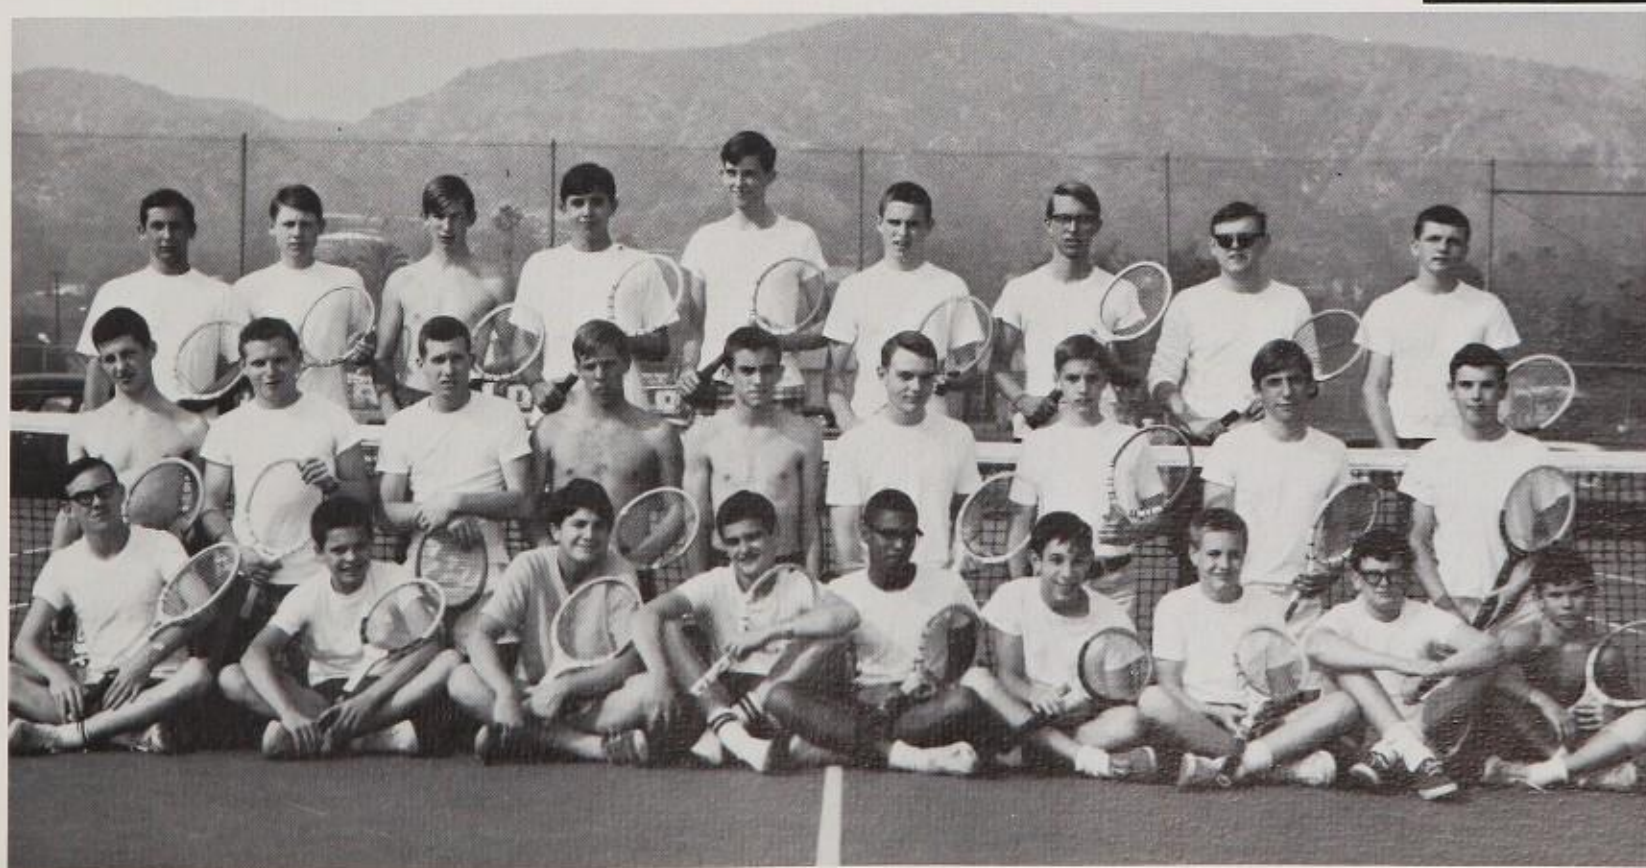

'66, when the 'Cats' record was 1-23.

The JV's, led by Mike Nichols, Mike Garcia, Bill Minter and "Nobe" Euguchi, the foreign exchange student, also compiled many points against their opponents. Due to a lack of Frosh squads throughout the League, Monrovia didn't have much opportunity to show its ability. However, when the opportunity came, the boys were on hand to compete as the inexperienced Frosh team added depth to the JV's and applicable knowledge to their own net ability.

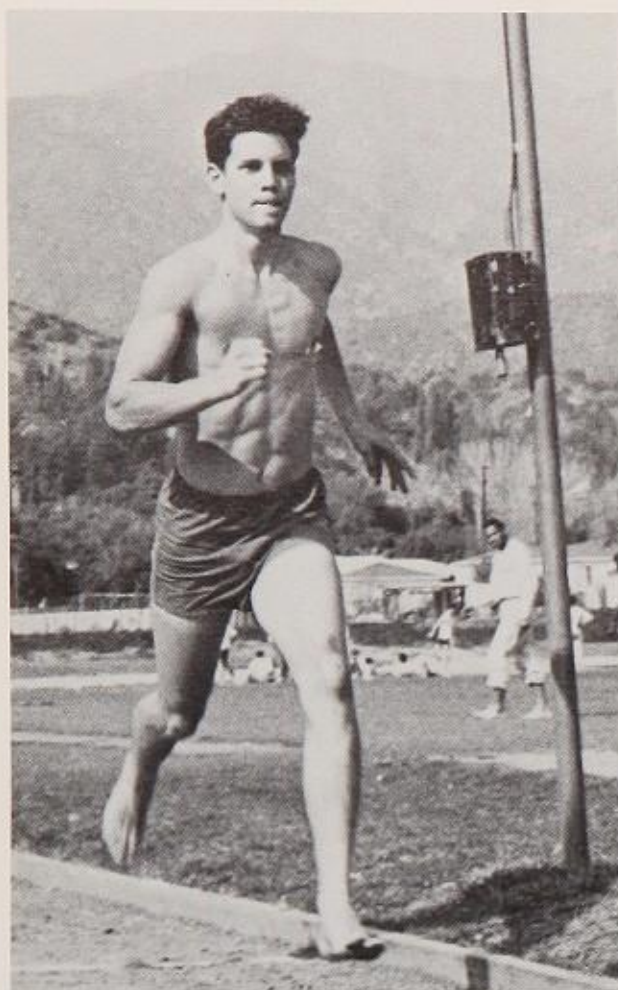

Coach Kawahara appears pleased with his boys.

FIRST ROW: A. Crawford, J. Wilson, D. Kies, E. Carlson, B. Bell, G. Dodd, D. Bagwell, T. Moses, B. Minter. **SECOND ROW:** M. Garcia, M. Nichols, J. Peachey, L. Boyles, M. Flannes, J. Gould, B. VARSITY TRACK PAVES WAY FOR FUTURE SUCCESS OF GREEN AND WHITE

Loree Klein

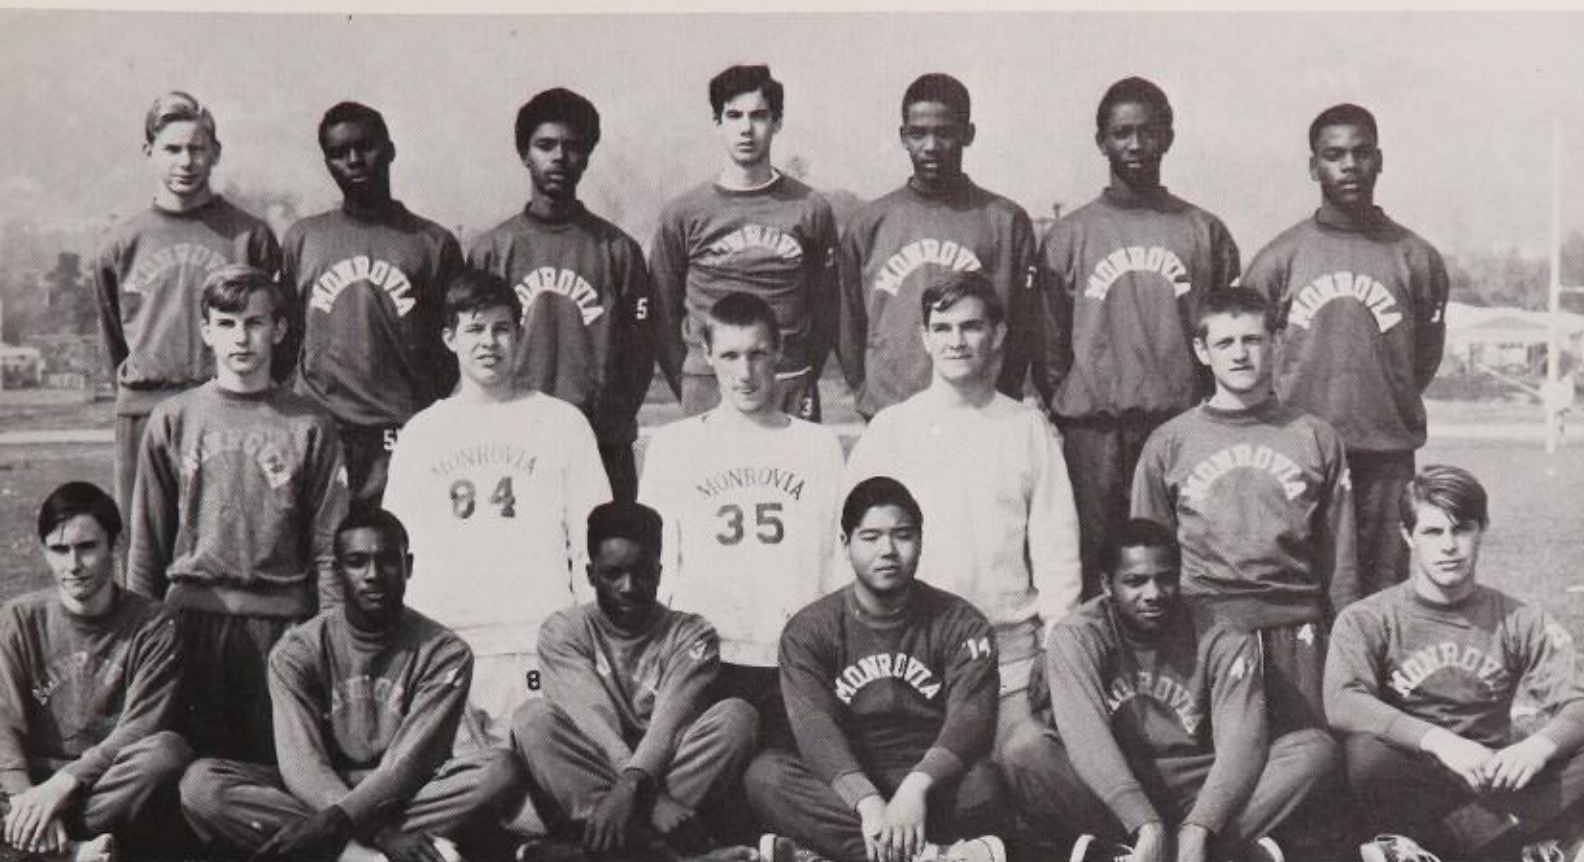

Joe Sanchez

Plagued with a potential-filled team, 'Cat coaches Walker, Daniels and Stevens had a hard time determining the '67 team's composition. The coaches' farsightedness was seen when they moved several varsity stars down to the B's. Players who were left on the varsity competed fiercely against opposing teams from all over San Gabriel Valley. Leading the hurdlers were Steve Collins and Phil Lindsey, both extremely fine competitors. Bobby Cole, Wilbert Johnson, Loree Klein, and Dick Coombs complemented the running facet of MHS's cindermen. One of the finer shot putters in the valley is vying for league honors; he is Steve Milbrandt. These are some of the boys who annually compete for the green and white team. A finer group of individual stars would be harder to find anywhere.

FIRST ROW: D. Coombs, D. Hall, D. Wilfred, W. Johnson, J. Sanchez, E. Bujanda. **SECOND ROW:** D. Speer, L. Klein, Z. Goodrich, P. Huld, M. Esh. **THIRD ROW:** E. Nunnely, B. Cole, H. Holmes, S. Collins, S. Milbrandt, R. Mix, K. Lausmann.

FIRST ROW: T. Arndt, B. Ross, J. Weathersby, G. Morshito, E. Lofton, J. Shannon. **SECOND ROW:** A. Volej, E. Peachey, J. Williams, R. Richardson, B. Dineen. **THIRD ROW:** B. Ilton, C. Price, W. Warren, D. Esh, J. Parker, D. Cooper, R. Husband.

B AND C TRACK: POTENTIAL PROMISED IN FUTURE

One of the bright spots in the '67 season appeared at the start in the form of the B team. Seeking another fine year, the coaching staff deemed it necessary to "demote" several Varsity boys to competition on a not so gruelling level. Those who were drafted for the B team were long distance stars Joe Sanchez (who doubles as a pole vaulter) and Estan Bujanda (1320); hurdler and broad jumper, Herbie Holmes. Solid B leaders were Wayne Warren and Ron Husband in the hurdles along with vastly improved Barry Dineen. Many of the other B fighters are returning lettermen and cross country runners. Such characteristics and boys foretell a bright future for the MHS B's.

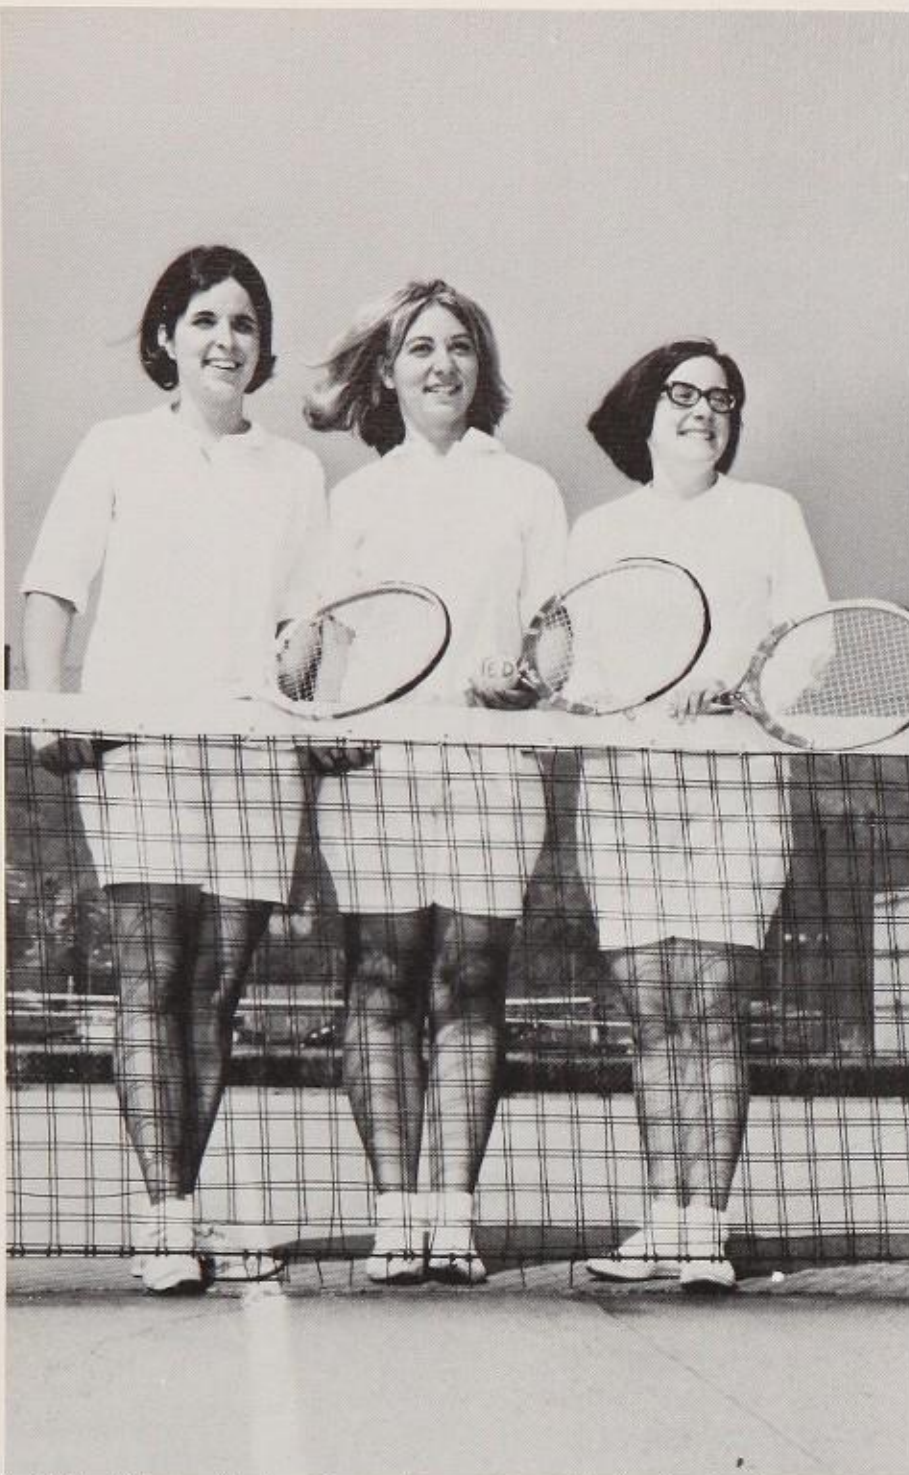

After seeing some of the C boys in action,

many people are convinced the team shows great promise for the future. The potential capabilities of many of the tracksters extend over several bright years for MHS. Excitement, fierce competition and victory are on the way. The boys who will provide the victory in events are as follows: little Steve Klein, like his older brother Loree, is a fine runner who promises to be outstanding; Mark Bauer, a fine prospect, is on his way, this year competing in the 660; Wayne Nunnely, a fine shot putter, is only a Frosh starter; finally we have John McLaurin, who in an early season victory won the high jump with a new school record of five feet nine and one-half inches.

FIRST ROW: R. Deem, D. Fisher, S. Klein, L. Reed, R. Espinosa. **SECOND ROW:** J. Roberts, J. Hawthorne, M. Bauer, J. McLaurin, W. Nunnely, J. Shulman, C. Lindsey. **THIRD ROW:** G. Biggle, C. Gomez, M. Morgen, R. McCune, J. Watson, J. Kies, K. Chilson, W. Addams, D. Jackson.

CATSKILL RAQUETTERS

Catskill officers, Marion Quesenbery, vice-president; Sandy Jensen, president; and Jane Evans, secretary-treasurer, have guided their club through a year of exciting competition.

Racquets momentarily stilled, the members of Catskill Racqueteers pause for a picture. They are **FIRST ROW**: M. Quesenbery, J. Evans. **SECOND ROW**: T. Jacobson, C. Day, P. Everett, S. Jensen and S. Harmon.

CIRCLE M

Offering opportunities for enjoyable activities, MHS's honorary girls' athletic club, Circle M, is a fine goal for those girls who have taken an active interest in sports and who have maintained a B average in physical education. This organization was directed by officers Nancy Soyeshima, president; Marsha Anderson, vice-president; Suzanne Fisher, secretary; Carol Peck, treasurer; and Lorraine Meyer, chaplain. Considered by all to be the high point in the year's activities was a winter weekend at Mrs. Thelma Yenney's Wrightwood cabin.

Encircling their club insignia are the members of Circle M: D. Timmons, E. Pate, B. Gadbury, N. Soyeshima, C. Peck, M. Anderson, S. Fisher, D. Schroder, M. Quesenbery, L. Lamontagne, and L. Boyles.

FIRST ROW: J. Polak, S. Fisher, S. Davidson, P. Szydlowski, C. McNearny, L. Lamontagne, L. Boyles, E. Sprague, D. Timmons, M. Quesenberry. **SECOND ROW:** C. Procter, C. McGuinnes, E. Collins, C. Ross, C. Kassel, L. Lewis, P. Clarkson, J. Freyheit, P. Scott, D. Denard. **THIRD ROW:** C. Watson, P. Johnson, R. Ruh, L. Seders, J. Graves, B. Butler, K. Hooker, P. Steuve, T. Dickinson, D. Schroder, L. Harris, Miss Beverly Stunden, sponsor.

GAA

Earning itself a position among the most active clubs on campus, the Girls' Athletic Association (GAA) participated in year-round sports activities — volleyball, basketball, baseball, and individual sports. President Lorraine La Montagne, Vice-presidents Loretta Boyles and Marion Quesenberry, Secretary Yolaine Bowers, and Treasurer Carol McNerney organized inter-mural competition (playdays) in which three schools participated. They again maintained their tradition of service by both sponsoring the election dance and providing all decorations.

"A perfect swing," taunts Patt Schuil, "but it would help to have both feet planted on the ground."

Striking a graceful pose is Gwynne Giampeitro, performing in the Christmas program presented by the Modern Dance classes.

MODERN DANCE

Grace and limberness are two fine qualities developed in MHS's Modern Dance classes. These same traits are put to good use when the girls vie for the Modern Dance Trophy at the close of the year. The classes work throughout the year to prepare themselves by solos and class projects. The girls find their practice worthwhile when the time comes for the contest, the peak event of the year.

Four moppets join laughingly together in dance. Pictured are Joan Gordon, Karen Romin, Karen Churchill, and Lois Christensen.

One aspiring student attempts what onlookers deem a very unique dive.

"... and you girls will be the trees. Now we need one to portray the wind, whooshing through the branches."

ADMINISTRATIVE CONCERN IMPORTANT TO ASB

Monrovia High School is lucky to have a principal who takes an active interest in the functions and desires of the student body. Mr. Leonard Morris cares about each individual who walks the halls of MHS.

Aside from being the high school's principal, Mr. Morris takes an active part in the community by being a member of Rotary Club and an avid golfer.

MHS's enthusiastic principal, **Mr. Leonard Morris**, takes an active interest in the ASB.

Assistant principals **Mr. Harry Strubbe** and **Mr. John W. Mire** co-ordinate student needs.

Mr. Harry Strubbe and Mr. John W. Mire filled the positions of Monrovia High's assistant principals. They, as Principal Leonard Morris' right-hand men, co-ordinate student activities and individual needs.

Assistant Principal Strubbe is in charge of student activities and discipline. Besides executing the many duties of his job, he also serves as Senior Class Sponsor.

Mr. Mire, who is new to MHS this year, is, officially, Assistant Principal-Administrative Co-ordinator of the Work Experience Education Program—quite a title for a new employee! This new program was first introduced to MHS in the spring of '66.

Mrs. Estella Peterson serves as Principal Morris' secretary, and **Mrs. Jean Thurston** helps the assistant principals with their daily work.

Performing many duties essential to the well-being of MHS students is the counseling staff. Included in the counselors' daily activities are individual student guidance, program changes, college planning, and vocational directing.

Miss Clytis Cummens, Mrs. Gladys Lee, and Mrs. Ruth

Tillman serve as the members of the girls' counseling staff. On the boys' counseling staff are Mr. Arthur Langdon, Coordinator of Pupil Services; Mr. Robert Long and Mr. Al Katich, boys' counselors. All student aptitude testing is handled by Mr. Langdon.

Monrovia High's counseling staff is composed of Miss Clytis Cummens, Mrs. Ruth Tillman, Mrs. Gladys Lee, Mr. Arthur Langdon, Mr. Al Katich, and Mr. Robert Long.

Last spring the Monrovia School Board selected Dr. William Lacey to fill the position of Monrovia Unified School District Superintendent.

As new superintendent, Dr. Lacey came to this district with many pre-requisites. He was superintendent of Palo Verde Unified School District in Riverside. In the Victor Valley District in San Bernardino County he held the position of assistant superintendent. At Big Bear High School, where he was assigned his first teaching position, he was vice-principal.

Dr. Lacey received his Bachelor of Arts degree at UCLA. He went on to earn his doctorate at USC. He participates actively in Phi Delta Kappa, an honorary teachers' association, Rotary Club, Masonic Lodge, and various other service and educational groups.

Mr. Kenneth Richardson and Mr. Raymond Rodriguez serve the District as assistant superintendents.

Maintaining the busy Attendance Office are Mrs. Adeline Moak, Mr. Clovis Smith, and Mrs. Elizabeth Wright.

Numerous procedures instrumental to the efficiency of Monrovia High are carried out by the Attendance and Record's Offices.

Mr. Clovis Smith, Director of Attendance and Child Welfare, heads the Attendance Office staff. Mrs. Adeline Moak serves as Mr. Smith's secretary and is in charge of boys' attendance. Mrs. Elizabeth Wright, a clerk typist, takes care of girls' attendance. The Attendance Office also compiles the daily California state student attendance reports.

Data processing of grades, transcripts, testing information, and all other paper work except attendance is handled by the Records' Office staffed by Mrs. Kathryn Larson and Miss Gloria Higel.

Mrs. Kathryn Larson takes care of important records.

Also a MHS record keeper is Miss Gloria Higel.

Mr. Warren Jaycox, MUSD Administrative Assistant, oversees the district's personnel.

Fourteen new teachers joined the MHS staff this year, merging easily with veteran members to form a unit of 87 classroom pros. The faces in this section catch the non-screened, direct lighting effect of teacher pictures in recent years.

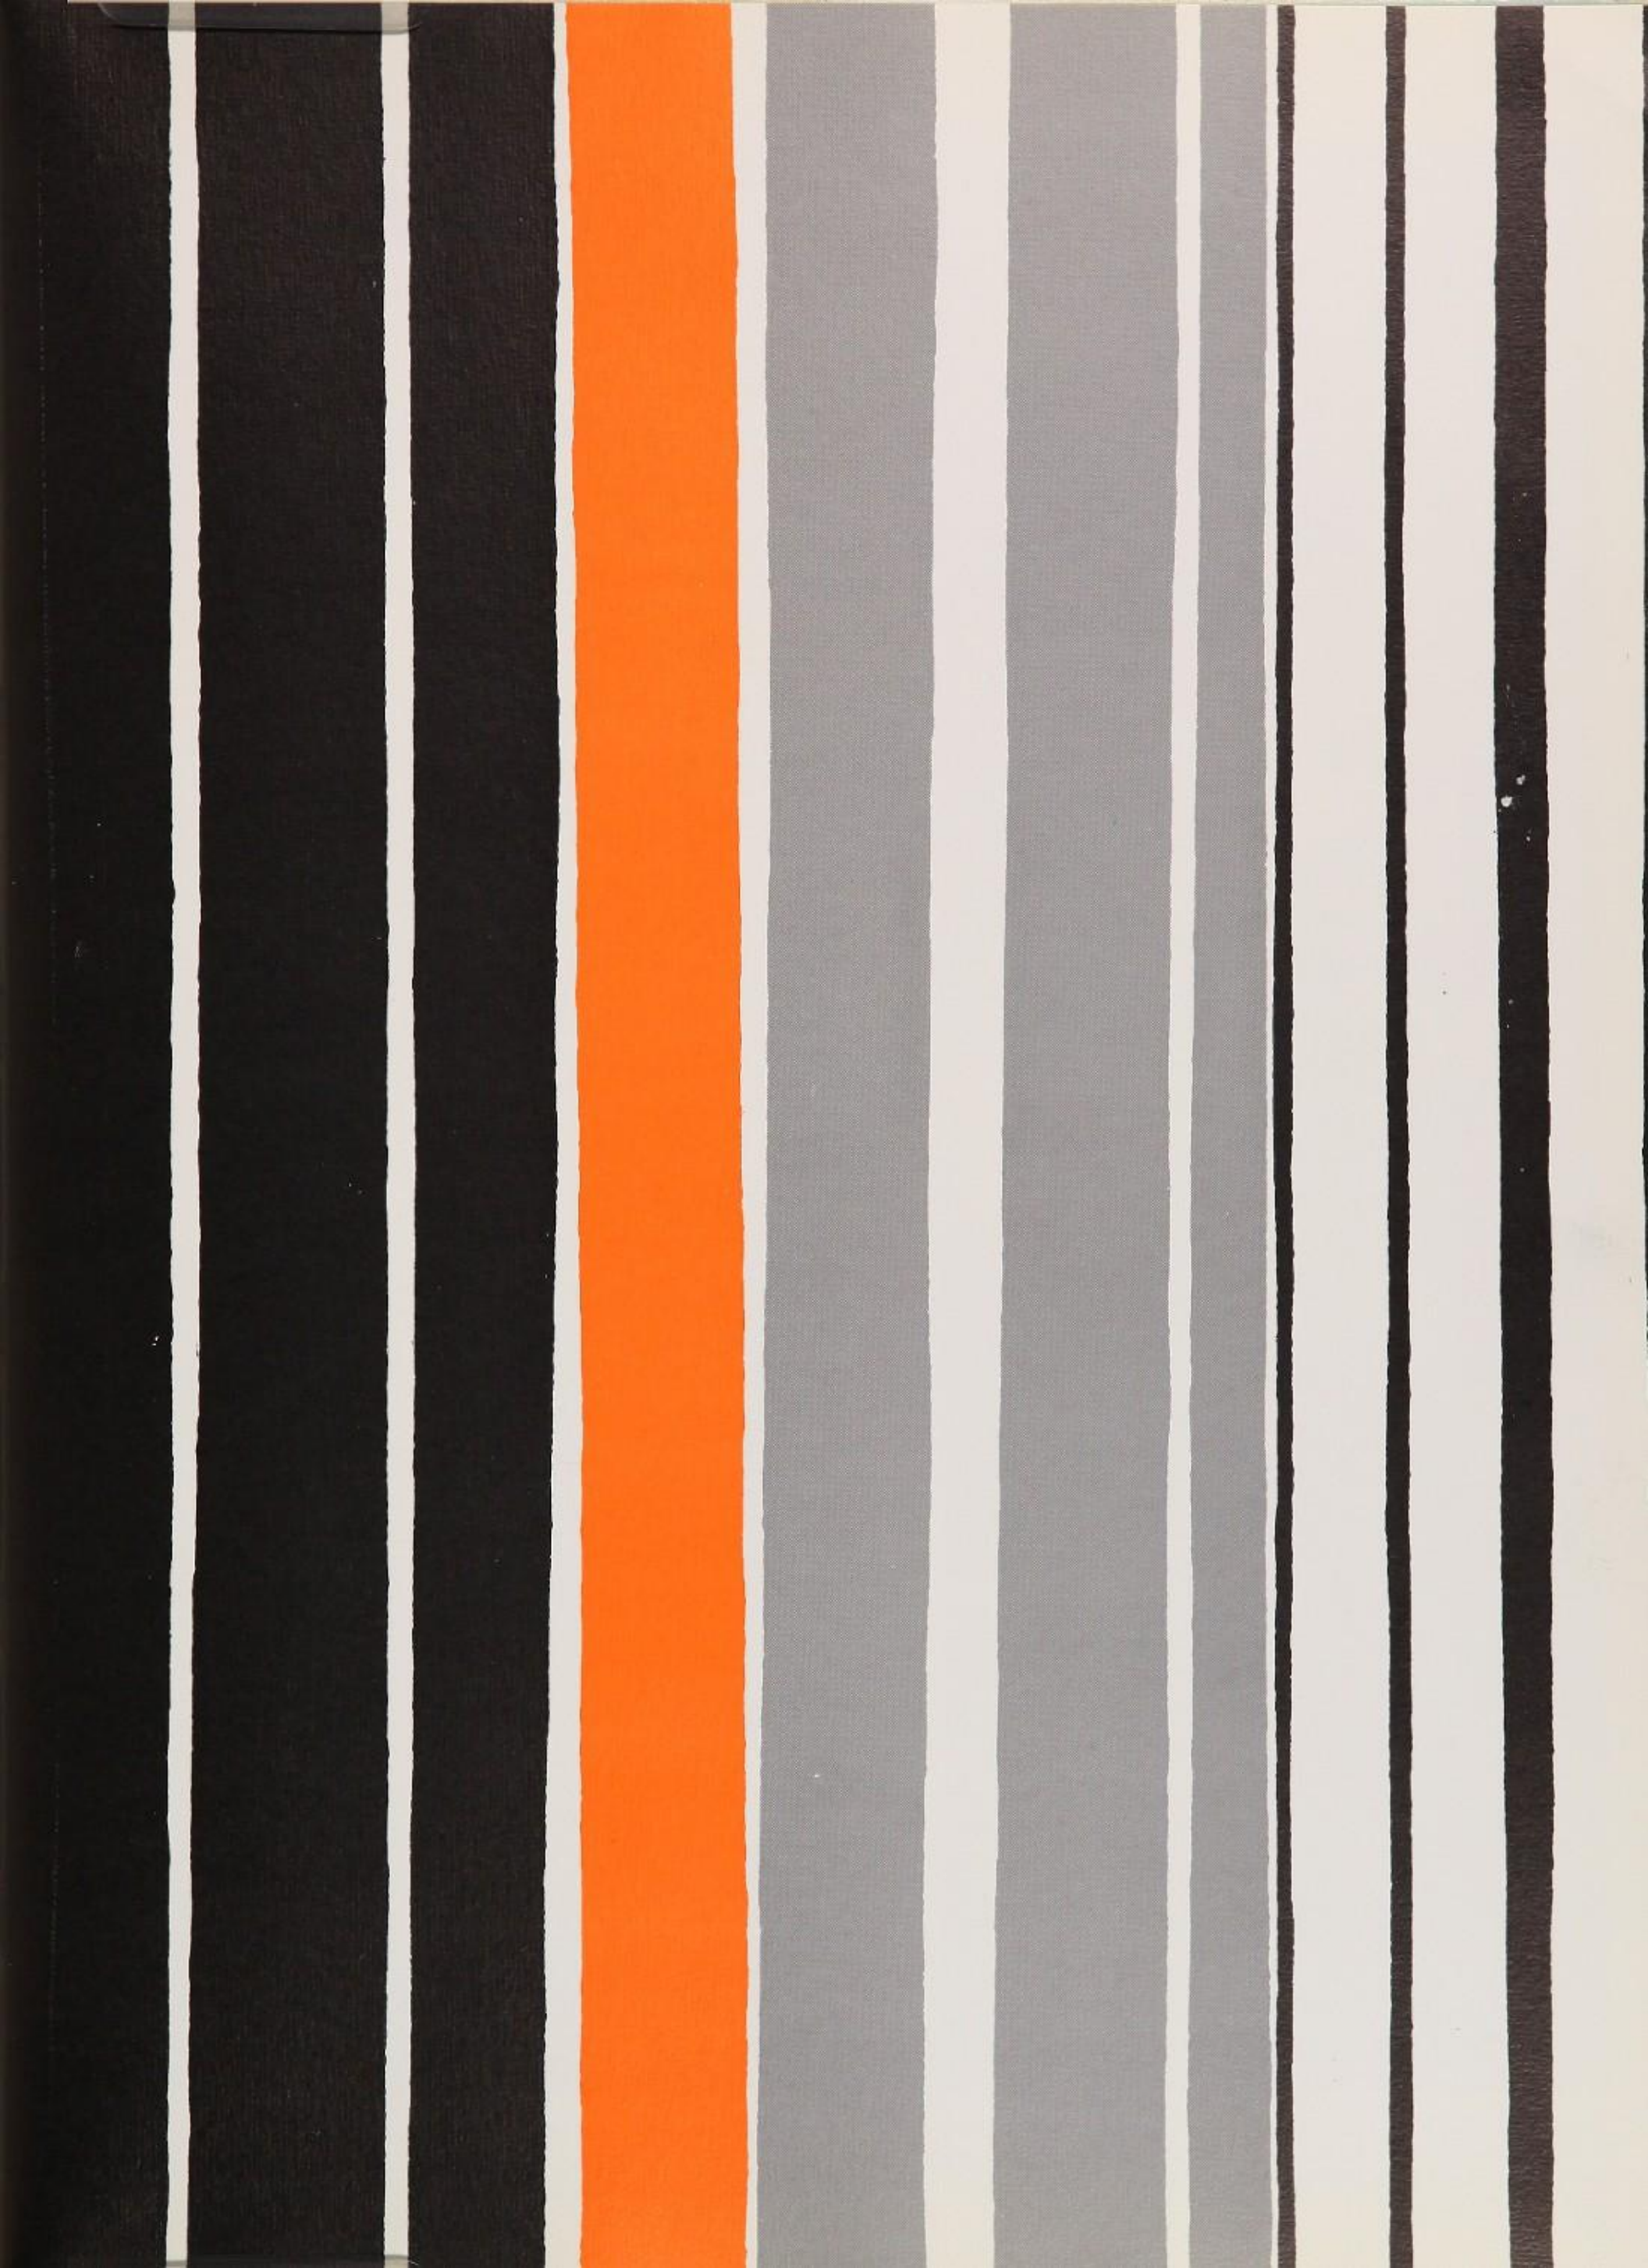

Here are teachers at work, teachers alert till midnight grading papers and tests, accompanying 70 students on a field trip, coaching teams after school, sponsoring clubs, directing activities, talking, listening, questioning and answering.

Theirs is a difficult but rewarding life. The heartbreak of a failing student is softened by the academic or vocational success of another.

The love, hurt, enthusiasm and toil involved in a teacher's desire for achievement for himself and his students are evident in these faces.
